Sutton: on the ice Dec 23 2021 Sutton I'm a center forward with the Boston Bay Vikings and consider myself to be a private and compassionate man. Although I enjoy a beer with friends and the occasional hookup, I like to be alone. My past isn't one of love or kindness; in fact, it's best left buried. I know I should avoid Hailee, but the harder I try, the more I find myself drawn to her. Hailee I'm a nervous wreck after being kidnapped, shot, and buried alive. Sutton has stood by my side and protected me from the press, which is only interested in getting my story—an exclusive—from me. My father enjoys being in the spotlight and is flying in from New York to make sure I do what I'm told. Before he arrives however, Sutton kidnaps me from the hospital, and this time, I'm a willing participant.

The Girl and the Stars Apr 26 2022 A stunning new epic fantasy series following a young outcast who must fight with everything she has to survive, set in the same world as Red Sister. In the ice, east of the Black Rock, there is a hole into which broken children are thrown. Yaz's people call it the Pit of the Missing and now it is drawing her in as she has always known it would. To resist the cold, to endure the months of night when even the air itself begins to freeze, requires a special breed. Variation is dangerous, difference is fatal. And Yaz is not the same. Yaz's difference tears her from the only life she's ever known, away from her family, from the boy she thought she would spend her days with, and has to carve out a new path for herself in a world whose existence she never suspected. A world full of difference and mystery and danger. Yaz learns that Abeth is older and stranger than she had ever imagined. She learns that her weaknesses are another kind of strength and that the cruel arithmetic of survival that has always governed her people can be challenged.

On the Ice Dec 31 2019 For college sophomore Mitch Greyson, determination and persistence are the name of the game if he wants to make it as a professional hockey player. A busy schedule of practices, games, classes, homework, two part-time jobs--and now, working with a tutor to help him pass the class he's failing so that he can keep his scholarship--shouldn't leave him with enough time to flirt with the NHL player in town. But that doesn't stop him. Placed on the injured reserve list until his broken arm heals, NHL defenseman Alex Dean is using the time off to be with his ailing grandfather and get a head start on the book he's been commissioned to write. He doesn't expect to get roped into a tutoring gig, especially not for cocky, smart-ass Mitch. But Alex soon discovers that there's more to Mitch than meets the eye...and he really likes what he sees. Only Alex doesn't dare risk his NHL career by coming out, and a relationship between them would jeopardize Mitch's chances with the organization too. It looks impossible. Then again, the best things usually do...

***The Ice at the End of the World* Oct 21 2021** A riveting, urgent account of the explorers and scientists racing to understand the rapidly melting ice sheet in Greenland, a dramatic harbinger of climate change “Jon Gertner takes readers to spots few journalists or even explorers have visited. The result is a gripping and important book.”—Elizabeth Kolbert, Pulitzer Prize-winning author of *The Sixth Extinction* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** *The Washington Post* • *The Christian Science Monitor* • *Library Journal* **Greenland: a remote, mysterious island five times the size of California but with a population of just 56,000. The ice sheet that covers it is 700 miles wide and 1,500 miles long, and is composed of nearly three quadrillion tons of ice. For the last 150 years, explorers and scientists have sought to understand Greenland—at first hoping that it would serve as a gateway to the North Pole, and later coming to realize that it contained essential information about our climate. Locked within this vast and frozen white desert are some of the most profound secrets about our planet and its future. Greenland’s ice doesn’t just tell us where we’ve been. More urgently, it tells us where we’re headed. In *The Ice at the End of the World*, Jon Gertner explains how Greenland has evolved from one of earth’s last frontiers to its largest scientific laboratory. The history of Greenland’s ice begins with the explorers who arrived here at the turn of the twentieth century—first on foot, then on skis, then on crude, motorized sleds—and embarked on grueling expeditions that took as long as a year and often ended in frostbitten tragedy. Their original goal was simple: to conquer Greenland’s seemingly infinite interior. Yet their efforts eventually gave way to scientists who built lonely encampments out on the ice and began drilling—one mile, two miles down. Their aim was to pull up ice cores that could reveal the deepest mysteries of earth’s past, going back hundreds of thousands of years. Today, scientists from all over the world are deploying every technological tool available to uncover the secrets of this frozen island before it’s too late. As Greenland’s ice melts and runs off into the sea, it not only threatens to affect hundreds of millions of people who live in coastal areas. It will also have drastic effects on ocean currents, weather systems, economies, and migration patterns. Gertner chronicles the unfathomable hardships, amazing discoveries, and scientific achievements of the Arctic’s explorers and researchers with a transporting, deeply intelligent style—and a keen sense of what this work means for the rest of us. The melting ice sheet in Greenland is, in a way, an analog for time. It contains the past. It reflects the present. It can also tell us how much time we might have left.**

***Two Against the Ice* Mar 26 2022** A classic tale of survival by an important figure in the history of Arctic exploration, this is the autobiography of a man who devoted his life to the Arctic. A veteran explorer, in 1910 he embarked upon an expedition with his friend Iver Iversen, in search of the diaries of the tragic Mylius and Erichsen expedition. For three years they suffered every calamity known to man, including starvation, frostbite, snow blindness, bear attacks and apocalyptic storms, with no hope of rescue. Yet they retained their sanity and humour by refusing to become as desolate as their surroundings.

***Girl in Ice* Nov 02 2022** "From the author of *The River at Night* and *Into the Jungle* comes a harrowing new thriller as a linguist, broken-hearted after the apparent suicide of her glaciologist brother, ventures hundreds of miles north of the Arctic Circle to try to communicate with a young girl who has thawed from the ice alive"--

***Scoring Off The Ice* May 28 2022** Sometimes scoring off the ice leads to the greatest rewards. I’ve had only one goal in life since I first strapped on a pair of skates—make America’s pro hockey league. I left Denmark. I made it to the top. Now, I’m determined to be the best. No distractions. I eat, sleep, and breathe hockey. Until my birthday when my teammates convince me to live a little. But living a little takes on a whole new meaning when less than a year later I’m confronted with a crying baby on my doorstep, drooling on a note that declares he’s mine. Suddenly, I’m a single dad in way over my head. There is no playbook for situations like this. Luckily, I have Paisley. My gorgeous neighbor, my long-time crush, and now—my savior. She’s there any time I need her. Helping. Guiding. Gazing at me with those green eyes that make me feel capable of this after all. With her at my side, I’m quickly learning there’s more to life than winning a hockey game.

***Open Ice Hit* Jun 16 2021** Vicki and Tommy aren't just enemies on the ice—they're explosive off it too...in more ways than one. Noah Viklund doesn't play hockey in order to make friends. That's not what the game means to him. And he especially can't stand the Sea Dog's new rookie, Tommy Tremblay. After all, Tommy's the sort of player that gets under Vicki's skin. He's reckless. He's wild. And he won't take anything seriously. But when a chance meeting during the offseason shows Vicki what a good boy Tommy can be for him, it becomes increasingly difficult to keep seeing him as the bad guy. After all, how can he hate the only man who has ever made him feel worthy? Tommy is tired of Vicki's stuck-up, holier-

than-thou attitude. He's fought hard to get where he is, and he's not going to let some tightly wound guy make him feel like he doesn't deserve his hard-won success. So, he can't explain why they keep falling into bed together, or why he's starting to fall for the man he's supposed to hate. They both know this shouldn't work, but the more they try to push each other away, the more their souls seem to connect. The question is, will they find a way for their hearts to be vulnerable and let love in? Open Ice Hit is a steamy MM romance set between the fictional NHL teams of the Brooklyn Phantoms and the Queens Sea Dogs. It contains hate that might not quite be hate, team as found family, sick goals from soft hands, some really stinky marine animals, praise kink a mile wide, and an unexpected journey that might just be worth taking.

The Ice Swan Jul 06 2020 Amid the violent last days of the glittering Russian monarchy, a princess on the run finds her heart where she least expects it. 1917, Petrograd. Fleeing the murderous flames of the Russian Revolution, Princess Svetlana Dalsky hopes to find safety in Paris with her mother and sister. But the city is buckling under the weight of the Great War, and the Bolsheviks will not rest until they have erased every Russian aristocrat from memory. Svetlana and her family are forced into hiding in Paris's underbelly, with little to their name but the jewels they sewed into their corsets before their terrifying escape. Born the second son of a Scottish duke, the only title Wynn MacCallan cares for is that of surgeon. Putting his talents with a scalpel to good use in the hospitals in Paris, Wynn pushes the boundaries of medical science to give his patients the best care possible. After treating Svetlana for a minor injury, he is pulled into a world of decaying imperial glitter. Intrigued by this mysterious, cold, and beautiful woman, Wynn follows Svetlana to an underground Russian club where drink, dance, and questionable dealings collide on bubbles of vodka. Out of money and options, Svetlana agrees to a marriage of convenience with the handsome and brilliant Wynn, who will protect her and pay off her family's debts. It's the right thing for a good man to do, but Wynn cannot help hoping the marriage will turn into one of true affection. When Wynn's life takes an unexpected turn, so does Svetlana's—and soon Paris becomes as dangerous as Petrograd. And as the Bolsheviks chase them to Scotland, Wynn and Svetlana begin to wonder if they will ever be able to outrun the love they are beginning to feel for one another. "The Ice Swan is a ray of light in the middle of a Europe that was sinking into darkness. Ciesielski's talent for storytelling from the heart is a feast for the readers' eyes." —Mario Escobar, international bestselling author of Remember Me and Children of the Stars Adventurous World War I historical romance For fans of Kate Quinn, Beatriz Williams, and Aimie K. Runyan Full-length, stand-alone novel (approx. 120,000 words) Includes discussion questions for book clubs

The Girl in the Ice Nov 21 2021 Her eyes are wide open. Her lips parted as if to speak. Her dead body frozen in the ice . . . She is not the only one. When a young boy discovers the body of a woman beneath a thick sheet of ice in a South London park, Detective Erika Foster is called in to lead the murder investigation. The victim, a beautiful young socialite, appeared to have the perfect life. Yet when Erika begins to dig deeper, she starts to connect the dots between the murder and the killings of three prostitutes, all found strangled, hands bound and dumped in water around London. What dark secrets is the girl in the ice hiding? As Erika inches closer to uncovering the truth, the killer is closing in on Erika. The last investigation Erika led went badly wrong . . . resulting in the death of her husband. With her career hanging by a thread, Erika must now battle her own personal demons as well as a killer more deadly than any she's faced before. But will she get to him before he strikes again?

The Ice Storm Jul 18 2021 The national bestseller and basis for the Ang Lee film is a "powerful" novel of two troubled families during a blizzard in 1970s suburban Connecticut (Newsday). A potentially devastating blizzard approaches New Canaan, Connecticut, while internal forces of desire, frustration, and ennui threaten to tear apart two quintessentially affluent, suburban families. Elena Hood rightfully suspects her husband, Benjamin, is having an affair with neighbor Janey Williams, while Benjamin resents Elena and his mounting feelings of ineptitude. As the snow begins to fall, Benjamin and Elena, as well as Janey and her husband, attend a neighborhood "key party," where they and other respectable suburbanites agree to go home with whomever's keys they draw from a bowl. Meanwhile, the Hoods' and Williams's teenage children are caught up in their own experimentations with sex and drugs as they test the boundaries of their structured upbringing. With author Rick Moody's sharp eye for the nuances of suburban life and allusions to 1970s America from Watergate to the Fantastic Four, the novel's landscape is vivid and immersive. This timeless, unforgettable novel is a compassionate portrayal of flawed characters and reflects Rick Moody's sharp eye for the contradictions of suburban life. This ebook features an illustrated biography of Rick Moody including rare images from the author's personal

collection.

If he succeeds, he’ll walk away with everything. If he fails, the United States and its allies will be at the mercy of one of the world’s most dangerous actors.

Ice Genesis Sep 27 2019 The Americans and Russians are racing toward nuclear confrontation over a mind-blowing find under the ice in Antarctica. The American Executive Branch is in meltdown over the President’s order to detonate a highly classified Iso-Hafnium nuclear device in Antarctica, killing a platoon of Navy SEALs and the same number of Russian Special Operation, Spetnaz. Dr. Leah Andrews and Jack Hobson, having escaped the President’s plan to eliminate them, have the upper hand, thanks to a nuclear device hidden in the New Mexico desert. This leverage will only last so long, and the key to unlocking the mystery lies with twenty-eight Native American cliff dwellers, who survived more than eight-hundred years, under the ICE in stasis. While Leah tries to untangle the mysteries of the ‘Ancients,’ Jack Hobson is trying to protect Leah, and the Ancients, while finding himself drawn into another mystery; is there more of these high technology caches? If so, how will they secure them before other interested parties, including the Russians, locate them? The key to the mystery, as Leah learns, is one of the Ancients. A Lakota Shaman, named Appanoose. He has no interest in cooperating with Leah, just as she learns stunning new facts about the Ancients and what happened to them more than eight-hundred years ago. Leah and Jack find themselves the targets of not only the US government but foreign powers and even the Ancients themselves, in the thrilling follow-up to ICE

Camden Jun 28 2022 Boston Bay Vikings: hot enough to melt the ice. Camden I grew up with only one dream—to become a professional hockey player. My dream came true and now I was a winger for the Boston Bay Vikings. I never gave much thought to having that ‘special’ someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team’s shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned out I’d found my way into the shower room of the Boston Bay Vikings—I’d never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn’t want to leave his side, but I’d learned the hard way that anything good never lasted. Meet Camden Edwards and Molly Lewis in the first book of a new series by NYT and USA Today bestselling author, Lexi Buchanan.

Ethan: on the ice Mar 02 2020 Boston Bay Vikings: hot enough to melt the ice. Ethan I’m a 32-year-old defenseman for the Boston Bay Vikings ice hockey team, and I have no right to look at the boss’s daughter the way I do. Riley Peters is a lovely 18-year-old with a bright future ahead of her, but for some reason, she has decided that future includes me. I’ve kept her at arm’s length for the past twelve months. Unless you count the two occasions when I got between her and her dates. Or the time she decided it would be a good idea to call me while drunk and say the filthiest things that I still can’t get out of my head. Then she came to Vegas with her father for a game, and things became even more complicated. Riley After one of our arguments, my father often mutters to himself, “Stubborn as a mule.” What he doesn’t realize is that I’m just as obstinate as he is. When I want something, I go after it with zeal and

determination. Unfortunately, what I want, or rather, who I want, will not cooperate. I fell hook, line, and sinker for a sexy hockey player who pretends not to be interested. I'm well aware of how intrigued he is, especially after what happened in Vegas. Ethan believes that what happened in Vegas should remain in Vegas, but I have a very different opinion, and Ethan Lewis is about to find that out! Meet Ethan Lewis and Riley Peters in the third book of the Boston Bay Vikings series by NYT and USA Today bestselling author, Lexi Buchanan.

Ice Revelation Jul 30 2022 Leah Andrews is on the Antarctic Continent, her single-minded goal, return the Ancients to their destiny while at the same time, hoping that will stop the increasingly powerful and destructive Anomaly, that threatens a planet-wide extinction event should it continue to widen its grasp. She is far from the only interested party in finding the source of the extraterrestrial Anomaly. The Russians and the American military are desperate to reach 'Complex 2' and harvest the bounty of hyper-technology, then destroy the alien Anomaly. Jack Hobson is trapped in the USA, with no way to reach Antarctica through traditional means. He must formulate an audacious plan risking his life and those of the Globemaster pilots, Major Janie West and Captain Charlotte Ross. The Russians, the Americans, Leah Andrews, and the Ancients begin to converge on the bottom of the world, in the thrilling ending to the ICE Trilogy!

Ice Baron Apr 02 2020 Former Kazakhstan, year 3145 A.D. 1,000 years ago, nuclear war destroyed the face of the earth. Now the earth is frozen in a permanent ice age. Anya's icy world is about to heat up... Anya has loved Joshua for years. Unfortunately, he's her protector, and became baron of Donetsk Territory when her father was murdered. According to the Old Barons' Law, a romantic relationship between them is forbidden. However, breaking the law will probably never become an issue, for Joshua is determined to negotiate peace with their mortal enemy, Onred. Joshua presents Anya with a choice--marry the Altai baron in order to ensure peace for their territory, or else her people will continue to die in the bloody war. Joshua must get Anya out of his territory before he does the unthinkable and breaks the protector's sacred trust. When Onred proposes an end to centuries of brutal war, Joshua accepts the bargain. Bound by duty and honor to protect his citizens, and fulfill his sworn vows to Anya's dead father, he will do what is right, no matter the cost to himself. Should Anya accept her fate? Can Onred be trusted? Or is he a madman, who will drive their world to the brink of destruction? Excerpt: Pitch black had settled in outside. With it, a deep, biting cold swirled into the cave. She really should put out the fire. But it was so warm and friendly. And Anya felt so alone. Put it out. It was time to get going. Although the cave entrance was partially blocked, someone at the perfect angle might see the light. Maybe that one, last, persistent pilot--although she hadn't heard the craft since noon. He must have given up, too. For now. Unfolding her trowel, Anya chipped up a mound of frozen ice and mud and cast it onto the fire. It flickered, but didn't go out. "Don't put it out on my account." The low, rough voice made her gasp, and she whipped out her laser. Joshua. He seemed to fill the entrance. The elite, cream military parka made his shoulders seem wider, his body more solid and forbidding. "You." Hands trembling, she lowered the weapon. "Of course it's me. I'm your protector. Who did you think would come for you?" Palpable fury simmered in him, deep and hot, yet tightly leashed, as were every one of his emotions, always. In the past, she had wished that just once she could break through the impenetrable shell he enclosed around himself. Just once, she'd like to see him snap, to glimpse the true man underneath all the medals and the power that fit him like a glove. To especially see beyond the shiny honor of hero worship with which she'd clothed him when they had first met. She had always wanted to please him. No more.

Bryson: on the ice Jan 30 2020 Bryson Girls have thrown themselves at me before—I'm not interested in them. But there is one woman I wish would throw herself at me. She's stunning and has my blood racing through my veins. She knows it too. My niece's teacher, Ms. Emery Griffin, makes it her mission to ignore me. Even though I'm juggling my current life—my sister and niece, my career as a defenseman for the Boston Bay Vikings, and my brain has been working overtime trying to come up with a plan to keep my friend and teammate in the States—I want the sexy teacher in ways she's unaware of. Emery Bryson Maverick is a handsome man with a fan base the size of Boston. I labeled him as a player, but I was

mistaken. I'll admit it. The man is much more than I expected, and he is a threat to my heart. The easy part is letting him in, but what should a girl do when he wants to keep me out? Then there is Robbie Fields, my troubled student who elicits all my protective instincts. With Bryson's help, we make a shocking discovery that has ramifications for Bryson's friend and teammate, Ivan Pavlov. Meet Bryson Maverick and Emery Griffin in the sixth book of the Boston Bay Vikings series by NYT and USA Today bestselling author, Lexi Buchanan.

Ashes and Ice Jun 24 2019 Karen and Grace follow God's promises of a new life in Alaska, yet the trials of this fierce land cause them to question His leading. Original.

Against the Ice Oct 01 2022 Now a major Netflix film co-written by and starring Nikolaj Coster-Waldau (Game of Thrones) The harrowing, amazing, and often amusing personal account of two mismatched Arctic explorers who banded together to keep themselves sane on an historic expedition gone horribly wrong Einar Mikkelsen was devoted to Arctic exploration. In 1910 he decided to search for the diaries of the ill-fated Mylius-Erichsen expedition, which had set out to prove that Robert Peary's outline of the East Greenland coast was a myth, erroneous and presumably self-serving. Iver Iversen was a mechanic who joined Mikkelsen in Iceland when the expedition's boat needed repair. Several months later, Mikkelsen and Iversen embarked on an incredible journey during which they would suffer every imaginable Arctic travail: implacable cold, scurvy, starvation, frostbite, snow blindness, plunges into icy seawater, impossible sledding conditions, Vitamin A poisoning, debilitated dogs, apocalyptic storms, gaping crevasses, and assorted mortifications of the flesh. Mikkelsen's diary was even eaten by a bear. Three years of this, coupled with seemingly no hope of rescue, would drive most crazy, yet the two retained both their sanity as well as their humor. Indeed, what may have saved them was their refusal to become as desolate as their surroundings... Nikolaj Coster-Waldau, who co-adapted the book into a screenplay, provides a new foreword to this brand-new edition of the classic exploration memoir, which was one of The Explorer's Club's 100 Best Books of the 20th Century. Originally published as Two Against the Ice: A Classic Arctic Survival Story and a Remarkable Account of Companionship in the Face of Adversity. Translated from the Danish by Maurice Michael.

In the Kingdom of Ice Aug 19 2021 NATIONAL BESTSELLER • A white-knuckle tale of polar exploration and heroism in the Gilded Age from the New York Times bestselling author of Ghost Soldiers. • “A splendid book in every way...a marvelous nonfiction thriller.” —The Wall Street Journal On July 8, 1879, Captain George Washington De Long and his team of thirty-two men set sail from San Francisco on the USS Jeannette. Heading deep into uncharted Arctic waters, they carried the aspirations of a young country burning to be the first nation to reach the North Pole. Two years into the harrowing voyage, the Jeannette's hull was breached by an impassable stretch of pack ice, forcing the crew to abandon ship amid torrents of rushing water. Hours later, the ship had sunk below the surface, marooning the men a thousand miles north of Siberia, where they faced a terrifying march with minimal supplies across the endless ice pack. Enduring everything from snow blindness and polar bears to ferocious storms and labyrinths of ice, the crew battled madness and starvation as they struggled desperately to survive. With thrilling twists and turns, *In the Kingdom of Ice* is a spellbinding tale of heroism and determination in the most brutal place on Earth.

The Ice Killer Oct 09 2020 Winter is coming, and DI Barton is facing the toughest case of his career...Ellen Toole's therapist told her to forget the past, but with her family story shrouded in secrecy, that's easier said than done. The approaching long nights of winter loom threateningly in front of her, and with her mother on her death bed, Ellen has never felt more alone. When it becomes clear that her mother has kept secrets about a history darker than Ellen ever imagined, Ellen must find answers about the past if she has any hope for a future. DI Barton and his team are still recovering from a particularly tough and grisly case, so a report of a kidnapping, followed by the discovery of two dead bodies, is the last thing they need. There's a murderer on the loose, and the killer needs to be stopped before they strike again. This winter, there will be vengeance on Ellen's mind, and DI Barton will struggle with his hardest case to date. How can Barton find the truth, when all the victims and witnesses are dead? Ross Greenwood writes gritty, heart-pounding thrillers, with twists aplenty, and unforgettable endings. Perfect for fans of Mark Billingham and Stuart MacBride. Praise for Ross Greenwood: 'Move over Rebus and Morse; a new entry has joined the list of great crime investigators in the form of Detective Inspector John Barton. A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist.' author Richard Burke 'Master of the psychological thriller genre Ross Greenwood once again proves his talent for creating engrossing and gritty novels that draw you right in and won't let go until you've reached the shocking ending.' Caroline Vincent at Bitsaboutbooks blog 'Ross Greenwood doesn't write clichés. What he has written here is a fast-paced, action-filled puzzle with believable characters that's spiced with a lot of humour.' author Kath Middleton

The Dark Beneath the Ice Jun 04 2020 Black Swan meets Paranormal Activity in this compelling ghost story about a former dancer whose grip on reality slips when she begins to think a dark entity is stalking her. Something is wrong with Marianne. It's not just that her parents have finally split up. Or that life hasn't been the same since she quit dancing. Or even that her mother has checked herself into the

hospital. She's losing time. Doing things she would never do. And objects around her seem to break whenever she comes close. Something is after her. And the only one who seems to believe her is the daughter of a local psychic. But their first attempt at an exorcism calls down the full force of the thing's rage. It demands Marianne give back what she stole. Whatever is haunting her, it wants everything she has—everything it's convinced she stole. Marianne must uncover the truth that lies beneath it all before the nightmare can take what it thinks it's owed, leaving Marianne trapped in the darkness of the other side.

The Girl and the Moon Aug 31 2022 In the third exhilarating novel in this dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive. Ice triber Yaz has completed a perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing, buried beneath the emperor's palace. Everyone wants Yaz to be the key that will open the Ark – the one the wise have sought for generations. But sometimes wanting isn't enough.

The Ice Coven Jan 24 2022 Investigator Jessica Niemi is in a race against time to find the link between a body with strange markings that has washed up on a frigid shore in Finland and two baffling disappearances in this terrifying new novel from the New York Times bestselling author of The Witch Hunter. Six months have passed since Jessica's encounter with the mysterious serial-killing coven of witches and the death of her mentor. Her nightmares about her mother and the witchcraft that undid her have only gotten worse, but she's doing what she can to stay focused. Her homicide squad, now under new leadership, has been given a murder case and a new series of disappearances to investigate. A young woman's corpse has washed up on an icy beach, and two famous Instagram influencers have gone missing at the same time. The missing influencers and the murdered woman all have ties to a sinister cult. Jessica finds an eerie painting—of a lighthouse on a remote island—as she investigates, and under the picture is a gruesome poem detailing a murder. The nightmares about her mother suddenly seem all too real, making Jessica wonder if the dead woman might be trying to tell her something about the killings. And as Jessica works frantically to solve her latest case, her horrific past comes roaring back and threatens to destroy her.

I finally get to touch her and love her in all the ways I've been dying to show her. For one weekend only, she's mine, even if she thinks it's fake. Pretending to love her is easy. I want her to be mine forever. Getting Jillian to admit it's what she wants too, is another thing. On or off the ice, I have no problems fighting dirty to get what I want. But this is one fight I might just lose.

Fire & Ice May 16 2021 Will the heat building between a disgraced reporter and a rising curling star melt the already thin ice they each are on? Max Lauren made a mistake that shattered her pride, her heart, and her career in one fell swoop. Relegated to covering the lowly game of curling, she already resents the so-called "sport," and then she steps onto the ice, where things get infinitely worse. She's been knocked down before, and she's always gotten back up, but a frosty resolve goes only so far in a world of people who thrive on ice. Callie Mulligan is the amiable skipper of America's second-place curling team. Upbeat, optimistic, and with a fiery passion for an icy sport, she has both the mental and physical skills to become Team USA's top contender. What she doesn't have is the fame or the funding. Coverage from a journalist of Max's caliber could be the answer to both problems if only Max wasn't so cold to the idea. As Callie tries to warm her to the sport, a little bit of heat grows into a fire neither of them can contain. Passion, competition, ambition, redemption, and raw need collide as the bright lights of success and celebrity grow hotter, but can the fire between Max and Callie be sustained when it's put on ice?

Frozen In Ice Feb 10 2021 Is he a drop dead gorgeous...killer? Delilah "Lila" Darrow doesn't belong in the world of the rich and famous, but for one night, she's going to wear the fanciest dress she can find and pretend that she does. Her plan—get close to reclusive billionaire Archer Radcliffe and find out...is he a murderer? She knows exactly what Archer likes. She knows how to slip beneath his guard. She knows how to make him fall for her. With the right tools, Delilah believes she can finally make Archer pay for the crime he committed so long ago. Payback is calling...and she's wearing a dress made for sin. Delilah is part of a group of crime solvers called the Ice Breakers—an online team made up of individuals who have the goal of solving cold cases. Five years ago, Delilah's sister disappeared without a trace. Since then, Delilah has made it her mission to close as many unsolved cases as possible. Archer Radcliffe will be the latest target in her quest. Except...Archer turns the tables on her. He sees through her lies. Tries to seduce her. And, he also swears his innocence. Can she trust him? Or is he playing her? Now that he has Delilah at his side, Archer can finally get the justice—the vengeance—he has craved. The only problem? The beautiful Delilah will be in danger. But Archer intends to stick close to her. So close that the world will believe they are completely in love. So close that a deadly enemy will want to strike. So close that just maybe—if he's not careful—Archer might begin to fall for the woman he intends to use... Author's note: Archer is rich, powerful, and definitely not a man you want as an enemy. Desire can be deadly, and revenge is always best served ice cold. Looking for danger, suspense, scorching scenes, and maybe even a few cold chills? FROZEN IN ICE has you covered.

Hooked On Her Nov 09 2020 Tessa Chauncy is the best kind of trouble. Beautiful, sweet and completely off limits. I've sat by and watched other men drool after her and forced myself to stay in check. Hey, I'm in the NHL... I have self-control in spades. Except when it comes to her. With the bat of her lashes and quick whip of that sharply pointed tongue Tessa can knock grown men to their knees. I've seen them wither and crumble under her confident stare— something I'm pretty sure she learned from sparring with me, thankyouverymuch. But I'm not just falling for her. I'm down for the count. She's the girl I wanted, when wanting her was wrong. She's also my new roommate-- And oh yeah, my best friend's little sister. Heaven help me, I'm probably going to get his fist to my face or his hockey stick shoved in very dangerous places for what I'm about to do, but I don't think I care anymore. I'm in love with my best friend's little sister....and I'm done waiting.
