The Horses of St. Mark's Mar 14 2021 Celebrated historian Charles Freeman, author of the 2009 surprise hit *A.D. 381*, explores the mysterious origin of the statues and their turbulent movements through Europe over the centuries: in Constantinople, at both its founding and sacking in the Fourth Crusade; in Venice, at both the height of its greatness and fall in 1797; in the Paris of Napoleon, and the revolutions of 1848; and back in Venice, the most romantic city in the world. In this remarkable new book, Freeman shows how the horses came to stand at the heart of European history time and time again.

City of Saints and Madmen Oct 09 2020 In *City of Saints and Madmen*, Jeff VanderMeer has reinvented the literature of the fantastic. You hold in your hands an invitation to a place unlike any you've ever visited—an invitation delivered by one of our most audacious and astonishing literary magicians. City of elegance and squalor. Of religious fervor and wanton lusts. And everywhere, on the walls of courtyards and churches, an incandescent fungus of mysterious and ominous origin. In Ambergris, a would-be suitor discovers that a sunlit street can become a killing ground in the blink of an eye. An artist receives an invitation to a beheading—and finds himself enchanted. And a patient in a mental institution is convinced he's made up a city called Ambergris, imagined its every last detail, and that he's really from a place called Chicago.... By turns sensuous and terrifying, filled with exotica and eroticism, this interwoven collection of stories, histories, and "eyewitness" reports invokes a universe within a puzzlebox where you can lose—and find—yourself again. From the Trade Paperback edition.

Dark Water Rising Sep 19 2021 I looked and saw water rushing in from Galveston Bay on one side and from the gulf on the other. The two seas met in the middle of Broadway, swirling over the wooden paving blocks, and I couldn't help but shudder at the sight. All of Galveston appeared to be under water. Galveston, Texas, may be the booming city of the brand-new twentieth century, but to Seth, it is the end of a dream. He longs to be a carpenter like his father, but his family has moved to Galveston so he can go to a good school. Still, the last few weeks of summer might not be so bad. Seth has a real job as a builder and the beach is within walking distance. Things seem to be looking up, until a storm warning is raised one sweltering afternoon. No one could have imagined anything like this. Giant walls of water crash in from the sea. Shingles and bricks are deadly missiles flying through the air. People not hit by flying debris are swept away by rushing water. Forget the future, Seth and his family will be lucky to survive the next twenty-four hours. *Dark Water Rising* is a 2007 Bank Street - Best Children's Book of the Year.

My Dear Hamilton Jun 24 2019 USA Today Bestseller "An edge-of my seat immersion into historical events...No study of Alexander Hamilton would be complete without reading this book." —Karen White, New York Times bestselling author "The best book of the year!" —Kate Quinn, New York Times bestselling author of *The Alice Network*, *Wife*, *Widow*, and *Warrior* in Alexander Hamilton's quest for a more perfect union From the New York Times bestselling authors of *America's First Daughter* comes the epic story of Eliza Schuyler Hamilton—a revolutionary woman who, like her new nation, struggled to define herself in the wake of war, betrayal, and tragedy. Perfect for fans of Ron Chernow's biography *Alexander Hamilton* and fans of Lin-Manuel Miranda's *Hamilton: the Musical*. In this haunting, moving, and beautifully written novel, Dray and Kamoie used thousands of letters and original sources to tell Eliza's story as it's never been told before—not just as the wronged wife at the center of a political sex scandal—but also as a founding mother who shaped an American legacy in her own right. A general's daughter... Coming of age on the perilous frontier of revolutionary New York, Elizabeth Schuyler champions the fight for independence. And when she meets Alexander Hamilton, Washington's penniless but passionate aide-de-camp, she's captivated by the young officer's charisma and brilliance. They fall in love, despite Hamilton's bastard birth and the uncertainties of war. A founding father's wife... But the union they create—in their marriage and the new nation—is far from perfect. From glittering inaugural balls to bloody street riots, the Hamiltons are at the center of it all—including the political treachery of America's first sex scandal, which forces Eliza to struggle through heartbreak and betrayal to find forgiveness. The last surviving light of the Revolution... When a duel destroys Eliza's hard-won peace, the grieving widow fights her husband's enemies to preserve Alexander's legacy. But long-buried secrets threaten everything Eliza believes about her marriage and her own legacy. The Middle Sister Mar 26 2022 "As Kwai Chang moved through the arid desert of the American West, I would move through the equally desolate ghettos of Brooklyn, and we would each search: he for his family and I for my father. . . ." The middle of three sisters, Pamela is a quiet, thoughtful girl with a huge hole in her life—the space her father used to fill before her mother kicked him out. Occasionally, Pamela conjures up Kwai Chang, David Carradine's character, from the Western action series *Kung Fu*, to give her spiritual guidance and advice she would normally turn to her parents for. But with her father gone, her mother has fallen into a pit of confusion and mental disarray. So it is up to Pamela and her sisters, Nona and Theresa, to run the household. When their money runs out, the family must leave their beloved East New York house and move to the projects. It is a change that will alter their lives forever—and even wise Kwai Chang cannot alter their destiny. But as Pamela discovers, "Everyone searches. The real challenge is in the finding and the keeping." In this powerful literary debut, vividly set in the 1970s, Bonnie Glover has written a marvelous story about a young black woman struggling to define her identity—and make her family whole.

Six-Horse Hitch Nov 21 2021

The Tin Horse Nov 02 2022 In the stunning tradition of Lisa See, Maeve Binchy, and Alice Hoffman, *The Tin Horse* is a rich multigenerational story about the intense, often fraught bond sisters share and the dreams and sorrows that lay at the heart of the immigrant experience. It has been more than sixty years since Elaine Greenstein's twin sister, Barbara, ran away, cutting off contact with her family forever. Elaine has made peace with that loss. But while sifting through old papers as she prepares to move to Rancho Mañana—or the "Ranch of No Tomorrow" as she refers to the retirement community—she is stunned to find a possible hint to Barbara's whereabouts all these years later. And it pushes her to confront the fierce love and bitter rivalry of their youth during the

1920s and '30s, in the Los Angeles Jewish neighborhood of Boyle Heights. Though raised together in Boyle Heights, where kosher delis and storefront signs in Yiddish lined the streets, Elaine and Barbara staked out very different personal territories. Elaine was thoughtful and studious, encouraged to dream of going to college, while Barbara was a bold rule-breaker whose hopes fastened on nearby Hollywood. In the fall of 1939, when the girls were eighteen, Barbara's recklessness took an alarming turn. Leaving only a cryptic note, she disappeared. In an unforgettable voice layered with humor and insight, Elaine delves into the past. She recalls growing up with her spirited family: her luftmensch of a grandfather, a former tinsmith with tales from the Old Country; her papa, who preaches the American Dream even as it eludes him; her mercurial mother, whose secret grief colors her moods—and of course audacious Barbara and their younger sisters, Audrey and Harriet. As Elaine looks back on the momentous events of history and on the personal dramas of the Greenstein clan, she must finally face the truth of her own childhood, and that of the twin sister she once knew. In *The Tin Horse*, Janice Steinberg exquisitely unfolds a rich multigenerational story about the intense, often fraught bonds between sisters, mothers, and daughters and the profound and surprising ways we are shaped by those we love. At its core, it is a book not only about the stories we tell but, more important, those we believe, especially the ones about our very selves. Praise for *The Tin Horse* “Steinberg, the author of five mysteries, has transcended genre to weave a rich story that will appeal to readers who appreciate multigenerational immigrant family sagas as well as those who simply enjoy psychological suspense.”—BookPage
