The Handy Boston Answer Book Sep 10 2020 Whether it's called Beantown, The Olde Towne, Titledown, The Cradle of Liberty, The Athens of America, The Puritan City, The City on a Hill, or any of its other obscure or oft-repeated nicknames, Boston has a long and varied history. Its universities and hospitals lead the nation, and its sports teams, politicians, and colloquialisms continue to captivate. Exploring this city's fascinating history, people, myths, culture, and trivia, *The Handy Boston Answer Book* takes an in-depth look at one of America's oldest major cities. Learn about the city's founding by Puritan settlers, the Boston Massacre, the Great Fire,

the opening of the T, the busing desegregation strife, the Big Dig, the local sports fanatics, ethnic enclaves, and the surrounding suburbs, notable sons and daughters, and more are all packed into this comprehensive guide to the city of Boston. Through facts, stats, and history, as well as the unusual and quirky, it answers 1,200 fascinating questions, including What cities and towns comprise the "Greater Boston" region? What do Samuel Adams, James Taylor, Benjamin Franklin, and Taylor Schilling have in common? Are "Tonics" and "Whoopie Pies" available at most "Spas"? What do the colored lights on top of the old Hancock signal?

Tristan Aug 10 2020 Tristan is a normal 30-year old man living in the 18th century. He has only one thing in his life that he cares about more than his own life: his Sophia. But over night, his life is taken from him. When Tristan wakes, he learns that he is a devil; there are no easy answers for him. Every turn leads him down a path he doesn't wish to go down. Now the only man he can trust is a devil named Thorn. Thorn

is the son of Satan and along with Tristan's help they will rise up against the angels of Heaven's kingdom and fight the one angle that leads Heaven's angels. But as time passes, Tristan finds himself heading down a path he knows he can't turn back on. An old friend, a vampire who doesn't care for angels, is Tristan's only hope.

Shark's Pride Jun 19 2021 Dreams come at a price... Hidden enemies are tormenting Sebastian Shark. They're determined to see his reputation in shreds and his plans for building the Edge in ruins. To make matters worse, Abbigail Gibson has written him off for good, choosing to believe their night of blistering passion was just another one of his playboy conquests. When an unexpected visitor arrives on Sebastian's doorstep, he can no longer ignore the danger Abbigail is in because of him. Someone has declared war, and the woman he loves could become collateral damage. Unacceptable. But Abbi's not about to ditch the man of her dreams just because things get tough. His rules. Her trust. His world. Her safety. Their power struggle threatens to rip them apart again—but believing in their dream is the only way they'll survive.

The Mammoth Book of Shark Attacks Oct 24 2021 The biggest-ever selection of first-hand accounts and news reports of shark attacks, both recent and historical, shows how sharks are masters of the ocean and how we enter their domain at our own risk. Think you're safe in the Med? Read about the Great Whites that thrive near holiday beaches. Think you're safe in large groups? Read about the sinking of the USS Indianapolis in 1945 when hundreds of sailors floated for days in shark-infested waters, being picked off one-by-one. Think you're safe at home? Read about the 69-year-old man, taking his regular evening swim, jumping off his backyard dock straight into the mouth of a bull shark. Many more extraordinary and gruesome accounts, including the shark-boat skipper who slit open the belly of a 360-kg tiger shark only to have a human head, pelvis, and arm come tumbling out, provide horrific and moving tales of shark encounters. The courage of survivors and those who have risked their lives to save shark attack victims is truly inspirational. Where can you find sharks? Features on different shark species with illustrations, fact boxes and maps

show where they lurk around the world. Also included are a selection of full-colour photographs and special sections on the life cycle of a shark, how to avoid a shark attack and how to survive one.

A Cold Hard Trail May 19 2021 "The devil's on my tail, and he's wearing a badge. Arrested for a robbery I didn't commit, I broke out of jail and took it on the 1 a.m. I had no choice. No sheriff's going to believe I have a double-unless I find the outlaw myself. If I live that long." The Fosterville sheriff's bagged a few outlaws. The trouble is, Kid Parmlee, his buddy Zeb, and his Pa are dead ringers for bandits who took a stagecoach and made off with a fortune in gold. First step for the Kid and his partners is to make a fast getaway before they get hanged. On the run, and trapped between a trigger-happy lawman and a trio of hard-core desperadoes, the Kid finds himself outnumbered and outgunned. All he has now is raw nerve and blind rage to clear his name and escape the cruel plains alive. In Kid Parmlee, Spur Award-winning author Robert Conley has crafted a fearless flesh-and-blood adventurer who lives and breathes the West as it really was.

Trail of Death Oct 31 2019 Alfredo Gomez, the greatest boxing hero ever to come from Mexico, wonders why two of his most promising boxers are not showing up at his gym. It turns out the two young men have given up boxing in order to travel down the Trail of Death, the notorious cocaine trail that leads from northern Mexico into Texas. Alfredo decides to disguise himself as a poor migrant worker and travel down the Trail himself. But Alfredo gets more than he bargained for. At the end of the Trail, he meets a graying middle-aged alcoholic United States senator, Senator John Henry Longfellow from Texas--the last living witness to the conspirators as they planned the assassination of President John Fitzgerald Kennedy.

Blood Trail Aug 22 2021 "The world-building is impressive." (S.R. Manev) When a powerful demon crosses the Farfall Mountains, the task of tracking and slaying it falls to a man not expected to succeed: Jebediah Skayne, lothario, hustler, hunter of nightmares. Jeb follows the demon's "blood trail" to the fishing town of Portis, where it vanishes. All that remains are the demon's leftovers: corpses, half-dressed, killed in the throes of passion. Forced to rely on more mundane methods of investigation, Jeb uncovers a town rife with corruption, where a man will kill you for looking at a woman the wrong way. A town where his own inner demons can no longer hide. Prior consistently writes high quality, layered, adult fantasy." (Melinda LeBaron)

Short Leash Dec 14 2020 Janice Gary never walked alone without a dog - a big dog. Once, she was an adventurer, a girl who ran off to California with big dreams and hopes of leaving her past behind. But after a brutal rape, her youthful bravado vanished, replaced by a crippling need for safety. When she rescues a gangly Lab-Rottweiler pup, Gary is sure she's found her biggest protector yet. But after Barney is attacked by a vicious dog, he becomes a clone of his attacker, trying to kill any dog that comes near him. Walking with Barney is impossible. Yet walking without him is unthinkable. After years of being exiled by her terror and Barney's defensiveness, Janice risks taking her dog to a park near the Chesapeake Bay. There, she

begins the messy, lurching process of walking into her greatest fears. As the leash of the past unravels, Barney sheds the defensive behaviors that once shackled him and Gary steps out of the self-imposed isolation that held her captive for three decades. Beautifully written, *Short Leash* is much more than a "dog story" or a book about recovering from trauma. It is a moving tale of love and loss, the journey of a broken soul finding its way toward wholeness.

[The Raw Shark Texts](#) Nov 05 2022 This genre-bending national bestseller is "a horror-dystopic-philosophical mash-up, drawing comparisons to Borges, The Matrix and Jaws" (The New York Times Magazine). Eric Sanderson wakes up in a house he doesn't recognize, unable to remember anything of his life. A note instructs him to call a Dr. Randle, who informs him that he is undergoing yet another episode of memory loss, and that for the last two years—since the tragic death of his great love, Clio, while vacationing in Greece—he's been suffering from an acute dissociative disorder. But there may be more to

the story, or it may be a different story altogether. With the help of allies found on the fringes of society, Eric embarks on an edge-of-your-seat journey to uncover the truth about himself and escape the predatory forces that threaten to consume him. Moving with the pace and momentum of a superb thriller, exploring ideas about language and information, as well as identity, this is ultimately a novel about the magnitude of love and the devastating effect of losing that love. "Paced like a thriller, it reads like a deluge . . . Herman Melville meets Michael Crichton, or Thomas Pynchon meets Douglas Adams." —San Francisco Chronicle "Rousingly inventive." —The Washington Post "Unforgettable fiction." —Playboy "A thriller that will haunt you." —GQ "Sharp and clear . . . Writing on the edge of the form." —Los Angeles Times "Huge fun, and I gleefully recommend it." —Audrey Niffenegger, international-bestselling author of *The Time Traveler's Wife* "Fast, sexy, intriguing, intelligent." —Toby Litt

Sharks Aug 02 2022 Do sharks lay eggs or give birth to live young? Do sharks sleep? How long do they live? How likely are shark attacks? This book answers your questions about some of nature's most misunderstood animals. Answering every conceivable question about sharks, authors Gene Helfman and George H. Burgess describe the fascinating biology, behavior, diversity (there are more than 1,000 species worldwide), and cultural importance of sharks, their close relationship to skates and rays, and their critical role in healthy ecosystems. Helfman and Burgess take readers on a round-the-world tour of shark habitats, which include oceans as well as lakes and even rivers (as far up the Mississippi as St. Louis). They describe huge, ferocious predators like (Great) White and Tiger sharks and species such as Basking and Whale sharks that feed on microscopic prey yet can grow to lengths of more than 40 feet. The mysterious and powerful Greenland shark, the authors explain, reaches a weight of 2,200 pounds on a diet of seal flesh. Small (less than 2-foot long) Cookiecutter sharks attack other sharks and even take a chunk out of the occasional swimmer. Despite our natural fascination with sharks, we have become their worst enemy. Many shark species are in serious decline and a number are threatened with extinction as a result of overfishing and persecution. *Sharks: The Animal Answer Guide* presents a perfect mix of current science, history, anthropology, intriguing facts, and gripping photographs. Whether your fascination with sharks stems from fear or curiosity, your

knowledge of these animals will improve immensely when you consult this book.
