**Charlotte Bronte, George Eliot** Jul 06 2020 In his detailed study Henry Bonnell analyses the works of three of the greatest literary women in 19th century England. He examines aspects of realism, the attitude towards nature and the role of passion in the writings of Brontë. Eliot's work is investigated with respect to religion, philosophy, art and sympathy. In his study of Austen Bonnell shows how place and charm have influenced her texts. His book will be of interest to the social historian as much as to the students of literature. Reprint of the original edition from 1902.

*The Secret Diaries of Charlotte Bronte* Apr 26 2022 "I have written about the joys of love. I have, in my secret heart, long dreamt of an intimate connection with a man; every Jane, I believe, deserves her Rochester." Though poor, plain, and unconnected, Charlotte Bronte possesses a deeply passionate side which she reveals only in her writings—creating Jane Eyre and other novels that stand among literature's most beloved works. Living a secluded life in the wilds of Yorkshire with her sisters Emily and Anne, their drug-addicted brother, and an eccentric father who is going blind, Charlotte Bronte dreams of a real love story as fiery as the ones she creates. But it is in the pages of her diary where Charlotte exposes her deepest feelings and desires—and the truth about her life, its triumphs and shattering disappointments, her family, the inspiration behind her work, her scandalous secret passion for the man she can never have . . . and her intense, dramatic relationship with the man she comes to love, the enigmatic Arthur Bell Nicholls. "Who is this man who has dared to ask for my hand? Why is my father so dead set against him? Why are half the residents of Haworth determined to lynch him—or shoot him?" From Syrie James, the acclaimed, bestselling author of *The Lost Memoirs of Jane Austen*, comes a powerfully compelling, intensely researched literary feat that blends historical fact and fiction to explore the passionate heart and unquiet soul of Charlotte Bronte. It is Charlotte's story, just as she might have written it herself.

*Jane Eyre* Mar 26 2022 Published to coincide with the nationwide release of the film version starring Academy Award-winner William Hurt, this edition of the classic is the only one to feature the official art and photographs from the film. Original. Movie tie-in.

*Shirley* Jun 16 2021 A passionate but unsentimental depiction of conflict between classes, sexes and generations. Struggling manufacturer Robert Moore has introduced labour saving machinery to his Yorkshire mill, arousing a ferment of unemployment and discontent among his workers. Robert considers marriage to the wealthy and independent Shirley Keeldar to solve his financial woes, yet his heart lies with his cousin Caroline, who, bored and desperate, lives as a dependent in her uncle's home with no prospect of a career. Shirley, meanwhile, is in love with Robert's brother, an impoverished tutor - a match opposed by her family. As industrial unrest builds to a potentially fatal pitch, can the four be reconciled? Set during the Napoleonic wars at a time of national economic struggles, *Shirley* (1849) is an unsentimental, yet passionate depiction of conflict between classes, sexes and generations. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Charlotte Brontë** Jun 28 2022 A groundbreaking biography that places an obsessive, unrequited love at the heart of the writer's life story, transforming her from the tragic figure we have previously known into a smoldering *Jane Eyre*. Famed for her beloved novels, Charlotte Brontë has been known as well for her insular, tragic family life. The genius of this biography is that it delves behind this image to reveal a life in which loss and heartache existed alongside rebellion and fierce ambition. Claire Harman seizes on a crucial moment in the 1840s when Charlotte worked at a girls' school in Brussels and fell hopelessly in love with the husband of the school's headmistress. Her torment spawned her first attempts at writing for publication, and the object of her obsession haunts the pages of every one of her novels--he is Rochester in *Jane Eyre*, Paul Emanuel in *Villette*. Another unrequited love--for her publisher--paved the way for Charlotte to enter a marriage that ultimately made her happier than she ever imagined. Drawing on correspondence unavailable to previous biographers, Harman establishes Brontë as the heroine of her own story, one as dramatic and triumphant as one of her own novels.

**Selected Letters** Jan 24 2022 Illustrated throughout with black-and-white plates, this book offers a valuable selection of letters written by Charlotte Brontë from her schooldays to her death in 1855 - chosen by the editor of the complete correspondence. Biographical notes introduce Charlotte's family, friends, and correspondents.

*Jane Eyre* Apr 14 2021 An iconic novel dressed in a fierce design by acclaimed fashion illustrator Ruben Toledo. This couture-inspired collection also features *The Picture of Dorian Gray*, *Dracula*, *The Scarlet Letter*, *Wuthering Heights* and *Pride and Prejudice*. Orphaned *Jane Eyre* endures an unhappy childhood, hated by her aunt and cousins and then sent to comfortless Lowood School. But life there improves and Jane stays on as a teacher, though she still longs for love and friendship. At Mr Rochester's house, where she goes to work as a governess, she hopes she might have found them - until she learns the terrible secret of the attic. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Charlotte Brontë** Jul 30 2022 On the two hundredth anniversary of her birth, a landmark biography transforms Charlotte Brontë from a tragic figure into a modern heroine. Charlotte Brontë famously lived her entire life in an isolated parsonage on a remote English moor with a demanding father and siblings whose astonishing childhood creativity was a closely held secret. The genius of Claire Harman's biography is that it transcends these melancholy facts to reveal a woman for whom duty and piety gave way to quiet rebellion and fierce ambition. Drawing on letters unavailable to previous biographers, Harman depicts Charlotte's inner life with absorbing, almost novelistic intensity. She seizes upon a moment in Charlotte's adolescence that ignited her determination to reject poverty and obscurity: While working at a girls' school in Brussels, Charlotte fell in love with her married professor, Constantin Heger, a man who treated her as "nothing special to him at all." She channeled her torment into her first attempts at a novel and resolved to bring it to the world's attention. Charlotte helped power her sisters' work to publication, too. But Emily's *Wuthering Heights* was eclipsed by *Jane Eyre*, which set London abuzz with speculation: Who was this fiery author demanding love and justice for her plain and insignificant heroine? Charlotte Brontë's blazingly intelligent women brimming with hidden passions would transform English literature. And she savored her literary success even as a heartrending series of personal losses followed. Charlotte Brontë is a groundbreaking view of the beloved writer as a young woman ahead of her time. Shaped by Charlotte's lifelong struggle to claim love and art for herself, Harman's richly insightful biography offers readers many of the pleasures of Brontë's own work.

**Charlotte Brontë's *Jane Eyre*** Dec 31 2019 Charlotte Brontë's impassioned novel is the love story of *Jane Eyre*, a plain yet spirited governess, and her arrogant, brooding Mr. Rochester. Published in 1847, under the pseudonym of Currer Bell, the book heralded a new kind of heroine--one whose virtuous integrity, keen intellect and tireless perseverance broke through class barriers to win equal stature with the man she loved. Hailed by William Makepeace Thackeray as "the masterwork of great genius," "*Jane Eyre*" is still regarded, over a century later, as one of the finest novels in English literature.

**A New Life of Charlotte Brontë** Jun 24 2019

*The Brontës* Sep 27 2019 "A fresh and modern view of Charlotte Brontë--as a woman searching for love and as a writer who helped change society's perceptions about her sex. Her moving, eloquent portrait will interest not only Brontë devotees but

all contemporary women."--Kirkus Reviews

**The Life of Charlotte Brontë** Nov 09 2020 The Life of Charlotte Brontë, by Elizabeth Gaskell, is part of the Barnes & Noble Classics series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of Barnes & Noble Classics: New introductions commissioned from today's top writers and scholars Biographies of the authors Chronologies of contemporary historical, biographical, and cultural events Footnotes and endnotes Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work Comments by other famous authors Study questions to challenge the reader's viewpoints and expectations Bibliographies for further reading Indices & Glossaries, when appropriate All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. Barnes & Noble Classics pulls together a constellation of influences--biographical, historical, and literary--to enrich each reader's understanding of these enduring works. In 1855 Charlotte Brontë, pregnant and married less than a year, fell ill and died of tuberculosis--the same disease that had killed her sisters and brother. Two years after Charlotte's death, her friend Elizabeth Gaskell, herself a well-known novelist, completed work on The Life of Charlotte Brontë, a biography that was met with immediate acclaim by readers curious to discover more about the enigmatic author of Jane Eyre. Both a work of art and a well-documented interpretation of its subject, Gaskell's biography is an extraordinarily vivid and sensitive account of Brontë's outer and inner lives: her shyness and strangeness; her intense appreciation of the Bible, poetry, music, and the theater; her love of her family; and her fears of loneliness. Meant to be a defense and vindication of a noble, true, and tender woman, the book paints Brontë as an unforgettable figure careening between depression and exaltation. It also portrays her suffering. In her personal life, Brontë knew deprivation and loss, while in her artistic life, despite her fame, she had been taunted as coarse and had none of the advantages that a man might take for granted. A powerful tribute from one writer to another, The Life of Charlotte Brontë remains one of the most evocative and perceptive biographies ever written. Anne Taranto was educated at Columbia and Oxford Universities and at Yale University, where she earned a Ph.D. She has taught courses on the novel and on eighteenth- and nineteenth-century literature at Georgetown University and is currently at work on a study of Charlotte Brontë's relationship to the literary marketplace.

**Villette Charlotte Brontë** Oct 09 2020 is an 1853 novel written by English author Charlotte Brontë. After an unspecified family disaster, the protagonist Lucy Snowe travels from her native England to the fictional French-speaking city of Villette to teach at a girls' school, where she is drawn into adventure and romance. Villette was Charlotte Brontë's fourth novel; it was preceded by and is a reworking of the posthumously published The Professor, her first novel, and then by Jane Eyre and Shirley.

**Charlotte Brontë** Aug 19 2021 Searches for the real Charlotte Brontë behind the loneliness, loss, and unrequited love--a strong woman with a fierce belief in herself, creative energy, and powerful ambition, who shaped her life and transformed it into art

**Jane Eyre** Nov 21 2021 Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its title character, including her growth to adulthood, and her love for Mr. Rochester, the byronic master of fictitious Thornfield Hall. In its internalisation of the action--the focus is on the gradual unfolding of Jane's moral and spiritual sensibility, and all the events are coloured by a heightened intensity that was previously the domain of poetry--Jane Eyre revolutionised the art of fiction. Charlotte Brontë has been called the 'first historian of the private consciousness' and the literary ancestor of writers like Joyce and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novel's exploration of classism, sexuality, religion, and proto-feminism.

**Jane Eyre** Oct 28 2019 The said Eliza, John, and Georgiana were now clustered round their mama in the drawing-room: she lay reclined on a sofa by the fireside, and with her darlings about her (for the time neither quarrelling nor crying) looked perfectly happy. Me, she had dispensed from joining the group; saying, "She regretted to be under the necessity of keeping me at a distance; but that until she heard from Bessie, and could discover by her own observation, that I was endeavouring in good earnest to acquire a more sociable and childlike disposition, a more attractive and sprightly manner--something lighter, franker, more natural, as it were--she really must exclude me from privileges intended only for contented, happy, little children."

**Charlotte Brontë before Jane Eyre** Dec 23 2021 Do you think, because I am poor, obscure, plain and little, I am soulless and heartless? You think wrong!--I have as much soul as you,--and full as much heart! Charlotte Brontë's Jane Eyre is a beloved classic, celebrated today by readers of all ages and revered as a masterpiece of literary prowess. But what of the famous writer herself? Originally published under the pseudonym of Currer Bell, Jane Eyre was born out of a magnificent, vivid imagination, a deep cultivation of skill, and immense personal hardship and tragedy. Charlotte, like her sisters Emily and Anne, was passionate about her work. She sought to cast an empathetic lens on characters often ignored by popular literature of the time, questioning societal assumptions with a sharp intellect and changing forever the landscape of western literature. With an introduction by Alison Bechdel, Charlotte Brontë before Jane Eyre presents a stunning examination of a woman who battled against the odds to make her voice heard.

**Charlotte Brontë and Sexuality** Aug 07 2020 This book raises fundamental questions about our understanding of Victorian sexuality. Charlotte Brontë was no 'other Victorian' living out a secret life in a sexual underworld, but she did centre her life's work on exploring the complexities of our sexual nature. John Maynard shows how Brontë's early stories and novelettes, written from her teens to young maturity for a private audience of her sisters and brother, deal openly with a 'world below' of

consuming passion, adultery, seduction, promiscuity, frigidity and incest. He traces how these themes are incorporated into Brontë's mature published work, where her psychological insight into the complexities of sexual need finds its consummate expression. Brontë's mature novels, especially *Jane Eyre* and *Villette* offer an intensely felt but finely realised vision of sexual awakening. They are however, deeply aware of the difficulties that beset sexual experience. Unlike a number of studies, this book stresses the insight, achievement and artistic mastery of Charlotte Brontë, who still challenges us to comprehend the subtleties and complexities of her impressively articulated discourse on sexuality.

***The Letters of Charlotte Brontë: 1848-1851*** Aug 31 2022 Despite Charlotte Brontë's entreaty to her lifelong friend Ellen Nussey to burn her correspondence, very little seems to have been destroyed, and in this fully annotated edition, based as far as possible on original manuscripts, many confidential and outspoken letters are published in full for the first time. As well as Charlotte's own letters from 1829 to 1847, a handful of important letters and diary extracts by her friends and family illuminate the writer's correspondence. This volume covers the period from her childhood up to the publication and review of *Jane Eyre*.

***Villette*** Aug 26 2019 'Villette' tells the story of an English teacher at a French boarding school and her struggle for independence when she finds herself caught between two men.

***Walking The Invisible*** Jul 26 2019 See through the eyes of the Brontës as you immerse yourself in their lives and landscapes, wandering the very same paths they each would have walked in search of the inspiration behind their novels and poetry. An 'imaginative and elegant trek through the landscape of the Brontës' Grazia

***Charlotte Brontë*** Mar 14 2021 The lives of literary figures have always provided a source of fascination; the tragic life of Charlotte Brontë is no different. In this interpretive critical biography, Helene Moglen "takes for granted earlier, exhaustive studies" done on Brontë to produce an analysis that incorporates not only the facts of her life, but also their influence upon her works. Through her study, Moglen seeks to examine the two dimensions that are essential to any study of Brontë: the life she lived and the life she created within the pages of fiction. By examining the paradoxical personal tragedy and artistic fulfillment that made up Charlotte Brontë's life, Helen Moglen shows the evolution of Brontë's feminism. Through Brontë's growth, Moglen then is able to "explore explicitly formations of the modern female psyche." Considered to be a major biography fusing together the making of literature and the formation of personality, Moglen offers a new critical insight into Brontë's struggle for self-definition and how it can be reflected through the lives of readers more than a century later.

***Selected Works of the Brontë Sisters*** Jan 30 2020 The literary masterpieces of the three Brontë sisters in one volume: *Jane Eyre*, *Wuthering Heights*, and *The Tenant of Wildfell Hall*. This handsome leather-bound edition includes the most acclaimed novels of each of the Brontë sisters: Charlotte's *Jane Eyre*, Emily's *Wuthering Heights*, and Anne's *The Tenant of Wildfell Hall*. Originally published under male pseudonyms in the 1840s, these three novels later helped give rise to the feminist literary movement of the late nineteenth century, in which women's perspectives became more accepted by the mainstream reading public. A scholarly introduction provides an overview of the sisters' childhood in northern England, their literary influences, and their enduring legacy.

***Charlotte Brontë*** Jul 18 2021 This is a biography of Charlotte Brontë, whose novels *Jane Eyre*, *Shirley*, *Villette* and *The Professor* won her great fame. It provides an objective and compassionate account of her life, from her bleak but creative childhood in Yorkshire to her early death shortly after her marriage.

***JANE EYRE by Charlotte Brontë*** Jun 04 2020 EXCEPTIONAL UNABRIDGED EDITION Immerse in an enthralling story you will never forget! Charlotte Brontë (1816-1855) was an English novelist and poet. Despite her woman status and lack of financial means, she managed to publish her poems - and those of her sisters - under male names. Charlotte Brontë has been called the "first historian of the private consciousness" and is considered today as one of the English language's most accomplished novelists. *Jane Eyre* was first published in 1847 under the pen name "Currer Bell" - as "*Jane Eyre: An Autobiography*". Orphaned into the household of her Aunt Reed at Gateshead, subject to the cruel regime at Lowood charity school, *Jane Eyre* nonetheless emerges unbroken in spirit and integrity. She takes up the post of governess at Thornfield, falls in love with Mr. Rochester, and discovers the impediment to their lawful marriage in a story that transcends melodrama to portray a woman's passionate search for a wider and richer life than Victorian society traditionally allowed. Read all the greatest novels by the Brontë sisters in a beautiful book series by "Atlantic Editions": *Wuthering Heights*, by Emily Brontë

***The Life of Charlotte Brontë*** Feb 22 2022 Elizabeth Gaskell's biography of her close friend Charlotte Brontë was published in 1857 to immediate popular acclaim, and remains the most significant study of the enigmatic author who gave *Jane Eyre* the subtitle *An Autobiography*. It recounts Charlotte Brontë's life from her isolated childhood, through her years as a writer who had 'foreseen the single life' for herself, to her marriage at thirty-eight and death less than a year later. The resulting work - the first full-length biography of a woman novelist by a woman novelist - explored the nature of Charlotte's genius and almost single-handedly created the Brontë myth.

***Jane Eyre*** Oct 21 2021 *Jane Eyre* becomes a governess in Mr. Rochester's home of Thornfield and falls in love with him before she finds that he has a tragic secret.

***Charlotte Brontë and Victorian Psychology*** Dec 11 2020 Charlotte Brontë's fiction is examined in the context of Victorian constructions of psychology, sexuality, and insanity.

***Charlotte Brontë*** Sep 07 2020 This study charts Charlotte Brontë's critical fortunes over the last fifty years. It looks at the nature of her "romanticism" and her relationship with her readers. All the important writings about her since the 1930's, including feminist and Freudian treatments, are sifted and analyzed. Sharp, lively and original, with full scholarly apparatus, the book will put Charlotte Brontë in perspective for the general reader and will be invaluable to the student. Available for the first time in the U.S. Contents: Introduction; "Three Weird Sisters" and Socks for Mr. Nicholls; Mr. Rockingham and

Monsieur Beck; "How very corse!"; "Mad Methodist Magazines"; Patrick Brontë's DEGREESR The Cottage in the Wood and the plot of Jane Eyre; "Hypochondria"; Charlotte and her Unconscious; Jane Eyre; Fairytale and the Imagination; Signs, Presentiments and Sympathies; Style, Suggestion and Emblem; Female Inner Space and Moral Madness; The Maiming of Edward Rochester; Shirley: a Feminist Document?; Villette; Bibliography; In

**The Poems of Charlotte Brontë** Mar 02 2020

**Charlotte Brontë** Feb 10 2021 It was precisely and carefully written, stating the facts and pulling apart the saintly whitewash Mrs. Gaskell and other previous biographers had done to Charlotte's life. He does a thorough job of getting at the real Charlotte behind all the myth. I'm not even sure the author liked Charlotte very much, but that didn't stop him depicting her honestly, with the facts that he had before him. The book ends very abruptly with Charlotte's death. The last few chapters seem a bit hurried, but on the whole it was a good effort.

**Charlotte Brontë** Apr 02 2020 The book has no illustrations or index. It may have numerous typos or missing text. However, purchasers can download a free scanned copy of the original rare book from the publisher's website (GeneralBooksClub.com). You can also preview excerpts of the book there. Purchasers are also entitled to a free trial membership in the General Books Club where they can select from more than a million books without charge. Original Publisher: New York, Scribner, Armstrong and Co.; Publication date: 1877; Subjects: Biography

*Jane Eyre the Graphic Novel - Original Text* May 04 2020 Presents in graphic novel format an adaptation of Brontë's story about an orphaned young English woman who accepts employment as a governess at Thornfield Hall, a country estate owned by the mysterious and remote Mr. Rochester.

**Shirley** May 28 2022 Following the tremendous popular success of Jane Eyre, which earned her lifelong notoriety as a moral revolutionary, Charlotte Brontë vowed to write a sweeping social chronicle that focused on "something real and unromantic as Monday morning". Set in the industrializing England of the Napoleonic wars and Luddite revolts of 1811-12, Shirley (1849) is the story of two contrasting heroines. One is the shy Caroline Helstone, who is trapped in the oppressive atmosphere of a Yorkshire rectory and whose bare life symbolizes the plight of single women in the nineteenth century. The other is the vivacious Shirley Keeldar, who inherits a local estate and whose wealth liberates her from convention. A work that combines social commentary with the more private preoccupations of Jane Eyre, Shirley demonstrates the full range of Brontë's literary talent.
