Medieval Bruges Dec 11 2020 Bruges was undoubtedly one of the most important cities in medieval Europe. Bringing together specialists from both archaeology and history, this 'total' history presents an integrated view of the city's history from its very beginnings, tracing its astonishing expansion through to its subsequent decline in the sixteenth century. The authors' analysis of its commercial growth, industrial production, socio-political changes, and cultural creativity is grounded in an understanding of the city's structure, its landscape and its built environment. More than just a biography of a city, this book places Bruges within a wider network of urban and rural development and its history in a comparative framework, thereby offering new insights into the nature of a metropolis.

Wishing Day Apr 14 2021 From beloved and bestselling author Lauren Myracle comes the first book in an enchanting trilogy about three sisters, the magic of traditions, and the extraordinary power of hope. This heartwarming, timeless story is perfect for fans of Rebecca Stead and Ingrid Law. On the third night of the third month after a girl's thirteenth birthday, every girl in the town of Willow Hill makes three wishes. The first wish is an impossible wish. The second is a wish she can make come true herself. And the third is the deepest wish of her secret heart. Natasha is the oldest child in a family steeped in magic, though she's not sure she believes in it. She's full to bursting with wishes, however. She misses her mother, who disappeared nearly eight long years ago. She has a crush on one of the cutest boys in her class, and she thinks maybe it would be nice if her very first kiss came from him. And amid the chaos of a house full of sisters, aunts, and a father lost in grief, she aches to simply be . . .

. noticed. So Natasha goes to the willow tree at the top of the hill on her Wishing Day, and she makes three wishes. What unfolds is beyond anything she could have imagined.

The Red Blazer Girls: The Ring of Rocamadour Oct 01 2022 The perfect series for kids who loved THE LEMONADE WAR series and are ready for more mysteries! Edgar Award Nominee for Best Mystery! "With wit, cunning, snappy dialogue and superior math skills, The Red Blazer Girls represent the best of girl-detectives while still feeling relatable and real. Nancy Drew would be right at home with this group." -- Huffington Post's 15 Greatest Kid Detectives List It all began with *The Scream*. And ended with . . . well, if we told you that, it wouldn't be a mystery! But in between *The Scream* and *The Very Surprising Ending*, three friends find themselves on a scavenger hunt set up for a girl they never met, in search of a legendary ring reputed to grant wishes. Are these sleuths in school uniforms modern-day equivalents of Nancy, Harriet, or Scooby? Not really, they're just three nice girls who decide to help out a weird lady, and end up hiding under tables, tackling word puzzles and geometry equations, and searching rather moldy storage rooms for "the stuff that dreams are made of" (that's from an old detective movie). Oh, and there's A Boy, who complicates things. As boys often do. Intrigued? The Red Blazer Girls offers a fun, twisty adventure for those who love mystery, math (c'mon, admit it!), and a modest measure of mayhem. Michael Beil, a New York City high school English teacher and life-long mystery fan, delivers a middle-grade caper that's perfect for middle-grade readers who have finished THE LEMONADE WAR series and are ready for more advanced mysteries!

Into the Lion's Den Nov 21 2021 Watch out, Nancy Drew Move over, Theo Boone Devlin Quick is smart, strong, and she will DEFINITELY close the case in this thrilling new mystery series for girls and boys from New York Times bestselling author Linda Fairstein. Someone has stolen a page from a rare book in the New York Public Library. At least, that's what Devlin's friend Liza thinks she's seen, but she can't be sure. Any other kid might not see a crime here, but Devlin Quick is courageous and confident, and she knows she has to bring this man to justice--even if it means breathlessly racing around the city to collect evidence. But who is this thief? And what could the page--an old map--possibly lead to? With her wits, persistence, and the help of New York City's finest (and, okay, a little bit of help from her police commissioner mother, too), Dev and her friends piece the clues together to uncover a mystery that's bigger than anyone expected--and more fun, too. With all of the heart-pounding excitement that made her internationally bestselling Alexandra Cooper series a hit, Linda Fairstein paves the way for another unstoppable heroine . . . even if she is only twelve.

The Hunt for the Seventh Mar 02 2020 Jim moves to ancient Minerva Hall and encounters the ghosts of six children. They urge him to find the seventh child and leave him cryptic clues that point to a dark, ancient prophecy that only Jim can stop from being fulfilled. Jim turns to Einstein, a brilliant autistic boy who lives at the Hall. If anyone can help Jim, Einstein can. But the boy, who speaks in riddles, proves to be as mysterious as the dead children. Time is running out; if Jim doesn't figure out the clues, innocent people will die. Christine Morton-Shaw has linked ancient rites with modern mystery to create a chilling, suspenseful tale that will keep readers guessing to the very end.

The Secret Cellar Apr 26 2022 When Sophie finds a secret message in the antique fountain pen she bought for her father, she and her friends become involved in a treasure hunt devised by the pen's previous owner, whose house is full of puzzles that protect a hidden treasure.

Masterpiece Feb 10 2021 Marvin lives with his family under the kitchen sink in the Pompadays' apartment. He is very much a beetle. James Pompaday lives with his family in New York City. He is very much an eleven-year-old boy. After James gets a pen-and-ink set for his birthday, Marvin surprises him by creating an elaborate miniature drawing. James gets all the credit for the picture and before these unlikely friends know it they are caught up in a staged art heist at the Metropolitan Museum of Art that could help recover a famous drawing by Albrecht Dürer. But James can't go through with the plan without Marvin's help. And that's where things get really complicated (and interesting!). This fast-paced mystery will have young readers on the edge

of their seats as they root for boy and beetle. In Shakespeare's *Secret Elise Broach* showed her keen ability to weave storytelling with history and suspense, and *Masterpiece* is yet another example of her talent. This time around it's an irresistible miniature world, fascinating art history, all wrapped up in a special friendship—something for everyone to enjoy. *Masterpiece* is a 2009 Bank Street - Best Children's Book of the Year.

Renegotiating French Identity Oct 09 2020 In *Renegotiating French Identity*, Jane Fulcher addresses the question of cultural resistance to the German occupation and Vichy regime during the Second World War. Nazi Germany famously stressed music as a marker of national identity and cultural achievement, but so too did Vichy. From the opera to the symphony, music did not only serve the interests of Vichy and German propaganda: it also helped to reveal the motives behind them, and to awaken resistance among those growing disillusioned by the regime. Using unexplored Resistance documents, from both the clandestine press and the French National Archives, Fulcher looks at the responses of specific artists and their means of resistance, addressing in turn Pierre Schaeffer, Arthur Honegger, Francis Poulenc, and Olivier Messiaen, among others. This book investigates the role that music played in fostering a profound awareness of the cultural and political differences between conflicting French ideological positions, as criticism of Vichy and its policies mounted.

From the Mixed-Up Files of Mrs. Basil E. Frankweiler Jun 04 2020 Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort—she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

Voices of the Ritual Aug 26 2019 "Voices of the Ritual analyzes the revival of and manifestation of rituals at female saint shrines in the Holy Land. The book's central claim is that, in the Middle East, a turbulent, often violent political context, states tend to have no clear physical borders, and lands are constantly at stake. In this context, deprived ethno-religious groups with no voice in the political, cultural, media, and legal arenas look for alternative venues to voice their entitlements. Through the book I argue that in Israel/Palestine, religious minorities (Jewish, Christian, Muslim, Druze, and others) employ rituals in various sacred places, especially female saints' shrines, to claim their belonging to and appropriation of territory. At the heart of this book is the question: What does this female ritualistic revival mean—politically, culturally, and spatially? To answer this question, I base my analysis on a long ethnographic study (2003-2017) that analyzes the rise of female sacred shrines, focusing on four dimensions of the ritual: the body in motion, female materiality, place, and the rituals encrypted in the Israel/Palestine landscape. The book sets out to examine the popularity of body rituals in sacred places, and the female themes that stem from these rituals. I show that, in the practices at these shrines, mostly canonical, the idea of the "body in motion" is central, with rituals imitating birth and the cycle of life using a set of body gestures. These mimetic rituals, performed by men and women, are intimate forces that extend between the female saint and the worshippers. Female materiality strengthens intimacy and creates a bridge between the experience and the material. Minority groups in these venues, Jews and Christians, use these sacred shrines, their female contents and intimate bodily ritualistic experience, to stake a claim to and appropriate the land. The intimacy between saint and worshipper (females and males each in their own modes) created with the body that imitates the cycle of life, and the female material scattered around, are keys to intimate claims to the land, making the land familiar to worshippers. Rituals encrypt female themes into the landscape, a dynamic that is taking place in a zone that has for decades been dominated by violent, masculine-disseminated war and conflict"--

Newbery Medal Winners Three-Book Collection Mar 14 2021 Three Newbery Medal winners—Christopher Paul Curtis's *Bud, Not Buddy*, Clare Vanderpool's *Moon Over Manifest*, and Rebecca Stead's *When You Reach Me*—come together in this collection that's perfect for catching up on old favorites and discovering new ones. Whether you're looking for an escape or eager to catch up on some summer reading, the three award-winning titles in this collection will stay with you. Titles featured include: · *Bud, Not Buddy*: It's 1936, in Flint, Michigan, and a motherless boy named Bud decides to hit the road to find his father in this Newbery Medal and Coretta Scott King Award-winning classic from Christopher Paul Curtis, author of *The Watsons Go To Birmingham*—1963. · *Moon Over Manifest*: Armed only with a few possessions, Abilene Tucker jumps off the train in Manifest, Kansas, aiming to learn about the boy her father once was. What she discovers sends her and some new friends on an honest-to-goodness spy hunt. · *When You Reach Me*: Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes that seem to predict the future. If that's the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Turn to this three-book collection for the classics you remember and the stories you'll never forget.

The Lost Children Feb 22 2022 Twelve-year-old Josephine Russing lives alone with her father. Mr. Russing is a distant, cold man best known for his insistence that every member of their town wear gloves at all times, just as he does—even at home—and just as he forces his daughter to do as well. Then one day Josephine meets a boy named Fergus. But when she tries to follow him, he mysteriously disappears and Josephine finds herself in another world called Gulm. Gulm is ruled by the "Master," a terrifying villain who has taken all the children of Gulm. With Fergus by her side, and joined by Fergus's friend Ida, Josephine must try to find her way home. As the trio attempt to evade the Master, they encounter numerous adventures and discover the surprising truth about the land of Gulm, and Josephine's own life back home.

The Juvie Three Sep 19 2021 Gecko doesn't want to go back to Juvenile Detention, but trouble somehow always finds him... Graham "Gecko" Fosse drove the getaway car for a robbery he didn't even know was going down. But that doesn't keep him out of Juvie — the worst place he has ever been. It's a place where its inmates, some convicted teenage killers, could easily write an encyclopedia on how to inflict pain. Thankfully, do-gooder Douglas Healy shows up, giving Gecko a chance to swap the slammer for a halfway house lived in by two other young criminals. There are just three crucial conditions — the three boys must stay in school and out of trouble, all while staying on Social Services' good side. Or else it's back to Juvie for all of them. But Terence seems bent on getting himself into trouble — the boys catch him sneaking down the fire escape, off to pull another heist. If only their fight hadn't gotten physical and Healy hadn't wound up in the hospital with amnesia. If only Gecko wasn't falling for a girl whose dad's best friend was the Deputy Police chief. And that's just the beginning of their problems. One thing's for certain: if the boys are found out, their second chance will be their last...

Encyclopedia of Medieval Pilgrimage Nov 29 2019 The "Encyclopedia of Medieval Pilgrimage" is an interdisciplinary reference work, giving wide coverage of the role of travel in medieval religious life. Dealing with the period 300-1500 A.D., it offers both basic data on as broad a range of European pilgrimage as possible and clearly written, self-contained introductions to the general questions of pilgrimage research. Also available online as part of "Brill's Medieval Reference Library Online" (BRMLO) - Webpage BRMLO. Despite widespread modern interest in medieval pilgrimage and related issues, no comprehensive work of this type exists and it will be of interest to scholars and students for personal and academic use. Local sites of pilgrimage are represented in this work as well as the main routes to Rome, Jerusalem and Santiago. Written and material sources relating to pilgrimage are used to illustrate aspects of medieval society, from brewing, book production and the trade in relics, to the development of the towns, art, architecture and literature which pilgrimage engendered. The Encyclopedia of Medieval Pilgrimage will serve as the main starting point for any serious study of this phenomenon. The Encyclopedia of Medieval Pilgrimage is published in English in one illustrated volume of 550,000 words in 435 signed entries, and is compiled and written by over 180 contributors from Europe and North America. Entries are present alphabetically under headwords, with cross-references, maps, black-and-white illustrations, an editorial introduction and lists of theme and keywords.

The Way of the Rose Jan 12 2021 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? "This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book."—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious "Lady" invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary's prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

The Ring of Rocamadour Aug 31 2022 Catholic-schooled seventh-graders Sophie, Margaret, Rebecca, and Leigh Ann help an elderly neighbor solve a puzzle her father left for her estranged daughter twenty years ago.

Lantern Sam and the Blue Streak Bandits Jul 18 2021 "An atmospheric late-1930s adventure with old-time cinematic appeal. Fans of fast-paced, far-fetched action will lap it up as enthusiastically as Sam swallows his favorite brand of sardines." —Kirkus Reviews Lantern Sam is the wise-cracking, sarcastic, talking cat (for those who can hear him, that is) who lives on board the Lake Erie Shoreliner train and is one of the best detectives no one knows about. He doesn't have much patience for humans (unless they bring him sardines), but when 10-year-old traveler Henry can't find his new friend, the exuberant Ellie, Sam's enlisted to help. A ransom note is soon discovered and just like that, Sam and Henry are on the case, with the help of Clarence the Conductor (who supplies Sam's sardines). But is Ellie still on board the train? Did the salesman with his trunk full of samples sneak her off? And why does that couple keep acting so suspiciously? Veteran middle-grade mystery author Michael D. Beil has crafted a hilarious and appealing adventure set in the 1930s that's chock-full of quirky characters and red herrings, and all with an irresistible cat at its center.

Sir Nigel Jul 06 2020 Dame History is so austere a lady that if one, has been so ill-advised as to take a liberty with her, one should hasten to make amends by repentance and confession. Events have been transposed to the extent of some few months in this narrative in order to preserve the continuity and evenness of the story. I hope so small a divergence may seem a venial error after so many centuries. For the rest, it is as accurate as a good deal of research and hard work could make it. The matter of diction is always a question of taste and discretion in a historical reproduction. In the year 1350 the upper classes still spoke Norman-French, though they were just beginning to condescend to English. The lower classes spoke the English of the original Piers Plowman text, which would be considerably more obscure than their superiors' French if the two were now reproduced or imitated. The most which the chronicles can do is to catch the cadence and style of their talk, and to infuse here and there such a dash of the archaic as may indicate their fashion of speech. I am aware that there are incidents which may strike the modern reader as brutal and repellent. It is useless, however, to draw the Twentieth Century and label it the Fourteenth.

Nightmare May 16 2021 For fans of Gillian Flynn, Caroline Cooney, and R.L. Stine comes Nightmare from four-time Edgar Allen Poe Young Adult Mystery Award winner Joan Lowery Nixon. Emily has never fit in with her overachieving family. Instead of getting straight As, she sits in the back row and hides behind her hair. As a result, her parents have enrolled her for the summer at Camp Excel, an academic camp for underachievers. Emily doesn't want to go, and not just because she thinks it isn't necessary. Since she was a child, she's been plagued by a recurring nightmare. And something about this camp feels familiar. Has she been there before? Why can't she remember? With the help of two new friends, Emily discovers that her nightmare is not just in her head. Someone at Camp Excel has a secret and will do anything—even kill—to keep Emily from uncovering the truth. "A taut, well-constructed mystery." –Kirkus Reviews "Readers will once again fall under Nixon's spell as they enjoy this page-turner." –School Library Journal "[An] inimitable blend of horror and whodunit." –Booklist "[Nightmare has] taut suspenseful passages...[and] clever false leads." –Publishers Weekly

Kaleidoscope Eyes Jun 16 2021 Will Lyza's 1968 summer mystery lead to . . . pirate treasure? When Lyza helps her dad clean out her late grandfather's house, a mysterious surprise brightens the sad task. In Gramps's dusty attic, Lyza discovers three maps, carefully folded and stacked, bound by a single rubber band. On top, an envelope says "For Lyza ONLY." What could this possibly be? It takes the help of her two best friends, Malcolm and Carolann, to figure out that the maps reveal three possible spots in their own New Jersey town where Captain Kidd (the Captain Kidd, seventeenth-century pirate) may have buried a treasure. Can three thirteen-year-olds actually conduct a secret treasure hunt? And what will they find? In a tale inspired by a true story of buried treasure, Jen Bryant weaves an emotional and suspenseful novel in poems, all set against the backdrop of the Vietnam War during a pivotal year in U.S. history.
