From Wolf to Woof May 27 2022 "It's hard to imagine the child-story-lover or fact-lover, dog-lover or not—who would not be drawn in by this book."—The New York Times Book Review How did dog become man's best friend? Dogs come in such a variety of shapes, sizes, and breeds, that it is hard to believe that they all have a common ancestor--the wolf! Hudson Talbott takes readers on a fascinating journey through history to see how wolves' relationships with humans sparked their development into the dogs we know and love today. Striking paintings, from an adorable wolf pup to a wide range of modern-day dog breeds, illustrate this insightful story of teamwork and friendship. Through the eyes of a prehistoric boy and a lone wolf pup, we see how the bond between our ancestors and these wild animals may have developed. Starting as enemies competing for food, the wolf and the boy realize that they'll eat better and be safer if they team up. Over time, others catch on, and as many of the wolves become more domesticated, the humans breed them for skills like hunting, herding, pulling, and rescuing. And today, there are more breeds of dog than of any other animal, all thanks to this relationship that started so long ago.

From Wolf to Woof Mar 25 2022 Beginning with two orphans--a prehistoric boy and a wolf cub-- imagines how the bond between man and wolf might have formed and looks at how it changed through their shared history as wolves became domesticated and diversified into more than 400 breeds of dog.

Cats Vs. Dogs Mar 01 2020 Presents facts and comparisons about the physical characteristics, senses, eating habits, and behavior of cats and dogs.

Dogs Jul 17 2021 Three riveting essays by some of National Geographic magazine's most highly esteemed writers explore the canine-human relationship and what scientists are learning from dogs. "Dogs and people, people and dogs: It's a love story so old no one knows how it started," wrote Angus Phillips in "Wolf to Woof." Filled with cutting edge research covering everything from domestication, breeding, and the bonds of devotion, these linked stories are custom-selected for everyone who loves dogs. Filled with amazing facts, colorful anecdotes and accessible science, this affordable ebook provides a fascinating guide to some of the world's most beloved creatures.

Woof-Man Sep 06 2020 Ever wonder what's behind the phrase "All men are dogs"? Why is an entire group of rational "homo sapiens" associated with a species best known for chasing tails? That's because deep inside every man there's a wolf howling to get out! With a uniquely tongue-in-cheek style, **Woof-Man: A Woman's Guide to Her Man's Inner Canine** compares well-known characteristics of men with twenty-three different breeds of dogs in a colorful book brimming with dog metaphors. This road map to the "Sirian" psyche will help men get in touch with their inner canines and put women a nose ahead in the whimsical race between the sexes. From the vain Afghan who thinks he's God's gift to the tranquil Sheepdog who lives for his mate and litter, the twenty-three distinctive personality types featured in **Woof-Man: A Woman's Guide to Her Man's Inner Canine** are sure to strike a familiar chord with "dog lovers" of all ages.

Training the Best Dog Ever Apr 13 2021 **Training the Best Dog Ever**, originally published in hardcover as **The Love That Dog Training Program**, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. **Training the Best Dog Ever** relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

Texts from Dog Nov 28 2019 He's a dog with a phone . . . My dog sends me texts. Yeah. It's weird. When October Jones figured out he could send text messages to himself on his mobile phone, he naturally decided that the best use of this discovery was to send passive-aggressive messages to himself under the guise of his bulldog. And so the exasperating, slightly delusional, and utterly endearing Dog and his alter-ego, BatDog, were born. **Texts from Dog** features Dog's attempts to keep the neighborhood safe from the likes of Mr. Postman and his arch-nemesis Cat-Cat—he has managed to only smash three TVs and a patio door in the process. And in between crime fighting sprees and run-ins with the squirrel mafia, there are romantic interludes with pillows, fetch sessions gone terribly awry, and the abusive banter only a bromance between man and his text-savvy dog can spawn. For those of us who have ever had a conversation with a pet in our heads, **Texts from Dog** will make you laugh out loud and perhaps even make you think twice about leaving your pet home alone for the day.

You Had Me at Woof Sep 30 2022 Look out for Julie's new book, **The Almost Legendary Morris Sisters**. The secrets of love, health, and happiness gleaned from a life lived with dogs. Julie Klam was thirty, single, and working as a part-time clerk in an insurance company, unable to meet a man she could spend her life with. And then it happened: she had a dream about a Boston terrier—a dream that practically hit her over the head. The companion she needed was not necessarily the one she'd had in mind. As fate would have it, a dog is exactly the thing that she needed. The New York Times bestselling **You Had Me at Woof** is the often-hilarious and always charming story of one woman's

discovery of all she really needed to learn about life through her relationships with her canine companions. Klam shares how her love for dogs and the lessons she's learned caring for them has shaped her heart. This is a funny, earnest, and emotionally compelling look at the surprises, pleasures, and revelations that happen when you let any mutt, beagle, terrier, or bulldog go charging through your world.

The Almost Legendary Morris Sisters Oct 27 2019 A Washington Post best nonfiction book pick of 2021 "It is biography as an expression of love." – The New York Times New York Times–bestselling author Julie Klam's funny and moving story of the Morris sisters, distant relations with mysterious pasts. Ever since she was young, Julie Klam has been fascinated by the Morris sisters, cousins of her grandmother. According to family lore, early in the twentieth century the sisters' parents decided to move the family from Eastern Europe to Los Angeles so their father could become a movie director. On the way, their pregnant mother went into labor in St. Louis, where the baby was born and where their mother died. The father left the children in an orphanage and promised to send for them when he settled in California—a promise he never kept. One of the Morris sisters later became a successful Wall Street trader and advised Franklin Roosevelt. The sisters lived together in New York City, none of them married or had children, and one even had an affair with J. P. Morgan. The stories of these independent women intrigued Klam, but as she delved into them to learn more, she realized that the tales were almost completely untrue. The Almost Legendary Morris Sisters is the revealing account of what Klam discovered about her family—and herself—as she dug into the past. The deeper she went into the lives of the Morris sisters, the slipperier their stories became. And the more questions she had about what actually happened to them, the more her opinion of them evolved. Part memoir and part confessional, and told with the wit and honesty that are hallmarks of Klam's books, The Almost Legendary Morris Sisters is the fascinating and funny true story of one writer's journey into her family's past, the truths she brings to light, and what she learns about herself along the way.

Woof! Feb 21 2022 "Facts, pictures and information about dogs for young children"--

Love at First Bark Jun 23 2019 Look out for Julie's new book, The Almost Legendary Morris Sisters. The bestselling memoirist shows how saving a dog can sometimes help you save yourself. Julie Klam writes about dogs with a rollicking wit and a radiating warmth—as no other writer can. In her bestselling memoir *You Had Me at Woof*, she shared the secrets of happiness she learned as an occasionally frazzled but always devoted owner of Boston terriers. Now, with the same enchanting, pop culture-infused amalgam of humor and poignancy that reached The New York Times and the Today show and won the hearts of readers across the country, she returns with more humorous insight into life with canine companions. Klam focuses here on dog rescue, and its healing power not only for the dogs who are cared for and able to find good homes, but also for the people who bond with these animals. Klam became involved with rescue after years as an owner of purebred dogs. She was looking for a way to help and participate in a community, but she never imagined just how much she would receive in return. The dogs she has rescued through the years have filled her life with laughter and contentment, sorrow and frustration, and they have made certain that she never has a dull moment. Along the way, she has collected stories from friends who have also found that guiding dogs to nurturing homes made their own lives richer. These experiences, which show us that even in our smallest gestures we can make a big difference, inspired *Love at First Bark*.

The Case of the Lost Pup Dec 30 2019 Help Jack and Meg solve the case of the lost pup! This story uses an engaging mystery story to encourage confidence in early readers.
