Photojojo Dec 23 2021 A photo, an idea, and simple crafting skills are all you need to transform your pictures into useful, fun projects. With clear DIY instructions, Photojojo! by Amit Gupta and Kelly Jensen shows you how to turn your forgotten photos into interesting projects. Do you have lots of pics of friends and family you want to show off? Make a sleek, stylish photo display rail so you can show them up at a moment's notice. Need something to play with? Make photo slider puzzles, Rubik's cubes, and temporary tattoos. Set up your pad with a photo chandelier or a giant wall mural you can print at home! All the projects use basic materials and are easy to whip up in an afternoon. Once you're armed with what you can do with all your images, check out Photojojo's inspiring ideas for you shooting photographs more creatively. Investigate the world from a canine perspective with the amazing doggie cam, or go with friends and head out on a photo safari. Make a sneaky hidden jacket camera and turn string, a washer, and a screw into a macro lens that fits in your pocket, MacGyver-style. Learn how to motivate yourself to take a photo every day with project 365, or get the most involved with Photojojo's head-spinning photography method: because you + kid + centrifugal force = awesome. Yep, photography became a whole lot more fun.

The Purposed Bride Apr 02 2020 Your wedding day is undoubtedly one of the most magical experiences in your lifetime. Whether you've been dreaming of it since you were a little girl or your wedding thoughts have just now begun, planning with purpose will help make your wedding experience unregrettable and unforgettable. What God-given purposes do you have that shape your decision-making process? What lurking, sinful purposes need to be confessed and addressed in order to avoid stress and hurt? The Purposed Bride will lead you in determining your wedding goals and the motivations behind them. Once your wedding purposes are identified, The Purposed Bride will lead you closer to finding God's will for your wedding by providing Bible-based insight on aspects of wedding planning and encouraging you to pray through each decision. The Purposed Bride is a perfect companion to your favorite practical wedding planning guide. From managing your wedding-season relationships and planning the event's particulars to preparing a life with your fiancé, The Purposed Bride offers a Scriptural principle, a Bible-based discussion, a practical activity, and a relevant prayer for each wedding day. Using personal anecdotes both from recent brides, The Purposed Bride provides "snapshots" from real weddings to inspire you to do (Perfect Pictures) and in what not to do (Problem Pictures). With the help of The Purposed Bride, your wedding will be worth the wait to being an intentional, fruitful experience of worship designed in God's image and in your unique personality.

Create with Transfer Artist Paper Sep 30 2022 Lesley Riley is one of the inventors of Transfer Art Paper and an unparalleled expert on how to use TAP for maximum creative effect. She'll teach you how to create unique fabric images from photographs that stay colorfast, even after washing. You can use Lesley's photo transfer methods to quickly create your own masterpieces, using your home printer and art supplies you already have at home.

Blood of Requiem (Epic Fantasy, Dragons, Free Fantasy Novel) Jun 06 2021 Free epic fantasy novel! Song of Dragons -- a fantasy trilogy of blood, steel, and dragonfire. For fans of epic fantasy like A Game of Thrones and The Lord of the Rings. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests,

shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littered on the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises that Requiem's last children perish in exile... or once more become dragons and fly to war? Blood of Requiem -- a free epic fantasy for fans of dragons, A Game of Thrones, and swords and sorcery. _____ THE REQUIEM SERIES: Requiem: Dawn of Dragonfire Book 1: Requiem's Song Book 2: Requiem's Hope Book 3: Requiem's Prayer Requiem: Song of Dragons Book 1: Blood of Requiem Book 2: Tears of Requiem Book 3: Light of Requiem Requiem: Dragonlore Book 1: A Dawn of Dragonfire Book 2: A Day of Dragon Blood Book 3: A Night of Dragon Wings Requiem: The Dragon War Book 1: A Legacy of Light Book 2: A Birthright of Blood Book 3: A Memory of Light Requiem: Requiem for Dragons Book 1: Dragons Lost Book 2: Dragons Reborn Book 3: Dragons Rising Requiem: Flame of Requiem Book 1: Forged in Dragonfire Book 2: Crown of Dragonfire Book 3: Pillars of Dragonfire Requiem: Dragonfire Rain Book 1: Blood of Requiem Book 2: Rage of Dragons Book 3: Flight of Dragons

Pictures from a Distant Country Nov 09 2020
The Afghanistan Papers Jan 12 2021 A Washington Post Best Book of 2021 The #1 New York Times bestselling investigative story of three successive presidents and their military commanders deceived the public year after year about America's longest war, foreshadowing the Taliban's recapture of Afghanistan, by Washington Post reporter and three-time Pulitzer Prize finalist Craig Whitlock. Unlike the wars in Vietnam and Iraq, the US invasion of Afghanistan in 2001 had near-unanimous public support. At first, the mission was straightforward and clear: defeat al-Qaeda and prevent a repeat of 9/11. Yet soon after the United States and its allies removed the Taliban from power, the mission veered off course and US officials lost sight of their original objectives. Distracted by the war, the US military become mired in an unwinnable guerrilla conflict in a country it did not understand. But no president wanted to admit this, especially in a war that began as a just cause. Instead, the Bush, Obama, and Trump administrations sent more and more troops to Afghanistan and repeatedly said they were making progress, even though they knew there was no realistic prospect for an end to the war. Just as the Pentagon Papers changed the public's understanding of Vietnam, The Afghanistan Papers contains "fast-paced and revealing" (New York Times Book Review) revelation after revelation from people who played a direct role in the war from leaders in the Pentagon and the Pentagon to soldiers and aid workers on the front lines. In unvarnished language, they admit that the US government was a mess, that the nation-building project was a colossal failure, and that drugs and corruption gained a stranglehold over the Afghan government. All told, the account is based on interviews with more than 1,000 people who knew that the US government was presenting a distorted, and sometimes entirely fabricated, version of the facts on the ground. Documents unearthed by The Washington Post reveal that President Bush didn't know the name of his Afghanistan war commander—and didn't want to meet with him. Defense Donald Rumsfeld admitted that he had "no visibility into who the bad guys are." His successor, Robert Gates, said: "I don't know jack shit about al-Qaeda." The Afghanistan Papers is a "searing indictment of the deceit, blunders, and hubris of senior officials and civilian officials" (Tom Bowman, NPR Pentagon Correspondent) that will supercharge a long-overdue reckoning over what went wrong and forever change the way the conflict is remembered.

John Derian Picture Book Oct 01 2022 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire is now as far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by over 100 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has grown greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, calligraphic letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.
Using Your Digital Camera Jan 24 2019 Join the digital revolution and take better pictures than you've ever dreamed possible. Intimidating technical terms become easy to understand, and forbidding bells and whistles become easy to manipulate. With step-by-step illustrations, see how the camera works. Learn to use memory cards. Then master the art of editing pictures on your PC, including editing effects to enhance a photo's mood, transform its background, or delete clutter. Quickly, you're ready to print pictures on your printer and e-mail them to your friends. Later sections show you how easy it is to add accessories such as close-up, telephoto, and wide-angle lenses, remote controls, and software for editing and storage. Along the way: first-person accounts of "disasters and how they were recovered."

The Unique Technique Nov 21 2021 I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and get its residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I would be authentic, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice because that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were s

The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. I received requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. For this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. In developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have persevered through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope you can find your Unique Technique."

[Rural Rides](#) Jun 16 2021 Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its changes, giving free vent to Cobbett's opinions

Know the answers and more from the pages of this book.

[Bessie Coleman Paper Doll Set](#) Oct 04 2020 Bessie Coleman (1892-1926) overcame obstacles to become the first U.S. female pilot of African and Native American descent as well as the first aviator of that heritage to hold an international pilot's license in the world. She accomplished both goals by teaching herself French and moving to France to take lessons and receive a pilot's license because she was not permitted to do so in the U.S. This Bessie Coleman paper doll set comes with two paper dolls with different hair-styles. The dolls stand approximately 9" tall. The set comes with seven outfits, three of which are based on flight clothes Coleman wore in her time in France. Includes an attached stand, and an envelope to store the dolls and clothes. The paper doll book also includes her brief biography. PLEASE NOTE: The paper used in this book is standard 20 lb. paper.

[The Palace Papers](#) Apr 14 2021 NEW YORK TIMES BESTSELLER • The "addictively readable" (The Washington Post) inside story of the British royal family's battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises—on the eve of the forthcoming, a kind of *Keeping Up with the Windsors* with sprinkles of Keats."—The New York Times (Notable Book of the Year) THE BEST BOOKS OF THE YEAR: The Washington Post "Never again" became Queen Elizabeth II's mantra shortly after Princess Diana's tragic death. More specifically, there could never be "another Diana"—a member of the family whose global popularity and charisma outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown's masterful *The Diana Chronicles* left off, *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana's blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power struggles, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen's stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her Jubilee years even as the troubles rage around her. Brown explores Prince Charles's determination to make Camilla Parker Bowles his wife, the tensions between William and Harry on "different paths," the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan's stunning decision to step back as senior royals. Despite the fragile monarchy's best efforts, "never again" seems fast approaching. Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and enlightening, *The Palace Papers* will irrevocably change how the world perceives and understands the royal family.

[Urolithiasis](#) Oct 28 2019 *Urolithiasis: A Comprehensive History* provides a historical sojourn into the varied manifestations of kidney stone disease. Utilizing historical sources and integrating classic material with new concepts, this new volume provides depth and context on stone disease not found in modern overviews on the topic. This volume serves as a very useful tool for physicians and researchers dealing with kidney stone disease. Written by a renowned expert in the field, *Urolithiasis: A Comprehensive History* is an in-depth work that heightens our medical understanding of this ancient disease and is of great value to urologists, nephrologists, endocrinologists, and anyone interested in stone disease.

[The Great Paper Cap](#) Oct 21 2021 From the illustrator of the #1 smash hit *The Day the Crayons Quit* comes a whodunnit just for the youngest of readers (not to mention instructions for how to build the perfect paper airplane!) The animals' homes are disappearing. Tree by tree, the forest is being cut down. Clues! There must be clues. For instance, look--there is a mysterious bear carrying a log. What would a bear want with so many trees? Perhaps the discarded paper airplanes littering the forest floor have a story to tell. Jeffers' quirky, childlike humor and lovable illustrations are in full effect in this funny whodunit featuring a winning cast of animals. A message about the importance of conservation and recycling.

[200 Paper Planes to Fold and Fly](#) Jul 06 2020 Each sheet of this bumper, tear-off pad can easily be folded into a brightly patterned paper airplane. The cover folds out to reveal simple instructions for making each type of plane and flying tips are included at the back.
