This **Black Templar Codex**, as one of the most involved sellers here will definitely be accompanied by the best options to review.

The Lost Treasure of the Templars Dec 31 2019 An ancient sect. A modern mystery. The most dangerous secret ever unearthed. Antiquarian bookseller Robin Jessop has acquired a strange medieval volume. What appears to be a book is a cleverly disguised safe, in which she finds a single rolled parchment, written in code. For encryption expert David Mallory, the text is impenetrable. Until an

invaluable clue opens the door to a conspiracy, stretching back seven centuries. Now Jessop and Mallory find themselves on a desperate hunt that could change history, topple an empire and bury them both alive. Because soon they're not only the hunters. They're also the hunted. An absolutely gripping Templar conspiracy thriller, perfect for fans of Mario Reading, Dan Brown and Scott Mariani. Praise for *The Lost Treasure of the Templars* 'Once you start it is impossible to stop!' Eurocrime 'A thrilling historical mystery full of ingenious clues and unexpected twists' Good Book Guide 'Superbly crafted ... it breaks new ground ... a tightly worded, sharply written thriller' CrimeSquad.com

The Templars and their Sources Aug 07 2020 Even 700 years after the suppression of the Order of the Temple and the execution of the last grandmaster, Jacques de Molay, there is no shortage of publications on this influential military order. Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour. Fortunately, recent years have produced a thriving academic scholarship which is challenging these myths. More and more sources are currently being edited, particularly those for the trial of the Templars (1307–1312). Others are still awaiting indepth study, among them, surprisingly, the greater part of the charters that cover more than 150 years of the Order's history. The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as-yet unedited source material. Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order's archaeological, economical, religious, administrative and military history, but also set new points of departure for the editing of charters and administrative documents. The papers here are grouped into six sections, focusing on the headquarters of the Order, its charters, manpower and finance, religious life and finally the suppression and the Order's afterlife.

The Templar Code For Dummies Aug 31 2022 A captivating look into the society of the Knights Templar Brought to you by the author of *Freemasons For Dummies*, *The Templar Code* is more than an intriguing cipher or a mysterious symbol – it is the Code by which the Knights Templar lived and died, the Code that bound them together in secrecy, and the Code that inspired them to nearly superhuman feats of courage and endurance. *The Templar Code for Dummies* reveals the meaning behind the cryptic codes and secret rituals of the medieval brotherhood of warrior monks known as the Knights Templar. This intriguing guide will cover such topics as who the Knights Templar were, how they rose so high and fell so far, and most importantly why there is so much interest in them today. *The Templar Code For Dummies* will explore myths and theories of Christian history that appear in the *Da Vinci Code* such as the quest for the Holy Grail, the Catholic Church's relationship with women that are hotly debated now with special emphasis on the Templar connection. It also explores the surprising part the Templars have played in some of the most important historic events of these past seven centuries, including the French Revolution, the birth of groups such as the Freemasons, and even the American Civil War.

The Debate on the Trial of the Templars (1307–1314) May 16 2021 Seven hundred years after the dissolution of the order, the trial of the Templars still arouses enormous controversy and speculation. In October 1307, all the brothers of the military-religious order of the Temple in France were arrested on the instructions of King Philip IV and charged with heresy and other crimes. In 1312, Pope Clement V, at the Council of Vienne, dissolved the order. Since the 1970s, there has been increasing scholarly interest in the trial, and a series of books and articles have widened scholars' understanding of causes of this notorious affair, its course and its aftermath. However, many gaps in knowledge and understanding remain. What were the Templars doing in the months and years before the trial? Why did the king of France attack the Order? What evidence is there for the Templars' guilt? What became of the Templars and their property after the end of the Order? This book collects together the research of both junior and senior scholars from around the world in order to establish the current state of scholarship and identify areas for new research. Individual chapters examine various aspects of the background to the trial, the financial, political and religious context of the trial in France, the value of the Templars' testimonies, and consider the trial across the whole of Europe, from Poland and Cyprus to Ireland and Portugal. Rather than trying to close the discussion on the trial of the Templars, this book opens a new chapter in the ongoing scholarly debate.

Playing the Crusades Jun 24 2019 Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study: the memory and legacy of the crusades. Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive, exciting, and much needed area of investigation. This volume considers the appearance and use of the crusades in modern games; demonstrating that popular memory of the crusades is intrinsically and mutually linked with the design and play of these games. The essays engage with uses of crusading rhetoric and imagery within a range of genres – including roleplaying, action, strategy, and casual games – and from a variety of theoretical perspectives drawing on gender and race studies, game design and theory, and broader discussions on medievalism. Cumulatively, the authors reveal the complex position of the crusades within digital games, highlight the impact of these games on popular understanding of the crusades, and underline the connection between the portrayal of the crusades in digital games and academic crusade historiography. *Playing the Crusades* is invaluable for scholars and students interested in the crusades, popular representations of the crusades, historical games, and collective memory.

TEMPLARS Who were they? Where did they go? Vol 2 of 2 Jun 04 2020 Much has been written about the Knights Templar; their code of conduct, their way of life, the battles and political machinations that took place, the trials which ended their order, and the 9 men who founded their order, and the one who commanded them at the end, Jacque de Molay. While some work has been done to identify the men and women who served as Templars in individual kingdoms and countries, this is the first comprehensive work to merge all of them together and to review the commanderies where they served. Volume 2 of this series identifies the commanders, seneschals, treasurers, drapers, turcopoliers, and more in Spain, Portugal, Switzerland, Italy, Rhodes, Malta, Cyprus, Jerusalem, Outremer,

Turkey, Greece, Armenia, Syria, Egypt, Germany, Poland and the Netherlands and the commanderies and fortresses that they built. Tour the castles and fortresses that they commanded and learn how each area played a part in the Crusades.

The Trial of the Templars in Cyprus Sep 07 2020 This major study includes a translation of all testimony heard during the Templar trial in Cyprus in 1310 or 1311. The trial is of immense importance to the study of the history of the order because of the large number of Templar witnesses, seventy-six, many of high rank, and the ancillary testimony of fifty-six noblemen, burghers, and members, of the regular and secular clergy. What makes the trial especially significant is that torture appears not to have been used, allowing witnesses to give their opinion of the order free of the usual constraint. A large amount of testimony omitted from the Latin edition appears here for the first time. Witnesses are cross-referenced to other Templar trials, or to Cypriot notarial documents. The work is completed by photographs, maps, an exhaustive index, lists of witnesses, and bibliography.

Dragon Age Origins & Awakening - Strategy Guide Oct 21 2021 You are a Grey Warden, last of a group of highly-skilled warriors tasked to defeat the Archdemon and stop the Blight from spreading across the land. The Grey Wardens are the only ones capable of defeating the Archdemon and sending the Darkspawn back to the pits whence they came. Accrue a squad of highly memorable characters, each with their own personalities and skills, to help you in your task and save Fereldan before it is too late. This guide charts the adventures of the main walkthrough and all Downloadable Content and covers: - A complete walkthrough from start to finish. - Every item and codex uncovered. - A complete trophy/achievement guide. - Full coverage of all Downloadable Content including the massive DLC "Awakening".

Bloodlines Apr 14 2021

The Templar Salvation Aug 26 2019 From New York Times bestselling author Raymond Khoury comes a “a full-throttle action-adventure thriller” (Library Journal) that's even more shocking and explosive than The Last Templar... Constantinople, 1203: As the ravaging armies of the Fourth Crusade lay siege to the city, a secretive band of Templars infiltrate the imperial library. Their target: a cache of documents that must not be allowed to fall into the hands of the Doge of Venice. They escape with three heavy chests, filled with explosive secrets that these men will not live long enough to learn... Vatican City, present day: FBI agent Sean Reilly infiltrates the Pope's massive Vatican Secret Archives of the Inquisition. No one but the Pope's trusted secondi is allowed in—but Reilly has earned the Vatican's trust, a trust he has no choice but to violate. A vicious, uncompromising terrorist bent on revenge has kidnapped Tess Chaykin, and the key to her freedom lies in this underground crypt, in the form of a document known as the Fondo Templari—the secret history of the infamous Templars...

Templars Today May 28 2022 Alfonso Gotto, archeologist for the Vatican Museum, finds himself caught up in church politics. Drawn away by a powerful church benefactor, he joins Cruciform Industries, the successors of the Poor Knights of the Temple, or Templar Knights. Alfonso's adventures take him on treasure hunts and into combat with Islamo facists. His new career goals become restoring

Templar power and stature. Daniel P. Rapp's *Templars Today* will have readers eager to turn the page. At times Alfonso risks his own life in pursuit of these goals; his performance raises him to the position of Grand Master of the Templars and CEO of Cruciform Industries. With his empowerment comes new responsibilities and unanticipated dangers.

The Sanctuary Nov 29 2019 After centuries of destruction, one unsuspecting woman stands at the center of a conspiracy that could change the world forever in this thriller from the New York Times bestselling author of *The Last Templar*. Portugal, 1705. In the dungeons of a Templar castle, a dying old man bequeaths an ancient, half-burnt book to his young inquisitor. Keeping one step ahead of those who would kill to wrench the book's secret from his hands, the inquisitor turns his back on his calling and sets off on an impossible journey to complete the old man's quest. Baghdad, 2003. Hunting for a mysterious bioweapon scientist, an army unit discovers a concealed state-of-the-art lab where gruesome experiments have been carried out on men, women, and children. The scientist escapes, but a puzzling clue is left behind: a circular symbol of a snake feeding on its own tail. As the power of the symbol comes to light, revealing centuries of destruction left in its wake, a woman desperate for answers holds the fate of the world in her hands...

A to Z of the Knights Templar Jul 26 2019 The Knights Templar was the foremost Military Order of the Crusades. In about 1118 these warrior-monks were appointed custodians of Temple Mount, and defenders of Christian pilgrims in the Holy Land. Endorsed by the Catholic Church in 1129, the Order became a favoured cause across Europe. Templar knights, distinguished by their white mantles with red crosses, constituted some of the most disciplined and efficient fighting units in successive crusades. The expanding Order acquired extensive estates in the West, and served as financiers and advisors to the great and good. In the East the Templars garrisoned cities and castles, helping to sustain the Frankish presence in the Orient for almost two centuries. Support for the Order faded after the final loss of the Holy Land. King Philip IV of France, seizing on the Templar's habitual secrecy, plotted their destruction and confiscation of their assets. Bending the Papacy to his will, he secured the arrest and trial of Templars throughout Christendom, on grounds of heresy and diabolical corruption. In France the Inquisition extracted damning confessions from the arrested brethren. In 1312, under continuing pressure from Philip, Pope Clement V formally disbanded the Order. Two years later the last Grand Master was burned alive in Paris after renouncing his confession. The Order's suppression amid such sinister circumstances gave rise to myth and speculation which keeps the Templar name alive to this day. This highly readable and informative A-Z guide is an invaluable reference to the places, people, and themes of the Crusades, the Knights Templars and their legacy.

The Fall of the Templar May 04 2020 Eleven-year-old Max Sumner and the Grey Griffins continue to be tested and trained while the Black Wolves, commanded by Max's own father, and Morgan La Fey use the Spear of Ragnarok in their attempt to destroy the world.

The Military Orders Volume III Sep 19 2021 In the last twenty years there has been an explosion of scholarly interest in the Military Orders. With a history stretching from the early twelfth century to the present day, they were among the richest and most powerful

orders of the church in medieval Europe. They founded their own states in Prussia and on the Mediterranean islands of Rhodes and Malta. They are of concern to historians of the Church, art and architecture, government, agriculture, estate management, banking, medicine and warfare, and of the expansion of Europe overseas. The conferences on their history, which have been organized in London every four years, have attracted leading scholars from all over the world. The present volume records the proceedings of the Third Conference in 2000 and is essential reading for those interested in the progress of research on these extraordinary institutions. Of the thirty papers published in this collection, two deal with the orders in general, while eighteen concentrate on the Hospital of St John, six on the Temple, and three on the Teutonic Order, together with another on the Order of the Sword Brothers which it absorbed. The preponderance of works on the Hospitallers is perhaps a particular characteristic of this volume, but the fact that most of the papers relate to provincial life, rather than to the headquarters in the east, Prussia, or Malta, accurately reflects modern concerns, as do the contributions on historiography, the papacy, cultural history, and religious life. Examples of new research interests are the paper on bioarchaeology and the two on liturgy.

Black Templars Nov 02 2022 "The Black Templars are the most zealous of all the Space Marine Chapters. To them, the Emperor is a literal deity, and there is no oath they will not swear, vow they will not take, nor bloody act of battlefield worship they will not perform in his name. Successors of the mighty Primarch Rogal Dorn, the Black Templars retain their gene-sire's indomitable spirit and channel it into their ferocious crusades. The warriors of their Fighting Companies storm towards the foe, festooned with crusader oaths and blessed relics, bellowing prayers to the God-Emperor. With miraculous warriors like the Emperor's Champion striding in their midst, and bespoke formations such as their Crusader Squads and Sword Brethren leading their charges, the Black Templars annihilate all in their path. Inside this codex supplement, you'll find 80-pages covering everything you need to continue your eternal quest, plus a hefty selection of lore and art to inspire your own collection."--Publisher's website.

Only the Moon Rages Mar 14 2021 In the remote Pten jungle of Guatemala, famous Dutch archeologist Dr. Jana deVries discovers a strange and powerful glowing artifact. Her associate, Canadian medical archeologist Dr. Greg Fallows, fears she will take sole credit for the find; in a fit of insanity brought on by contact with the relic, he kills her. The move causes Greg's life to implode. The esoteric knowledge he discovered in the relic and killed for once belonged to the medieval Knights Templar. He becomes trapped in a scheme by senior international government officials and business scions very influential people who believe the artifact has the power to change history. Greg's life becomes caught in a modern battle of good versus evil. In addition to government officials, a shadowy terrorist group wants the relic to engineer a coup and seize control of international monetary markets. The roiling conflict makes it increasingly difficult for Greg to separate external reality from his profoundly deteriorating internal world. With circumstances spiraling out of control and the net of justice closing in on him, Greg must choose between the dark or the light if he wants to survive. Full of suspense, *Only the Moon Rages* weaves a spellbinding tale of religious conspiracy and political intrigue.

Thrice-Greatest Hermes [volume 3] Oct 09 2020

Warhammer 40,000 Aug 19 2021 In the nightmare future of the 41st millennium, Mankind teeters upon the brink of extinction. The galaxy-spanning Imperium of Man is beset on all sides by ravaging aliens and threatened from within by malevolent creatures and heretic rebels. Only the strength of the Immortal Emperor of Terra stands between Humanity and its annihilation. Foremost amongst servants of the Imperium stand the Space Marines, mentally and physically engineered to be the supreme fighting force, the ultimate protectors of Mankind. The Black Templars are fearless champions and unforgiving crusaders against the enemies of the Emperor; Forged from the Imperial Fists Space Marines in the aftermath of the Horus Heresy, the Black Templars have undertaken the longest crusade the Imperium has ever known to prove their loyalty. The series centers upon a new recruit to the Black Templars and a member from their elite Sword Brethren squad and, the most venerable of their warriors, the Dreadnaught. From the "Battle of Carrion Gulf" to the "Torment Crusade," we follow these genetically-enhanced super-warriors in their dedicated hunt for the enemies of the Imperium. Warhammer 40,000: Damnation Crusade serves as an accessible opening chapter introducing new and old readers alike to this bloody, dark, ravaged universe of science fiction and fantasy! Gods of War and Ancestors, bless us now, for we go to war...

Excerpts and fragments Dec 11 2020

Crusades Oct 28 2019 Crusades covers the seven hundred years from the First Crusade (1095-1102) to the fall of Malta (1798) and draws together scholars working on theatres of war, their home fronts and settlements from the Baltic to Africa and from Spain to the Near East and on theology, law, literature, art, numismatics and economic, social, political and military history. Routledge publishes this journal for The Society for the Study of the Crusades and the Latin East. Particular attention is given to the publication of historical sources - narrative, homiletic and documentary - but studies and interpretative essays are welcomed too. Crusades also incorporates the Society's Bulletin. The editors are Professor Benjamin Z. Kedar, Hebrew University of Jerusalem, Israel; Professor Jonathan Phillips, Royal Holloway, University of London, UK; Iris Shagrir, The Open University of Israel; and Nikolaos G. Christis, Democritus University of Thrace, Greece.

The Templar Order in North-west Italy Jun 28 2022 Based on extensive archival searches, this book provides the first reconstruction of the Templar presence in North-west Italy giving general insights into the development and organization of the Order in this area and providing an outline of the history of each Templar house.

The Last Judgement Apr 26 2022 The dead are rising. The world hangs in the balance... A man holds a gun to Professor Alex Harker in a Cambridge University lecture room. He wants to know about the mysterious Codex Gigas. But before Harker can learn more the man shoots himself, threatening Harker's girlfriend Chloe as he does so. Soon Harker is deep in a life or death struggle that takes him to Berlin, Italy and France. It seems that, thanks to the Codex, the dead are rising. It can only mean one thing: Judgement Day. Or does it? In a game of crosses and double crosses, Harker doesn't know who or what to believe anymore. Behind the lies, behind the

Vatican, behind the Codex, is the most terrible puppet master of all... A white-knuckle thriller perfect for fans of Dan Brown, Scott Mariani and Chris Kuzneski.

First Templar Nation Jan 30 2020 Overturns the long-established historical narrative about the origins and purpose of the Knights Templar • Explains how and why the Templars created Europe's first nation-state, Portugal, with one of their own as king • Reveals the Portuguese roots of key founding members, their relationship with the Order of Sion, the Templars' devotion to Mary Magdalene and John the Baptist, and the meaning and exact location of the Grail • Provides evidence of Templar holy sites and hidden chambers throughout Portugal • Includes over 700 references, many from new and rare sources Conventional history claims that nine men formed a brotherhood called the Knights Templar in Jerusalem in 1118 to provide protection for pilgrims traveling to the Holy Land. Overturning this long-established historical narrative, Freddy Silva shows that the Order of the Temple existed a decade earlier on the opposite side of Europe, that the protection of pilgrims was entrusted to a separate organization, and that, in league with the Cistercian monks and the equally mysterious Order of Sion, the Templars executed one of history's most daring and covert plans: the creation of Europe's first nation-state, Portugal, with one of their own as king. Including over 700 references, many from new and rare sources, Silva reveals Portugal, not Jerusalem, as the first Templar stronghold. He shows how there were eleven founding members and how the first king of Portugal, a secret Templar, was related to Bernard de Clairvaux, head of the Cistercians. The author explains the

Templars' motivation to create a country far from the grasp of Rome, where they could conduct their living resurrection initiation--whose candidates were declared "risen from the dead"--a secret for which the Church silenced millions and which the Templars protected to the death. Placing the intrepid Knights in a previously unknown time and place, Silva's historical narrative reveals the Portuguese roots of key founding members, their relationship with the Order of Sion, the Templars' unshakeable devotion to Mary Magdalene and John the Baptist, and how they protected a holy bloodline in Portugal. He also provides evidence of secret Templar holy sites, initiation chambers, and hidden passageways throughout Portugal, often coinciding with pagan and Neolithic temples, and explains how their most important site forms a perfect triangle with the Abbey of Mont Sion in Jerusalem and the Osirion temple in Egypt. The author also reappraises the meaning of the Grail and reveals its exact location, hidden in plain sight to this very day.

Thrice-greatest Hermes: Excerpts and fragments Jan 12 2021

Vindeon Jul 06 2020 Vindeon is a brand-new fantasy role-playing game focusing heavily on immersive acting and fast action rules, enabling players to get the most out of their game sessions. The Setting The world is not healed. The elves, dwarves and humans have just begun to recover and rebuild after the devastation wrought by conflict and change. But not all. Some realms fell in the chaos, and now lies in ruins or serve even darker purposes. In this time of instability, you are trying to find your place in the world. There is no telling what fate Vindeon has in store for you or your companions. No telling how small or grand adventure looming just beyond the horizon or behind the next bend of the forest trail. Player - Character You play a character in a darkening, torn world, who embarks on an adventure or campaign, forging your destiny along the way or die trying. The world is unforgiving an often brutal, but it is not yet bereft of love and joy. There will always be hope. Embark on these undertakings as one of the three playable races: humans, dwarves and elves, choose from nine unique human, dwarven or elven cultures and their culture-specific professions, to customize your character to fit your preferred play-style and acting. Or go rogue and create a profession of your own. Fate is in your hands! Welcome to Vindeon

The Lost Templar Oct 01 2022 Lauren Grayson has spent her entire life searching for the truth about unsolved mysteries. But learning the secrets of her past could be dangerous—especially if they erase her future. While working on the season finale of her investigative TV show, *The Veritas Codex*, Lauren returns home to Eastern Oklahoma. She plans to take her growing sons on a safe investigation—hunting for the elusive Skunk Ape. But her investigation encounters bizarre, unexplained twists when her sons find a cave filled with ancient runes. Lauren reads the cryptic words, unintentionally creating a rift in the fabric of time. Lauren and her sons are hurled to a mysterious location where she finds Tsul' Kalu, her Sasquatch spirit guide, and a band of lost Templars. As Lauren's health declines—an effect of temporal displacement—her sons fight to learn the secrets of a sacred treasure the Templars have sworn to protect. But one rogue member of the Templar party has other plans for the treasure and will stop at nothing to prevent Lauren and her friends from discovering it. Can Lauren uncover the secrets that have been withheld her entire life, make peace with the past, get

her family back to the present, and protect their future? Join the quest for The Lost Templar today!

The Latin Church in Cyprus, 1195–1312 Jul 18 2021 This is a study of the first century of the Latin Church on Cyprus, following the island's loss to the Byzantine empire and its conquest by Richard the Lionheart in 1195. It covers both secular and regular clergy, and deals with the complex relations between church and crown, the nobility, and the urban Latin population within the island, as well as its relations with the papacy and the other Latin churches of the East. Not least, it analyses the troubled relations between the Latin and the Orthodox churches. An important feature of the book is the new light thrown on the links between the Church of Cyprus and the Latin patriarchs of Jerusalem and Antioch, and on the expansion of the Latin Church in the East, in the Byzantine territories conquered following the Fourth Crusade. This book is the first in-depth account of the religious history of the Latin kingdom of Cyprus which was the most durable of all the latin states established by the Crusaders in the Eastern Mediterranean.

Red Templar Mar 02 2020 After nearly losing his life in Africa, retired Army Ranger and historian John Holliday is ready for some R&R back in the U.S. But when a disheveled Russian called Genrikhovich intercepts him in the airport, Holliday's homecoming will have to wait. Genrikhovich claims to know of a long-lost sword called Aos-the companion to Holliday's own Templar sword. Holliday quickly finds himself on a flight to Turkey, where he begins following a trail that will lead him to the dark heart of Russia-where the ancient Templar Order has secretly wielded power for centuries...

The Templar Legion Jul 30 2022 Retired Army Ranger Lt. Col. John Holliday is swept into an adventure as deadly as it is secretive when an archaeologist friend makes a bizarre find in Ethiopia. But when he follows a trail of clues through the chaotic and lawless horn of Africa, he finds himself hunted as he comes closer to a priceless treasure that can only be found by those who can solve a riddle from the past.

The A-Z of the Knights Templar Sep 27 2019 The order of the Knights Templar, which existed for about two centuries in the Middle Ages, was created after the First Crusade of 1096 to ensure the safety of European pilgrims to Jerusalem after its conquest. Officially endorsed by the Catholic church in 1129, the order became a favoured charity across Europe, and grew rapidly in membership and power. Templar knights, easily recognisable in their white mantle with a distinct red cross, were some of the best equipped, trained, and disciplined fighting units of the Crusades. When the Holy Land was lost and the Templars suffered crushing defeats, support for the Order faded. Rumours about the Templars' secret initiation ceremony created mistrust, and King Philip IV of France, on 13 October 1307 had many of the order's members in France arrested, tortured into 'confession' and burned at the stake. In 1312, Pope Clement, under continuing pressure from Philip, forcibly disbanded the order. The sudden disappearance of a major part of the European infrastructure gave rise to speculation and legends, which have kept the name 'Templar' alive. This book brings the story into logical focus.

The Knights Templar Apr 02 2020 The beginning of the Templar Order is shrouded in mystery. Little is known about its foundation,

inner workings, or its rapid growth. Such a lack of knowledge can lead to all sorts of speculation and, at times, bizarre theories. This book--the result of a conference on the theme at Emerson College in England--offers new, well-grounded perspectives that utilize both esoteric and exoteric sources. From varying perspectives, the contributors tackle key questions relating to the formation of the Templar Order, as well as its goals and intentions. The authors explore the spiritual and historical background of the Knights Templar, as well as the Order's significance today and its continuing impulse for the future. With its broad scope, this stimulating anthology encourages independent, open-minded enquiry and research. The Knights Templar features contributions from Peter Tradowsky, Gil McHattie, Horst Biehl, Margaret Jonas, Rolf Speckner, Sylvia Francke, Simon Cade-Williams, Jaap van der Haar, Alfred Kon, David Lenker, Peter Snow, Christine Gruwez, Frans Lutters, Walter Johannes Stein, and Siegfried Rudel.

Codex Derynianus Nov 21 2021 An A-to-Z guide to Katherine Kurtz's fictional world offers an encyclopedia to the seventeen-book saga she created, including genealogies, chronologies, and maps--all designed to introduce readers to the complexities of the Deryni universe. Original.

The Templar's Claim Jun 16 2021 For the last seven centuries the Vatican has been at war with an organization known as the Knights Templar. The Templars fled Europe in order to rebuild. They crossed the ocean to America. The Vatican has one mission: to destroy the Templars. The Templars have guarded their secrets and treasure for centuries in order to prevent them from falling into the hands of the Vatican. The Vatican has sent the Knights of Columbus, one of their most deadly orders.

The Proceedings Against the Templars in the British Isles Mar 26 2022 In October 1307 all the brothers of the military religious Order of the Temple in France were arrested on the instructions of King Philip IV and charged with heresy. In November, Pope Clement V instructed King Edward II of England to do likewise. This volume provides the first full edition of the four surviving texts of the trial proceedings that followed in Britain and Ireland; volume 2 supplies the translations into English. The trial of the Templars was the first major heresy trial in the British Isles, and the proceedings reveal the Episcopate's attempts to deal with this unprecedented situation, the varying procedures followed in different countries, and how testimonies were recorded and summarised for the Church Councils which eventually decided the fate of the Order of the Temple. The testimonies given during the trial contain a wealth of information about religious beliefs among the lay population of the British Isles (both the Templars and outsiders who gave evidence during the trial), national and international mobility of lay religious, the social function of the order of the Temple in the British Isles and its relations with society at large, and the organisation and operations of the Order of the Temple at a local, national and international level. Detailed introductions to each volume describe the manuscripts and how the material was compiled and arranged, and discuss the course of the proceedings and the value of the evidence they contain. Appendices in volume 2 (the translation) list the names of all the Templars mentioned during the proceedings, Templar houses and the locations of the proceedings in London.

The Templars and the Shroud of Christ Jan 24 2022 The most powerful military religious order of the Middle Ages and their sacred

treasure. For a certain period in history, the Knights Templar—the most powerful military religious order of the Middle Ages—secretly guarded the Shroud of Turin. Worshipped in a relentlessly secret manner, and known in its intimate nature by only a handful of the order’s officials, the swathe of fabric was kept in the central treasury of the Knights Templar, who were known for their expertise in the field of relics. The precious cloth’s history and whereabouts were known only to the highest dignitaries of the secretive order. In an era of widespread doctrinal confusion in much of the Church, the Templars considered the Shroud to be a powerful antidote against the proliferation of heresies. Easy to read and thoroughly researched, this book tracks the Templars from their inception as warrior-monks protecting religious pilgrims to the later fascination with their secret rituals and incredible wealth, which ultimately led to their dissolution and the seizing of their assets. Following the Shroud’s pathway through the Middle Ages, Vatican historian Barbara Frale has gone back in time, to the dawn of the Christian era, to provide a new perspective on the controversial relic. The author also includes several photos of the Shroud itself that reveal in startling detail a human face, mysterious writing, and marks of a crucifixion that many have claimed identify it as the true burial shroud of Jesus of Nazareth.

Thrice Greatest Hermes Nov 09 2020 Hermes Trisgemistus (thrice greatest), is the legendary teacher at the core of the Hermeticism, which forms the underlying principles of many religions and esoteric disciplines. This text, written by a renowned gnostic scholar, presents pieces from the tradition, with commentaries and notes.

Thrice-greatest Hermes; Studies in Hellenistic Theosophy and Gnosis Feb 10 2021

The Last Secret of the Ark Dec 23 2021 The world’s most sacred and mysterious object and a race for survival... The brilliant new thriller from global bestseller James Becker In Ethiopia, Charles Bronson and Angela Lewis are on the hunt for the Ark of the Covenant. But it looks like their luck is running out. Until, that is, a new avenue springs open in Southern France. Meanwhile the Vatican is getting worried. Their best people are tracking the Ark, but so are a mysterious group operating from Jerusalem. Both are prepared to use deadly force. As the net closes in around the most powerful artefact in history and the greatest mystery, it’s also tightening around Bronson and Lewis. They’ll need all their smarts to escape this time... A deadly cat and mouse game through a world of history and myth, perfect for fans of Dan Brown, Chris Kuzneski and Scott Mariani.
