[The Blackbird Season](#) Feb 09 2021 "Exceptional...a deliciously sinister glimpse into the duplicity of

small-town lives and the ease with which people turn on each other when tragedy comes calling. Moretti's tale of jealousy and obsession is nothing less than dark magic. Witchery indeed." —Kirkus Reviews, starred review Known for novels featuring "great pacing and true surprises" (Kirkus Reviews, starred review) and "nerve-shattering suspense" (Heather Gudenkauf, New York Times bestselling author), New York Times bestselling author Kate Moretti's latest is the story of a scandal-torn Pennsylvania town and the aftermath of a troubled girl gone missing. "Where did they come from? Why did they fall? The question would be asked a thousand times... Until, of course, more important question arose, at which time everyone promptly forgot that a thousand birds fell on the town of Mount Oanoke at all." In a quiet Pennsylvania town, a thousand dead starlings fall onto a high school baseball field, unleashing a horrifying and unexpected chain of events that will rock the close-knit community. Beloved baseball coach and teacher Nate Winters and his wife, Alecia, are well respected throughout town. That is, until one of the many reporters investigating the bizarre bird phenomenon catches Nate embracing a wayward student, Lucia Hamm, in front of a sleazy motel. Lucia soon buoys the scandal by claiming that she and Nate are engaged in an affair, throwing the town into an uproar...and leaving Alecia to wonder if her husband has a second life. And when Lucia suddenly disappears, the police only to have one suspect: Nate. Nate's coworker and sole supporter, Bridget Harris, Lucia's creative writing teacher, is determined to prove his innocence. She has Lucia's class journal, and while some of the entries appear particularly damning to Nate's case, others just don't add up. Bridget knows the key to Nate's exoneration and the truth of Lucia's disappearance lie within the walls of the school and in the pages of that journal. Told from the alternating points of view of Alecia, Nate, Lucia, and Bridget, *The Blackbird Season* is a haunting, psychologically nuanced suspense, filled with Kate Moretti's signature "chillingly

satisfying” (Publishers Weekly) twists and turns.

Art Kills Aug 15 2021 Art is having a wild affair with murder in this breathtaking, inventive tale. Eric Van Lustbader's novella takes us from the marbled precincts of New York's uptown museum scene, through the fashionable galleries and lofts of Soho, to a gated Mafia mansion on the platinum coast of Long Island. Uncovering a web of conspiracy and shifting alliances, Tess strives to rescue the painting from its abductors and to save Jackie from a miserable marriage to a man with betrayal in his blood. Winter Pasture Jul 14 2021 "Li Juan spent minus-20-degree nights with nomadic herders in the Chinese steppes. You'll want to join her." --Laura Miller, Slate "Deeply moving...full of humor, introspection and glimpses into a vanishing lifestyle." --The New York Times Book Review Winner of the People's Literature Award, WINTER PASTURE has been a bestselling book in China for several years. Li Juan has been widely lauded in the international literary community for her unique contribution to the narrative non-fiction genre. WINTER PASTURE is her crowning achievement, shattering the boundaries between nature writing and personal memoir. Li Juan and her mother own a small convenience store in the Altai Mountains in Northwestern China, where she writes about her life among grasslands and snowy peaks. To her neighbors' surprise, Li decides to join a family of

Kazakh herders as they take their 30 boisterous camels, 500 sheep and over 100 cattle and horses to pasture for the winter. The so-called "winter pasture" occurs in a remote region that stretches from the Ulungur River to the Heavenly Mountains. As she journeys across the vast, seemingly endless sand dunes, she helps herd sheep, rides horses, chases after camels, builds an underground home using manure, gathers snow for water, and more. With a keen eye for the understated elegance of the natural world, and a healthy dose of self-deprecating humor, Li vividly captures both the extraordinary hardships and the ordinary preoccupations of the day-to-day of the men and women struggling to get by in this desolate landscape. Her companions include Cuma, the often drunk but mostly responsible father; his teenage daughter, Kama, who feels the burden of the world on her shoulders and dreams of going to college; his reticent wife, a paragon of decorum against all odds, who is simply known as "sister-in-law." In bringing this faraway world to English language readers here for the first time, Li creates an intimate bond with the rugged people, the remote places and the nomadic lifestyle. In the signature style that made her an international sensation, Li Juan transcends the travel memoir genre to deliver an indelible and immersive reading experience on every page.

wasn't his manly, capable attire that so captivated Keeley--left her mouth agape and her eyes widened. It was his clean-cut dark brown hair, downright seductive oval, almost rectangular eyes, square jaw, and sensational movie-star smile! "Boom-boom-foxy!" Paisley said as she leaned over Keeley to stare at the man who had reached their SUV and was offering a friendly handshake to her father.
