Santa Claus: Is He for Your Child? May 04 2020 Who or what is Santa Claus? What is his relationship to Saint Nicholas, Kris Kringle, and other Christmas-time gift bearers? What is the message of Santa? This book traces the lineage of the "child's saint" back to the alleged historical bishop of Myra up to the jolly saint in red garb that graces our modern Christmases. The book paints a stark contrast to the Gospel message of forgiveness freely given. "This book gives a very interesting history of how the myth of St. Nicholas/Santa Clause compares with the gospel message of Jesus Christ. I was amazed at the similarities but truly wonder if the two confuses children or one is to overshadow the other in this commercial world." Book Lovers Jan 30 2020 "One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Fathers and Sons (eBook) Jun 28 2022 Next to God, a family is the most important relationship a person can possibly have in this life. The Lord never designed us to be on our own. We need each other, just like iron sharpens iron, just like coal needs fire in order to burn brightly. FATHERS AND SONS is a call to fathers to guard their relationship with their sons, and for sons to treasure their relationship with their father - with passion and purpose. Some of the themes Angus Buchan discusses in FATHERS AND SONS includes: Dad's affirmation, role models, grace and respect, humility versus pride, sacrifice, what constitutes a father and tough love. FATHERS AND SONS will encourage every father to be the father that God wants him to be and reveals the incredible impact it will have on his children.

Academic E-Books Nov 29 2019 E-Books in Academic Libraries: Stepping Up to the Challenge provides readers with a view of the changing and emerging roles of electronic books in higher education. The three main sections contain contributions by experts in the publisher/vendor arena, as well as by librarians who report on both the challenges of offering and managing e-books and on the issues surrounding patron use of e-books. The case study section offers perspectives from seven different sizes and types of libraries whose librarians describe innovative and thought-provoking projects involving e-books. Read about perspectives on e-books from organizations as diverse as a

commercial publisher and an association press. Learn about the viewpoint of a jobber. Find out about the e-book challenges facing librarians, such as the quest to control costs in the patron-driven acquisitions (PDA) model, how to solve the dilemma of resource sharing with e-books, and how to manage PDA in the consortial environment. See what patron use of e-books reveals about reading habits and disciplinary differences. Finally, in the case study section, discover how to promote scholarly e-books, how to manage an e-reader checkout program, and how one library replaced most of its print collection with e-books. These and other examples illustrate how innovative librarians use e-books to enhance users' experiences with scholarly works.
