Things are also spurred on by the arrival of a gorgeous senpai from the boys' past... ..This cool beauty, Kotoha-senpai, has some blunt

Don't Kiss the Bride Feb 01 2020 I guess you could say I was a damsel in distress, and he was my knight in shining armor. But more accurately, I was a girl with a lot of bad luck, and he was a guy with a lot of muscles and tattoos. Jude "Lucky" Luccetti wasn't just a sexy, brooding construction worker. He was my own personal hero who seemed to be in all the right places at the right times. Like when my car broke down and I needed a ride home, and when I face planted on the sidewalk right in front of him and had to be taken to the emergency room. Those weren't exactly my best moments, but they were his. We became friends, and it didn't matter that he was sixteen years older than me. We had a lot in common—like our love of old rock music and vintage fast cars, and our aversion to relationships. When he approached me with a crazy idea to help me out, I couldn't say no. The arrangement was supposed to be temporary. A marriage on paper and nothing else. It should've been easy, but it wasn't. Because here I am, eighteen years-old, still in high school, and married to a man I was never supposed to fall in love with. We had just one rule—no kissing the bride. But we broke that rule, and it sealed our fate forever.

Kiss Him, Not Me 6 Mar 04 2020 It's Kae, again! After the heart stopping showdown between the Mutsumi Brothers, things looked like they might finally settle down again, but a bold confession from Mutsumi-senpai spurs all the boys into action! It's like a real life otome game as everyone tries to plan the best romantic afternoon, but it's so much pressure to choose, much less think about having a boyfriend! Especially when there are bigger problems to worry about... Shima-chan and I are all fired up about a new anime that's perfect for us fujoshi, but we end up not seeing eye to eye! Can a friendship build on boys' love survive a vicious shipping war?! Now an anime from the studio that made PRINCESS JELLYFISH and MY LITTLE MONSTER!

To Kiss Or Not to Kiss Nov 04 2022

Kiss Him, Not Me 10 Apr 16 2021 Hey, Kae here! After confronting my feelings and Mutsumi-senpai reassuring me to take my time, things have calmed down again. Shima-chan and I are super pumped to meet the voice actors of our beloved Akane and Master, but at the event, something shocking happens. It turns out that Akane is none other than my childhood friend, Tah-kun! Though we haven't seen each other in forever, he transfers to my school and asks for my support. I don't see why he can't join in on the fun! The others don't seem too happy, though. Before long, I'm worried, too, because Tah-kun is weak and gets sick almost every day. I'm ready to do whatever it takes to help a friend, but why does everyone else seem so wary of him? Even Mutsumi-senpai is on guard! Is there something I don't know about Tah-kun?

The Science of Kissing Sep 29 2019 From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in *The Science of a Kiss*. It's everything you always wanted to know about kissing but either haven't asked, couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike.

It's also a rocky time with Shinomiya-kun when he finds out his parents are moving back to...Norway?! When Mama Can't Kiss It Better, A Journey of Love, Loss and Acceptance Dec 13 2020 WHEN MAMA CAN'T KISS IT BETTER is the raw account of a true story that shocked the nation in 2010. Gertz was America's most hated mother when news of a decision to place her adopted child in another family broke in the media. Called out by many as an unfit mother and an evil woman who threw away her child, she was catapulted into the national and international media. Her daughter, Emily suffered from fetal alcohol spectrum disorder, reactive attachment disorder, bipolar disorder, and other disorders. She had never bonded with Lori, her father or her siblings and had begun a spiral of self-destruction that often involved running into traffic and other dangerous behaviors. While Gertz recalls feeling isolated, accounts like hers are not rare. Stories like When Mama Can't Kiss it Better are not told terribly often because of the stigma and finger pointing. She writes, "The mother is always blamed first when a child suffers from extreme behavioral disabilities." There are millions of parents who are struggling to raise children with behavioral disabilities, who feel misunderstood, unheard, and judged, and who want to be reassured that there are others like them. With one in four Americans struggling with mental illness (NIMH) every year everyone in this country either lives with mental illness or knows someone who does. The greatest tragedy is that 60% of the adults and 50% of the children suffering from mental disorders will receive absolutely NO services or support for their mental illness.

Confessions of a Serial Kisser Jun 06 2020 Does the perfect kiss exist? This smart and funny modern romance from the author of Flipped explores the pleasures and perils of love. Perfect for fans of Jenny Han's To All the Boys I've Loved Before. Evangeline Logan wants a kiss. Not just any kiss—a "crimson kiss," like the one in a romance novel she's become obsessed with. But the path to perfection is paved with many bad kisses—the smash mouth, the ear licker, the "misser," the tentative tight lipper. The phrase "I don't kiss and tell" means nothing to the boys in her school. And worse: someone starts writing her name and number on bathroom walls. And worst of all: the boy she's just kissed turns out to be her best friend's new crush. Kissing turns out to be way more complicated than the romance novels would have you believe. . . . "Evangeline's strong, entertaining voice will pull plenty of readers, who will root for their heroine as she begins to piece together a grown-up life." —Booklist "The pacing is near-perfect: readers realize, just when Evangeline does, that it is not a kiss

she is [really] after. In the end, the playful title and premise are matched by tender and convincing storytelling.” —Publishers Weekly

Never Let a Fool Kiss You or a Kiss Fool You Nov 11 2020 What do Mae West, John F. Kennedy, Victor Hugo, and H. L. Mencken have in common? They all indulged in chiasmus—a literary device in which word order is reversed to hilarious or poignant effect. Kennedy said, "Ask not what your country can do for you, ask what you can do for your country," he was doing the same. Dr. Mardy Grothe has compiled hundreds of examples of chiasmus in this whimsically illustrated collection, bringing this witty and thought-provoking device out of obscurity and into the public imagination.

Kiss Me Not Nov 23 2021 What do you do when you're the reigning kissing booth champion but the only person you want to kiss is your best friend's brother? Let me make this clear right here, right now: I, Halley Dawson, do not care that Preston Wright is kissing other women. Not a lick. Not at all. Nuh-uh-freakin'-uh. I do care that he's doing it six feet away from me behind a gaudy velvet curtain--making him my competition in this year's kissing contest. Why do I care, you ask? Because I've had an unfortunate crush on the insufferable idiot since I was sixteen years old, but I also know it's never going to happen. He's the Creek Falls bachelor to die for, and I'm the Creek Falls racoon lady who puts peanut butter sandwiches out for them every night. I'm not going to let him break my four-year-long reign--no matter how many times he breaks the rules and slides the curtain across to do the one thing he's not allowed to: Kiss me.
