**Two Steps Forward, One Step Back** Feb 12 2021 "My real story starts with a disaster, an unmitigated, pull-the-rug-from-under-you, clean-out-the-bank-account disaster. But had it not happened, The Police would never have risen to become the biggest rock band in the world; Jools Holland would not have ended up on TV; The Bangles, The Go-Go's, R.E.M., and many other music stars might never have made it either. It's strange how a fluke, a disaster, an unlikely event can lead to incredible results. But that is in essence what happened to me. . . ." **Two Steps Forward, One Step Back** tells the extraordinary story of Miles A. Copeland, a maverick manager, promoter, label owner, and all-round legend of the music industry. It opens in the Middle East, where Miles grew up with his father, a CIA agent who was stationed in Syria, Egypt, and Lebanon. It then shifts to London in the late '60s and the beginnings of a career managing bands like Wishbone Ash and Curved Air—only for Miles's life and work to be turned upside down by a disastrous European tour. From the ashes of near bankruptcy, Miles entered the world of punk, sharing a building with Malcolm McLaren and Sniffin' Glue, before shifting gears again as manager of The Police, featuring his brother, Stewart, on drums. Then, after founding IRS Records, he launched the careers of some of the most potent musical acts of the new wave scene and beyond, from Squeeze and The Go-Go's to The Bangles and R.E.M. The story comes full circle as Miles finds himself advising the Pentagon on how to win over hearts and minds in the Middle East and introducing Arabic music to the United States. "Never let the truth get in the way of a good story," his father would tell him. In the end, though, the truth is what counts—and it's all here.

**Firebird** Mar 28 2022 In her debut picture book, Misty Copeland tells the story of a young girl—an every girl—whose confidence is fragile and who is questioning her own ability to reach the heights that Misty has reached. Misty encourages this young girl's faith in herself and shows her exactly how, through hard work and dedication, she too can become Firebird. Lyrical and affecting text paired with bold, striking illustrations that are some of Caldecott Honoree Christopher Myers's best work, makes Firebird perfect for aspiring ballerinas everywhere.

**The Underground Railroad** Sep 29 2019 The culmination of years of research in dozens of archives and libraries, this fascinating encyclopedia provides an unprecedented look at the network known as the Underground Railroad - that mysterious "system" of individuals and organizations that helped slaves escape the American South to freedom during the years before the Civil War. In operation as early as the 1500s and reaching its peak with the abolitionist movement of the antebellum period, the Underground Railroad saved countless lives and helped alter the course of American history. This is the most complete reference on the Underground Railroad ever published. It includes full coverage of the Railroad in both the United States and Canada, which was the ultimate destination of many of the escaping slaves. "The Underground Railroad: An Encyclopedia of People, Places, and Operations" explores the people, places, writings, laws, and organizations that made this network possible. More than 1,500 entries detail the families and personalities involved in the operation, and sidebars extract primary source materials for longer entries. This encyclopedia features extensive supporting materials, including maps with actual Underground Railroad escape routes, photos, a chronology, genealogies of those involved in the operation, a listing of Underground Railroad operatives by state or Canadian province, a "passenger" list of escaping slaves, and primary and secondary source bibliographies.

*People and Things from the Blount County, Alabama, Blount County Journal 1909 - 1918* Jul 20 2021 The Blount County Journal published in Oneonta from 1909 to 1918. Compared to other Blount County papers, the Journal was only a small blip on the journalistic radar in Blount County. However, it is an often overlooked and untapped source of great genealogical and historical knowledge. While some of the articles mirror those published in its contemporary publications, often the Journal captured other obituaries and news missed by the Democrat. Most of the original copies of the Journal were found in the court house in Oneonta. These were reviewed for notices of births, marriages, obituaries and interesting news items. Missing issues from the court house were reviewed at the State Archives in Montgomery. This book will add to the body of knowledge of Blount County, Alabama and will serve as a useful tool for area genealogists and historians.
