Lost Lake Charles Apr 02 2020 Fires, hurricanes, neglect and progress erased much of Lake Charless physical history. The young town was a magnet for pirates and privateers, like the infamous Jean Lafitte, who conducted business at the mouth of what is today called the Contraband Bayou. Michigan Men, creoles and cowboys made their way to the fledgling Louisiana town to start new lives. A great lumber industry shaped the town in the nineteenth century. Streetcars ran routes around the clock seven days a week. Author and historian Adley Cormier delves deep into Lake Charless past to uncover a history that has been lost to time and change.

The Longest Storm Dec 31 2019 ?"At once timely and timeless...." — School Library Journal, STARRED ?"A new classic." — Booklist, STARRED ?"Splendid....Resonant and reassuring." — Kirkus Reviews, STARRED ?"An emotionally nuanced, authentic picture book that simultaneously hints at and avoids mention of recent events. Conveying instantly recognizable sadness and stresses, it clearly shows how connection and resilience can prevail in the face of any storm." — Publishers Weekly, STARRED From acclaimed author-illustrator Dan Yaccarino comes a heartwarming family story that will resonate for everyone who's experienced the Covid-19 quarantine -- or other kinds of hardship and loss. No one knew where the strange storm came from, or why it lasted so long. The family at the center of this timely story has to hunker down together, with no going outside - and that's hard when there's absolutely nothing to do, and everyone's getting on everyone else's nerves. This classic in the making will lift hearts with its optimistic vision of a family figuring out how to love and support one another -- even when their everyday world is shrunk beyond recognition.

Hurricane Apr 26 2022 Lieutenant Azure Lynwood's latest mission with the Space Corps is turning into a complete disaster. A routine inspection of a remote outpost on Titan unexpectedly turns into a murder investigation. Then a blizzard hits, trapping the five crew members in the tiny base, cut off from any contact with civilisation. And now, without access to his supply of hormonal suppressants, Azure realises he has only a couple of hours until he goes into heat. Without medical assistance, omegas in heat experience twelve hours of the worst pain imaginable. The thought of what he has to endure is terrifying, but Azure knows that being mated wouldn't necessarily be any better. Alphas in rut are notoriously violent and aggressive, and matings invariably leave omegas with brutal injuries and emotional scars that can last a lifetime. But just when Azure thinks his situation can't get any worse, he finds out one last, staggering piece of news. Major Tor Savan, his commanding officer, and one of the most respected men in the Space Corps, is an alpha. And once he gets a whiff of Azure's heat pheromones, there isn't a force in the entire galaxy that could keep them apart.

These Happy Golden Years Mar 14 2021 The eighth book in Laura Ingalls Wilder's treasured Little House series, and the recipient of a Newbery Honor—now available as an ebook! This digital version features Garth Williams's classic illustrations, which appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Fifteen-year-old Laura lives apart from her family for the first time, teaching school in a claim shanty twelve miles from home. She is very homesick, but she knows that her earnings can help pay for her sister Mary's tuition at the college for the blind. Only one thing gets her through the lonely weeks—every weekend, Almanzo Wilder arrives at the school to take Laura home for a visit. Friendship soon turns to love for Laura and Almanzo. The nine Little House books are inspired by Laura's own childhood and have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming, unforgettable stories.

Millie, Daisy, and the Scary Storm Jul 06 2020 Inspired by a real dog from Danny & Ron's Rescue from the popular documentary, Life in the Doghouse, this third book in a sweet chapter book series follows a pair of pups hoping to find a new home together. Millie and Daisy are two bonded dogs who've been through a lifetime of ups and downs together. Finally finding safety at Danny & Ron's Rescue, Millie settles in easily, while Daisy still feels anxious, especially during thunderstorms. A big adoption event for the rescue dogs is coming up, and Millie can't wait. She wants to convince a family to take both her and Daisy together, so she comes up with a plan to make them stand out. Daisy's not so sure she wants to be adopted though and thinks that while adoption may be right for Millie, living at the rescue is what's right for her. But Daisy doesn't like the thought of being apart from Millie, and she doesn't want to ruin Millie's dreams. As the big day arrives, will Millie and Daisy be able to find the right solution for both of them? Or does finding their perfect forever homes mean saying goodbye to each other?

Regenerative Leadership Nov 02 2022 This book by leadership and sustainability experts Giles Hutchins and Laura Storm provides an exciting and comprehensive framework for building regenerative life-affirming businesses. It offers a multitude of business cases, fascinating examples from nature's living systems, insights from the front-line pioneers and tools and techniques for leaders to succeed and thrive in the 21st century. Regenerative Leadership draws inspiration from pioneering thinking within biomimicry, circular economy, adult developmental psychology, anthropology, biophilia, sociology, complexity theory and next-stage leadership development. It connects the dots between these fields through a powerful framework that enables leadership to become regenerative: in harmony with life, building thriving, prosperous organizations amid transformational times. The book is a combination of theoretical frameworks, case studies, tools & practices: Everything the leader needs to be successful in the 21st century. Regenerative Leadership - what's it all about? While the future is uncertain, we clearly see an upward trend towards sustainable conscious business. And this is more than just a trend - we're witnessing a new kind of organization emerging. An organization which is able to rapidly sense and respond to the ever-changing business climate by innovating how and why it creates and delivers value, and the way it engages internally and externally with its ecosystem of employees, customers, suppliers, resources, investors, society and environment. This new kind of organization is the organization-as-living-system that is designed on the Logic of Life: life-affirming businesses that thrive from the inside out, by cultivating conditions conducive for life, internally and externally. These organizations nurture flourishing cultures while focusing on products and services that enhance society and the environment. Regenerative organizations will be tomorrow's success stories. Giles Hutchins is Chairman of The Future Fit Leadership Academy, keynote speaker, executive coach and author of three critically acclaimed business books, previously Director at KPMG and Global Head of Sustainability Solutions for Atos Origin. He is co-founding partner of Regenerators. Laura Storm has spent her entire career working in the intersection between business, leadership, sustainability, climate change policy and innovation. She has started and led multiple international organizations focused on the global transformation to sustainability - including Copenhagen Climate Council, World Business Summit on Climate Change and Sustainia. She has been awarded the title "Worldchanger" by Greenbiz, is a World Economic Forum Young Global Leader and Sustainability Expert, sits on many boards and is founder of Regenerators.

Strength in the Storm Aug 07 2020 In this touching Amish romance, a brokenhearted woman and a steadfast man discover that the safest place to weather tragedy is in each other's arms. After the murder of both her parents, Emma Hochstetler returns to the small community of Johns Mill, hoping to resume her quiet existence. Reclaiming her place proves harder than expected—especially now that a movie is being made about her family's loss. But then, an old friend offers her a lifeline that gives her new purpose. Amish builder Samuel Christner is the biggest—and the strongest—man in town. In fact, the gentle giant has only one weakness—Emma. Even though she broke his heart, he won't let his childhood sweetheart face her troubles alone. He hires Emma as a nurse for his elderly aunt...and finds himself falling for her all over again. But while romance blooms, storm clouds gather. And when darkness falls, it will take all Sam's strength—and all their love—to see them through.

I Am the Storm Mar 26 2022 A tornado, a blizzard, a forest fire, and a hurricane are met, in turn, with resilience and awe in this depiction of nature's power and our own. In the face of our shifting climate, young children everywhere are finding themselves subject to unfamiliar and often frightening extreme weather. Beloved author Jane Yolen and her daughter Heidi Stemple address four distinct weather emergencies (a tornado, a blizzard, a forest fire, and a hurricane) with warm family stories of finding the joy in preparedness and resilience. Their honest reassurance leaves readers with the message: nature is powerful, but you are powerful, too. Illustrated in rich environmental tones and featuring additional information about storms in the back, this book educates, comforts, and empowers young readers in stormy or sunny weather, and all the weather in between.

The Storm on Our Shores Oct 09 2020 This “engrossing” (The Wall Street Journal) national bestseller and true “heartbreaking tale of tragedy and redemption” (Hampton Sides, bestselling author of Ghost Soldiers) reveals how a discovered diary—found during a brutal World War II battle—changed our war-torn society's perceptions of Japan. May 1943. The Battle of Attu—called “The Forgotten Battle” by World War II veterans—was raging on the Aleutian island with an Arctic cold, impenetrable fog, and rocketing winds that combined to create some of the worst weather on Earth. Both American and Japanese forces tirelessly fought in a yearlong campaign, with both sides suffering thousands of casualties. Included in this number was a Japanese medic whose war diary would lead a Silver Star-winning American soldier to find solace for his own tortured soul. The doctor's name was Paul Nobuo Tatsuguchi, a Hiroshima native who had graduated from college and medical school in California. He loved America, but was called to enlist in the Imperial Army of his native Japan. Heartsick, wary of war, yet devoted to Japan, Tatsuguchi performed his duties and kept a diary of events as they unfolded—never knowing that it would be found by an American soldier named Dick Laird. Laird, a hardy, resilient underground coal miner, enlisted in the US Army to escape the crushing poverty of his native Appalachia. In a devastating mountainside attack in Alaska, Laird was forced to make a fateful decision, one that saved him and his comrades, but haunted him for years. Tatsuguchi's diary was later translated and distributed among US soldiers. It showed the common humanity on both sides of the battle. But it also ignited fierce controversy that is still debated today. After forty years, Laird was determined to return it to the family and find peace with Tatsuguchi's daughter, Laura Tatsuguchi Davis. Pulitzer Prize-winning journalist Mark Obmascik “writes with tremendous grace about a forgotten part of our history, telling the same story from two opposing points of view—perhaps the only way warfare can truly be understood” (Helen Thorpe, author of Soldier Girls).

Uncle P's Bedtime Stories Jul 30 2022 This first collection of Uncle P's Bedtime Stories is organized into four sections: Essays: "Blessed are they who think in small words, for they are less misunderstood. Blessed are the listeners, for they shall never be short of friends," from *Amendments To The Beatitudes*; Riffs: "Less with the worry, Less with the hurry. I could do with Less time spent on the Don't Matters. I have too many candles on the birthday cake to be burning time," from the story *Less*. My Louisiana: "My grandmother had a big serving tray. For every guest there was a cup of black coffee, already poured, half full. In the center of the tray was a bowl of sugar and a creamer, and one stirring spoon, sitting in a cup of water. Each guest picked among the mismatched coffee cups, then added sugar and cream, and stirred, the first sip, the uuummm, all while my grandmother held the tray before them," from *The Ceremony Of Coffee*. The Padre: "I saw the way he talked to the state trooper, who pulled us over for speeding, and I saw how good people handle being in the wrong. I heard what he said in church, but I saw how he walked it on Monday through Saturday. I saw him give when he had; I saw him give when he had not. I heard him preach Do Unto Others and I saw him Do Unto Others and I saw that he did unto better than was ever done unto him; without ever keeping score," from *Church Of The Eyes*.

Storm of Secrets Nov 09 2020 A deadly storm, a missing three-year-old child, a grisly murder, and the eerie presence of the spirits of the dead set the stage for the second mesmerizing installment of Loretta Marion's paranormal suspense series. A powerful storm descends upon Cape Cod's Whale Rock at the peak of tourist season--and the weekend Cassandra Mitchell's and Daniel Benjamin's wedding is set to take place at The Bluffs, the magnificent Victorian mansion Cassie inherited from her family. In the wake of the storm's destruction, three-year-old Lucas Kleister goes missing--and the body of small-time drug dealer Lee Chambers is found in a restaurant dumpster. Now, the WRPD are faced with a murder to solve, a missing child to find, and the aftermath of one of the worst storms in recent memory. While aiding with the clean-up and helping the displaced, Cassie has been receiving cryptic messages from the spirits of her great-grandparents, Percy and Celeste Mitchell, the original residents of The Bluffs. At first, the messages are benign, but soon, they begin to point to something more sinister. As Cassie works to decipher their meaning, the specter of a mysterious local legend surfaces. The tale of Barnacle Boy--and what happened to him during another destructive storm decades earlier--will weave through the desperate search to find Lucas and the identity of the killer.

Laura Robson - The Biography Oct 28 2019 In 2008, 14-year-old Laura Robson shocked the world by giving Britain its first Wimbledon winner in 14 years. From seemingly out of nowhere, the previously unknown teen stormed through the famous tournament to win the girls' singles title, instantly making her the talk of the tennis cognoscenti. With her powerful serve and winning smile she quickly captured the nation's hearts, giving the country a much-needed heroine in a year that had thus far been filled with sporting disappointments. 'We love you, Laura!' read the national newspaper headlines, beginning a fascination with the shy teenager that continues to this day. But with Laura's newfound fame came the weight of responsibility - could she continue her winning streak and place Britain firmly back on top of the game we love so much? For the first time, author Tina Campanella gives you the full story behind Britain's best-loved tennis starlet: her ups and downs, trials and tribulations, and the gritty determination that has seen her become one of the top female tennis players in the world.

Shelter From the Storm Nov 29 2019 Laura Kincaid has loved Cash Wycliffe since childhood, even though she knows a tenant farmer's headstrong son is the last man on earth a well-bred Kentucky lady should acknowledge. As a ruggedly handsome gambler and shameless womanizer, he goes west to make his fortune. When Cash returns with the gold he swore he'd win, he has eyes only for Laura's cousin Sallie, a Southern belle as dazzlingly beautiful as she is coldly calculating. But Laura lets her heart rule her fate... and amid the tumult of the Civil War and its aftermath, she surrenders to her desire for a man who makes no promises... armed only with a woman's sense that love is destined to flower where passion flames... keywords: Kentucky, horses, antebellum, aristocrat

Surviving the Storm Aug 31 2022 Laura was alone when she received the news: She had metastatic vulvar cancer. Having worked in the medical field for more than ten years, she knew the word metastatic was not good. The scariest part about the diagnosis, however, was going to be telling her children. Before Laura did that, she called her boyfriend, Lyle. Then, she texted each of her children and told them she needed to talk to them at home. All she could think about was what she was going to say, and how she was going to say it. How could she share this news without it crushing their spirits? Cancer also tested Laura's faith in the Lord, and she found herself wondering, How can He keep allowing things like this to happen in my life? What am I doing wrong? To answer that question, she read and reread the book of Job. He didn't question God when he was in the midst of losing everything. It was in that moment that a peace washed over her, and she was ashamed to even entertain the question of Why? Join Laura as she battles a life-changing diagnosis and learns how to confront it with a positive outlook and thankful heart for all of God's blessings in *Surviving the Storm*. Laura L. Torres reveals how her faith helped her navigate challenges and obstacles after being diagnosed with a rare form of cancer. She currently resides in Wisconsin with her very large and loving family. Laura continues to be active with local outreach programs through her church and in her community.

Purgatory Road Jun 04 2020 Named one of Library Journal's Best Books of 2017 "Exceptional first novel."--Publishers Weekly, starred review "Will grip suspense aficionados from the first page."--Library Journal, starred review "A skillfully written, gripping thriller."--Booklist "Action-packed with breakneck pacing."--Foreword Reviews When a day trip out of Las Vegas with his wife takes a turn for the worse, Jack is sure that he has the ability to get them home. But he drove into something far beyond reason. Rescue comes in the form of a desert hermit, but hope fades as the couple comes to realize that the nomad has no intention of letting them leave. A chance encounter with a kidnapped runaway and her crazed abductor leads them all farther into the wilderness--and closer to the cold brutality that isolation brings. At the edge of his sanity, Jack begins to learn that playing by another's rules may be the only way to survive. In a voice that is as hypnotizing as a desert mirage, debut novelist Samuel Parker entices readers down a dangerous road, where the forces of good and evil are as crushing as the Mojave heat. This is suspense in its purest, most unfiltered form.
