Those darker than espresso eyes were full of fear, her mouth so ripe that had once begged me to devour it trembling in fright. She looked up at me through a curtain of thick, long lashes and gasped. "Theo," she whispered, her voice cracking as those eyes I'd fallen hard for filled with tears. "Help me." It was then I realized my Tavia was also his. My enemy's daughter.

Angel's Halo: Forever Angels Nov 29 2019 Rewind. I hit the rewind button on the old VHS tape that contains my memories, causing the past to scream across my closed lids. Past the nightmare where Enzo Fontana goads me, threatening my family, wanting all the secrets of my MC that I refuse to give him. Past the evil laughter that reaches me even in the sweat-soaked, pain-filled oblivion of near-death sleep. Past the blast I thought would end me, the searing pain of the heat that melted my back, the shattering glass still lodged in parts of my body. Past the months of loneliness because I let the one person I knew I couldn't live without walk out of my life because I knew I wasn't good enough for her. Pause. There she is. Smiling up at me as I lean over her. Kissing her like I have the right to. Like I'm not stealing a moment in time I will have to live off of for the rest of my life. A life that is going to end very, very soon. I'm dying. I can feel the life begin to fade from me. My body, which has been tortured for days, perhaps even weeks-I don't even know anymore-will give up soon. And all I want to do is think about her. That smile. The sweet taste of her lips. The little sounds she made as she gave me the most precious thing any woman could give a man. The love in her eyes in the afterglow. She was mine then. And I would forever be hers. "Jos," I groaned, letting the first tear leak from my eyes.

Her Shelter Jul 18 2021 The beautiful, ethereal creature ran across the road on my way home one night. I nearly hit her and ended up wiping out in the process. A little dazed, I ran after her... And found her in the woods. Dirty and cold from living on the streets for weeks-but still so breathtaking, I was sure I was dreaming her. Delaney is deaf, scared, and on the run from her uncle. But now that I've found her, I won't let anything hurt her ever again. She makes me feel something I've never felt before. This tightness in my chest causes the beast within me to snarl unless she's beside me. She becomes my obsession, my reason to get out of bed in the morning. She makes me want to be...better. For her. I'm never letting this girl go. No matter who tries to take her from me.

Wanting Shaw Oct 21 2021 Just the sight of her is enough to make my mind go blank. Shaw Cage doesn't know the power she has over me, and I can never let her find out. She's my best friend's sister, and her brother and I made a pact-our sisters were off-limits. As much as I wanted her, I could never have her. Until I realized Cannon was unworthy of my loyalty. Realizing my mistake came too late. I'd already let Shaw down too many times. But I am Emmie Armstrong's son. I won't let anything stand in my way of getting what I want most.

Heartless Savage Oct 01 2022 He calls me his heart. Tells me the only reason he closes his eyes at night is so he can see me in his dreams. Every minute he can spare, I'm right beside him, and our families just smile knowingly. Ryan has responsibilities, though. One day, my mafioso prince will be the king. And I will be his queen... Then my brother runs into trouble, and I'm taken as collateral. But the enemy doesn't realize that my brother isn't the one they should worry about. Because, without me, Ryan is heartless. But Amara was starting to see that maybe she should have. Everything that could have possibly gone wrong, has. Until I run right into what feels like a brick wall. Of course, the brick wall has a name, too. Cash Graves. I knew the name, even if it was a newer one to the rock world. Forever Lucy May 16 2021 SAVE THE DATE Mr. & Mrs. Jesse Thornton and Mr. & Mrs. Devlin Cutter Request you save the date for the wedding of Lucy Daniels Thornton to Harris Cutter March 26th Planning a wedding should have been easy, especially with Aunt Emmie and Harris's stepmom, Natalie, to help. Those two could rule the world from their phones, so I thought letting them help plan our wedding would make everything effortless. I was wrong. I wanted a small and intimate ceremony, but they wanted it to be huge, something that would overshadow every other celebrity wedding that had come before it. Because I felt like I owed it to my mom, I agreed, but now things were spiraling out of control. Details like the cake, the first song at the reception, and even picking a dress-gods, the dress-were all things that gave me a panic attack. My wedding wasn't mine anymore. It was a freaking circus.

But I wasn't made out of glass. It would take a lot to break this girl. Because if a childhood cancer hadn't kicked my butt, nothing would. Right? Wrong. All I've ever wanted was for him to look at me. Really look at me and see that I wasn't a fragile piece of porcelain that would break if he touched me. What I got was a lot more...but nowhere close to enough. Once I touched heaven-at least heaven for me-and now I didn't know how to go back to what Wroth and I had had before. I can't go back to the life I was living before my short time with Wroth. It would destroy me to stay that close, when I know that I'm not what he really wants. So when my brother asks me to go on tour with him yet again, I decide to jump on that tour bus without a backwards glance. Only I wasn't prepared to be stuck on HIS bus.

Defying Her Mafioso Jul 26 2019 *Ciro* Donati was many things: My father's most valued and trusted soldier. My brother's best friend and second in command. And the only man I would give up everything for. I fell hard for the Mafioso at the tender age of eleven. This beast of a man who I knew made people disappear-and probably enjoyed every second of it-was also the sixteen-year-old boy who had picked me up after I'd fallen flat on my face during my dance recital and told me I was the best ballerina he'd ever seen. He's watched over me, protected me like I was the most precious thing in the world to him. And then he sent me away. Scarlett Vitucci was many things: The daughter of the biggest Cosa Nostra boss from New York to Chicago. The sister of the man I would gladly take a bullet for. And the only woman I would ever love. Sending her away was the hardest thing I've ever done, but I didn't deserve her or her love. For three years I stayed away, ignoring the gnawing ache that her absence left in my chest. Now, she was back and fighting what I felt for her was impossible. Letting her go had been a huge mistake. One I would never repeat.

The Rocker Who Holds Me Jun 28 2022 *NEW COVER* Touring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares

the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again... ***Because of language and adult situations not suitable for readers under 17***

The Rocker Who Shatters Me Jun 04 2020 ***Mature Content.*** ***Not Intended For Readers Under The Age Of 17*** A Bet... Yes, I made a bet with my best friend-my now ex-best friend. It had been a stupid, heat of the moment kind of thing. I'd just wanted to get her out of my system and move on. Instead I've lived to regret it ever since. I lost the girl I loved, a girl that possessed my very soul. Now I can't even get close to Natalie. She thinks all she ever meant to me was just the means to the end of a stupid, stupid game. ...For a Bet! In the span of one night I'd gone from thinking I had a future with the man I loved to SHATTERED at his feet. I can't get over it. The pain is too strong, too destructive as it festers more and more inside of me. And then my friend came up with the perfect revenge for both our broken hearts. "I bet you..." Those three little words gave me a reason to ball my pain up and throw it back in Devlin Cutter's face. I would let him back in, let him think he had a chance with me once again. And then I would walk away, leaving him broken and bleeding at my feet as he once had left me. This time he would be the one SHATTERED.

Loving Violet Feb 22 2022 "Even before you were born, we belonged to each other, Vi," I reminded her, trying to fight the desperation to grab on to her and hold her, because I could feel her slipping away from me more and more with each beat of my heart. "You were in your mom's belly, but I still felt you in my heart. It was as if there was this invisible cord connecting your heart to mine. I can't see it, but I feel it. Every damn day. You are mine." "You're right. I've always felt it too. I am yours. And you were supposed to be mine. We were supposed to be each other's firsts, Luca. First

kiss. First touch. First everything. We promised we would be each other's firsts. 'Firsts and lasts, ' that's what you said. I remember it as clear as if it were yesterday. You swore that you would wait. That I was worth it. But you didn't wait, did you, Luca? You gave all your firsts away to someone else." "I..." My throat closed up, making it impossible to speak, to tell her everything I needed to so I could fix this. Fix us and what I broke. "You stole that from me, Luca." Angry tears spilled from her eyes, and my heart shattered even more. "You gave away everything that was supposed to be mine. And you just expect me to be okay with that? I've waited my entire life to give you my firsts, but you have none to give to me." "I'm sorry," I whispered, my voice choked with emotions I was afraid to lose control of. If I let the tears free that were burning my eyes, I might flood the world. "Sorry? You're sorry?" Her laugh was hard and final, causing me to flinch. "Yeah. So am I." "What does that mean?" My throat felt like I'd swallowed broken glass, and I was surprised I didn't spray blood on her with each exhale. "It means I'm done. You tossed away your firsts like they meant nothing. So mine are no longer yours." ***If you are easily triggered, this book is not for you!***
