The Forgotten Door Jan 30 2020 “Well written fantasy with strong character emphasis and empathy” from the author of the sci-fi classic *Escape to Witch Mountain* (Kirkus Reviews). At night, Little Jon’s people go out to watch the stars. Mesmerized by a meteor shower, he forgets to watch his step and falls through a moss-covered door to another land: America. He awakes hurt, his memory gone, sure only that he does not belong here. Captured by a hunter, Jon escapes by leaping six feet over a barbed-wire fence. Hungry and alone, he staggers through the darkness and is about to be caught when he is rescued by a kind family known as the Beans. They shelter him, feed him, and teach him about his new home. In return, he will change their lives forever. Although the Beans are kind to Little Jon, the townspeople mistrust the mysterious visitor. But Jon has untold powers, and as he learns to harness them, he will show his newfound friends that they have no reason to be afraid.

A Wrinkle in Time Oct 01 2022 A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

An Acceptable Time Dec 23 2021 A quiet visit with her grandparents turns into a lesson in the fluidity of time for Polly O'Keefe when she meets several strangers from overlapping temporal planes and, with them, plays a key role in a prehistoric confrontation. Simultaneous.

The Wrinkle in Time Quintet Mar 26 2022 Over fifty years ago, Madeleine L'Engle introduced the world to A Wrinkle in Time and the wonderful and unforgettable characters Meg and Charles Wallace Murry, and their friend Calvin O'Keefe. Now all their adventures are together in one volume. The Time Quintet consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time—This Newberry Award winner is one of the most significant novels of our time. This fabulous, ground-breaking science-fiction and fantasy story is the first of five in the Time Quintet series about the Murry family. A Wind in the Door—When Charles Wallace falls ill, Meg, Calvin, and their teacher, Mr. Jenkins, must travel inside C.W. to make him well, and save the universe from the evil Echthros. A Swiftly Tilting Planet—The Murry and O'Keefe Families enlist the help of the unicorn, Gaudior, to save the world from imminent nuclear war. Many Waters—Meg Murry, now in college, time travels with her twin brothers, Sandy and Dennys, to a desert oasis that is embroiled in war. An Acceptable Time—While spending time with her grandparents, Alex and Kate Murry, Polly O'Keefe wanders into a time 3,000 years before her own.

An Acceptable Time Nov 09 2020 An Acceptable Time, the final book in Madeleine L'Engle's Time Quintet, the series that began with the Newbery Award winner A Wrinkle in Time. While spending time with her grandparents, Alex and Kate Murry, Polly O'Keefe wanders into a time 3,000 years before her own. A flash of lightning, quivering ground, and, instead of her grandparents' farm, Polly sees mist and jagged mountains -- and coming toward her, a group of young men carrying spears. Why has a time gate opened and dropped Polly into a world that existed 3,000 years ago? Will she be able to get back to the present before the time gate closes -- and leaves her to face a group of people who believe in human sacrifice? Conversations with Madeleine L'Engle Jul 26 2019 Conversations with Madeleine L'Engle is the first collection of interviews with the beloved children's book author best known for her 1962 Newbery Award-winning novel, A Wrinkle in Time. However, Madeleine L'Engle's accomplishments as a writer spread far beyond children's literature. Beginning her career as a literary novelist for adults, L'Engle (1918-2007) continued to write fiction for both young and old long after A Wrinkle in Time. In her sixties, she published personal memoirs and devotional texts that explored her relationship with religion. At the time of her death, L'Engle was mourned by fans of her children's books and the larger Christian community. L'Engle's books, as well as her life, were often marked by contradictions. A consummate storyteller, L'Engle carefully crafted and performed a public self-image via her interviews. Weaving through the documentable facts in these interviews are partial lies, misdirections, and wish-fulfillment fantasies. But, when read against her fictions, these "truths" can help us see L'Engle more deeply--what she wanted for herself and for her children, what she believed about good and evil, and what she thought was the right way and the wrong way to be a family--than if she had been able to articulate the truth more directly. The thirteen interviews collected here reveal an amazing feat of authorial self-fashioning, as L'Engle transformed from novelist to children's author to Christian writer and attempted to craft a public persona that would speak to each of

these different audiences in meaningful, yet not painfully revealing, ways.

Madeleine L'Engle: The Wrinkle in Time Quartet (LOA #309) Aug 31 2022 Rediscover an American classic with this special deluxe edition of the Newbery Award–winning children’s series—starring the iconic time traveling heroine, Meg Murry This Library of America volume presents Madeleine L’Engle’s iconic classic *A Wrinkle in Time*, one of the most beloved and influential novels for young readers ever written, in a newly-prepared authoritative text and, as a special feature, it includes never-before-seen deleted passages from the novel in an appendix. L’Engle’s unforgettable heroine, Meg Murry, must confront her fears and self-doubt to rescue her scientist father, who has been experimenting with mysterious tesseracts capable of bending the very fabric of space and time. Helping her are her little brother Charles Wallace and her friend Calvin O’Keefe, and a trio of strange supernatural visitors called Mrs. Whatsit, Mrs. Who, and Mrs. Which. But *A Wrinkle in Time* was only the beginning of the adventure. Seven other Kairos (“cosmic time”) novels followed, collected for the first time in a deluxe two volume collector's boxed set. This first volume gathers *Wrinkle* with three books that chronicle the continuing adventures of Meg and her siblings. In *A Wind in the Door*, Meg and Calvin descend into the microverse to save Charles Wallace from the Echthroi, evil beings who are trying to unname existence. When a madman threatens nuclear war in *A Swiftly Tilting Planet*, Charles Wallace must save the future by traveling into the past. And in *Many Waters*, Sandy and Dennys, Meg’s twin brothers, are accidentally transported back to the time of Noah’s ark. A companion volume gathers the final four Kairos Novels, the Polly O’Keefe quartet, in which Calvin and Meg’s daughter takes center stage. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. A Wrinkle in Time Movie Tie-In Edition Mar 02 2020 A movie tie-in edition to the upcoming major motion picture, now including an introduction by director Ava DuVernay. In 1962, Madeleine L’Engle debuted her novel *A Wrinkle in Time*, which would go on to win the 1963 Newbery Medal. Bridging science and fantasy, darkness and light, fear and friendship, the story became a classic of children’s literature and is beloved around the world. Now Disney is taking it to the silver screen! With an all-star cast that includes Oprah Winfrey, Reese Witherspoon, Mindy Kaling, Chris Pine, and newcomer Storm Reid, the major motion picture bring the world of *Wrinkle* to life for a new generation of fans. This movie tie-in edition of the timeless novel features the complete, unabridged original text; an introduction by the film’s director, Ava DuVernay (Selma); and eight pages of photos from the movie. This title has Common Core connections. Praise for *A Wrinkle in Time*: "One of America’s most beloved stories." —Andrew Liptak in *Kirkus* “A coming of age fantasy story that sympathizes with typical teen girl awkwardness and insecurity, highlighting courage, resourcefulness and the importance of family ties as key to overcoming them.” —Carol Platt Liebau, author, in the *New York Post* “An exhilarating experience.” —*Kirkus Reviews* “This imaginative book will be read for a long time into the future.” —*Children's Literature* “*A Wrinkle in Time* is one of my favorite books of all time. I've read it so often, I know it by heart. Meg Murry was my hero growing up. I wanted glasses and braces and my parents to stick me in an attic bedroom. And I so wanted to save Charles Wallace from IT.” —Meg Cabot “A book that every young person should read, a book that provides a road map for seeking knowledge and compassion even at the worst of times, a book to make the world a better place.” —Cory Doctorow “[L'Engle's] work is one of the things that made me a writer, a science fiction and fantasy fan, an avid reader. Hers were the first books I read that mixed math and magic, the quest and the quantum.” —Scott Westerfeld “*A Wrinkle in Time* taught me that you can tackle even the deepest and most slippery concepts of physics and philosophy in fiction for young readers. It's a great lesson for all writers, and a tough tesseract to follow.” —David Lubar

A Wind in the Door Jun 28 2022 In *A Wrinkle in Time Quintet* book two, Charles Wallace falls ill, and Meg, Calvin, and their teacher, Mr. Jenkins, must travel inside C.W. to make him well, and save the universe from the evil Echthros. It is November. When Meg comes home from school, Charles Wallace tells her he saw dragons in the twin's vegetable garden. That night Meg, Calvin and C.W. go to the vegetable garden to meet the Teacher (Blajeny) who explains that what they are seeing isn't a dragon at all, but a cherubim named Proginoskes. It turns out that C.W. is ill and that Blajeny and Proginoskes are there to make him well – by making him well, they will keep the balance of the universe in check and save it from the evil Echthros. Meg, Calvin and Mr. Jenkins (grade school principal) must travel inside C.W. to have this battle and save Charles' life as well as the balance of the universe. Many Waters Apr 26 2022 In *A Wrinkle in Time Quintet* book two, Meg Murry, now in college, time travels with her twin brothers, Sandy and Dennys, to a desert oasis that is embroiled in war. Sandy and Dennys have always been the normal, run-of-the-mill ones in the extraordinary Murry family. They garden, make an occasional A in school, and play baseball. Nothing especially interesting has happened to the twins until they accidentally interrupt their father's experiment. Then the two boys are thrown across time and space. They find themselves alone in the desert, where, if they believe in unicorns, they can find unicorns, and whether they believe or not, mammoths and manticores will find them. The twins are rescued by Japheth, a man from the nearby oasis, but before he can bring them to safety, Dennys gets lost. Each boy is quickly embroiled in the conflicts of this time and place, whose populations includes winged seraphim, a few stray mythic beasts, perilous and beautiful nephilim, and small, long lived humans who consider Sandy and Dennys giants. The boys find they have more to do in the oasis than simply getting themselves home--they have to reunite an estranged father and son, but it won't be easy, especially when the son is named Noah and he's about to start building a boat in the desert. Troubling a Star Jun 24 2019 In book five of the award-winning Austin Family Chronicles young adult series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. After a year in New York City and a summer with her grandfather, Vicky Austin returns to the rural Connecticut village she grew up in-- and feels totally out of place. Then she meets Adam Eddington's Great Aunt Serena, who reminds her of her beloved grandfather, and she begins to find a comfortable, if not exciting, routine to her days. At Christmas, Serena gives Vicky a trip to Antarctica, to visit Adam. Vicky can't believe her luck. But the trip is not what Vicky imagined it would be. First of all, she doesn't know where she stands with Adam. He's pulled back, saying they are just friends. But weren't they more than that, Vicky thinks. And Vicky's fellow passengers are not what they seem or they are more than she knows. Finally, even Aunt Serena's motives are suspect, as Vicky discovers a journal that belonged to Adam's famous uncle who disappeared many years earlier. As Vicky becomes more and more caught up in a mystery involving drugs, nuclear waste, and international espionage, she discovers that her assumptions about the world are hopelessly naive and that life, hers included, is as fragile as the ecosystem of Antarctica, the world's most remote continent. Camilla Nov 29 2019 Experience this story of first love by *A Wrinkle in Time* author Madeleine L'Engle. This classic novel is now a major motion picture, *Camilla Dickinson*. Fifteen-year-old Camilla Dickinson has led a sheltered life on the Upper East Side with her architect father and stunningly beautiful mother. But this winter the security she has always known has vanished, because her parents' marriage is coming apart - and Camilla is caught in the middle. She finds a way to escape her troubles when she meets Frank, her best friend's brother, who is someone she can really talk to about life, death, God, and her dream of becoming an astronomer. When Frank introduces her to the important people in his life, who are so different from anyone she has met before, he opens her eyes to worlds beyond her own, almost as if he were a telescope helping her to see the stars. This novel, one of the author's earliest, is the story of a girl who, with the help of her first love, leaves childhood behind and enters adulthood with a newfound sense of self and inner strength. When You Reach Me Sep 27 2019 "Like *A Wrinkle in Time* (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

Many Waters Aug 26 2019 The fifteen-year-old Murry twins, Sandy and Dennys, are accidentally sent back to a strange Biblical time period, in which mythical beasts roam the desert and a man named Noah is building a boat in preparation for a great flood.

A Wrinkle in Time: The Graphic Novel Jan 24 2022 A graphic novel adaptation of Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. “Know somebody who hasn't met Mrs Whatsit, Mrs Who or Mrs Which? Larson's colorful panels bring Madeleine L'Engle's brilliant time-travel favorite to life in an exciting new way. This is page-turning eye candy of the highest order.” —James Patterson The world already knows Meg and Charles Wallace Murry, Calvin O'Keefe, and the three Mrs—Who, Whatsit, and Which—the memorable and wonderful characters who fight off a dark force and save our universe in the Newbery Award–winning classic *A Wrinkle in Time*. But in 50 years of publication, the book has never been illustrated. In the graphic novel, Hope Larson takes the classic story to a new level with her vividly imagined interpretations of tessering and favorite characters, like the Happy Medium and Aunt Beast. Perfect for delighting old fans and winning over new ones, this graphic novel adaptation is a must-read. *A Wrinkle in Time* by Madeleine L'Engle is now a major motion picture from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. Praise for *A Wrinkle in Time: The Graphic Novel*: “Know somebody who hasn't met Mrs Whatsit, Mrs Who or Mrs Which? Larson's colorful panels bring Madeleine L'Engle's brilliant time-travel favorite to life in an exciting new way. This is page-turning eye candy of the highest order.” —James Patterson “This adaptation is fabulous for presenting a fresh vision to those familiar with the original, but it's so true to the story's soul that even those who've never read it will come away with a genuine understanding of L'Engle's ideas and heart.” —Booklist, starred review “The memorable story of Meg Murry, Charles Wallace Murry, and Calvin O'Keefe's adventure across space and time is conveyed with all the intellectual and emotional impact of the original novel.” —BCCB “Larson has remained true to the story, preserving the original chapter format and retaining L'Engle's voice. Black-and-white artwork is accented with blue, echoing the original cover color.” —School Library Journal Books by Madeleine L'Engle *A Wrinkle in Time Quintet* *A Wrinkle in Time* *A Wind in the Door* *A Swiftly Tilting Planet* *Many Waters* *An Acceptable Time* *A Wrinkle in Time: The Graphic Novel* by Madeleine L'Engle; adapted & illustrated by Hope Larson *Intergalactic P.S. 3* by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of *A Wrinkle in Time*. Partners in Wonder Dec 11 2020 *Partners in Wonder* revolutionizes our knowledge of women and early science fiction. Contrary to accepted interpretations, women fans and writers were a welcome and influential part of pulp science fiction from the birth of the genre. Davin finds that at least 203 female authors, under their own female names, published over a thousand stories in science fiction magazines between 1926 and 1965. This work explores the distinctly different form of science fiction that females produced—one that was both more utopian and more empathetic than that of their male counterparts. *Partners in Wonder* presents, for the first time, a complete bibliography of every story published by women writers in science fiction magazines from 1926 to 1965 and brief biographies on 133 of these women writers. It is thus the most comprehensive source of information on early women science fiction writers yet available and of great importance to scholars of women's studies, popular culture, and English literature as well as science fiction.

A Swiftly Tilting Planet Oct 09 2020 Fifteen-year-old Charles Wallace and the unicorn Gaudior embark on a journey through time and peril to prevent the destruction of the world by the mad dictator Madog Branzillo. Simultaneous.
