English in Common 1A Split Oct 21 2021 English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. This is a Split Edition, with combination Student Book and Workbook covering the first half of the level. English in Common Student Books are divided into either ten or twelve units and have enough material for approximately 60 to 90 hours of instruction. Each Student Book has a bound-in ActiveBook, which contains a digital Student Book with the entire audio program, Extra Listening practice and activities, and a printable Language Portfolio to help students keep a record of their progress. Finding direction and purpose English in Common motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common engages learners' interest by offering a new twist to familiar topics—topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently.

CSEC English SBA Student Guide & Workbook Oct 28 2019 The purpose of this text is to assist students and teachers to complete the English SBA in a timely and manageable process. This text outlines the weekly steps to be taken by teachers and students who now have to cover the content of the CSEC English Syllabus which comprises a final exam, and an SBA component which includes a compulsory oral element. This clear and comprehensive guide and workbook is an excellent tool that will assist Caribbean students and teachers to embrace the new requirements of the CSEC English Syllabus.

Uncovering the Logic of English: A Common-Sense Solution to America's Literacy Crisis Sep 07 2020 "English is so illogical!" It is generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see the complexity of English as a powerful tool rather than a hindrance? --Denise Eide Uncovering the Logic of English challenges the notion that English is illogical by systematically explaining English spelling and answering questions like "Why is there a silent final E in have, large, and house?" and "Why is discussion spelled with -sion rather than -tion?" With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, Uncovering the Logic of English demonstrates why this systematic approach should be as foundational to our education as 1+1=2.

Teacher Support Materials for Dp English Student Workbook Jun 04 2020 The DP English Student Workbook presents a range of student centered activities designed to scaffold the process of literary analysis. On Our Way to English Student Book Grade 1 Jul 26 2019

The Eight Parts of Speech Apr 02 2020 Simply English - 8 Parts of Speech is a guide to help students become familiar with the basic units of grammar. Each part of speech is defined with tips and examples for identification. Practice exercises are then provided for identifying each part of speech. Be sure to have students read over the Quick Reference (at the end of the textbook) to familiarize themselves with the eight parts of speech. It includes definitions, key words and examples. This reference can be used as a study guide and when preparing for exams. The curriculum is very flexible allowing you to introduce each part of speech, usage concept and exercises at the students' own pace. Of course this will depend on the level of their previous exposure to English grammar. The concepts taught here are more likely to become entrenched if the ideas are incorporated into the students' other writing assignments
