Tears of a Dragon Aug 02 2022 “Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur of Verne, and most of all the heart of Christ.” —Jeremiah F., reader Billy and Bonnie won the battle but how will they win the war? Billy and Bonnie’s hard-won victory in *Circles of Seven* came at a great cost as a vicious evil was unleashed on the earth. With Billy’s father missing, Billy and Bonnie must lead the dragons into war against the demonic beings known as Watchers. But in order to win the war, an ultimate sacrifice must be made, and Billy and Bonnie will be forced to

make the greatest decision of their lives—a choice that will change their world forever. The fourth and final installment in the Dragons in our Midst series will leave you cheering, crying, and wishing for more adventures with these two friends.

Matt Wagner's Grendel Tales, the Devil in Our Midst Jul 29 2019 Matt Wagner's diabolical, Eisner nominated series, starring one of the most popular and controversial characters in modern comics history.

Gorillas in Our Midst May 31 2022 You never know when there might be a gorilla around... Gorillas can be hard to spot, because they are masters of disguise and good at hiding. You will know when there are gorillas living in your midst because the grocery stores will be entirely out of bananas. In fact, you should always carry a banana with you—you never know when you might meet a gorilla!

A Spy in Their Midst Mar 05 2020 A Japanese-American spy, captured by the Japanese in WWII, tells of his remarkable capture and survival.

The Holy One in Our Midst Oct 04 2022 The Holy One in Our Midst: An Essay on the Flesh of Christ aims to defend the doctrine of the extra Calvinisticum—the doctrine that maintains the Son of God was not restricted to the flesh of Christ during the incarnation—by arguing that it is logically coherent, biblically warranted, catholically orthodox, and theologically useful. It shows that none of the standard objections are devastating to the extra, that the doctrine is rooted in the claims of Christian Scripture and not merely a remnant of perfect being philosophical theology, and that the doctrine plays an important role in contemporary theological discussion. In this way, James R. Gordon revives an important Catholic doctrine that has fallen out of favor in contemporary theology. Secondarily, this project aims to integrate biblical, philosophical, and systematic theology by showing that the tools and methods of each

distinct discipline can contribute to the goals and aims of the others.

Desiring God Jan 03 2020 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Monsters in Our Midst Dec 14 2020 Nothing is more frightening than the unspeakable acts humans commit upon one another. Edited by Robert Bloch, the award-winning author of *Psycho*, this collection of works by such writers as Ray Bradbury, Ramsey Campbell, Jonathan Carroll, Charles Grant, and Richard Christian Matheson reveals the darkness of the human soul.

Enemy in our Midst Dec 02 2019 With the approach of the First World War, the German community in Britain began to be assailed by a combination of government measures and popular hostility which resulted in attacks against individuals with German connections and confiscation of their property. From May 1915, a policy of wholesale internment and repatriation was to reduce the German population by more than half of its pre-war figure. The author of this study charts the growth of the German community in Britain before detailing the story of its destruction under the chauvinistic intolerance which gripped the country during the Great War.

Angels in Our Midst Aug 22 2021

Glory In Our Midst Jan 27 2022

In Our Midst Jul 21 2021 It is 1990 and Stanton, Indiana is a typical town with church youth groups, a bustling diner, a summer Wood Carving Festival, and a busy mayor who also runs the mortuary. But, this is not to be confused with a Norman Rockwell setting. The Gulf War is breaking out, Ryan White's family lives nearby, and AIDS is sweeping the nation. Despite all that, Stanton does not appear to have any gay or lesbian people, or so it seems to Victor Beck, who worries about himself because he is attracted to boys. He distracts himself with his photography and tries to push aside his mother's interest in his social life. As high school life unfolds, Victor gets acquainted with a new girl in town and begins to wonder if he has it wrong. Could he like Bridget in "that way"? For her part, Bridget is learning her way around Stanton, having just moved from Chicago with her mom and sister. She is mourning her father who died of cancer and has strong ideas about loyalty and compassion for friends, which are soon to be tested. Meanwhile, a second and earlier story unfolds of a Korean War soldier, Vaughn Evanston, who died the day he returned home to Stanton. His grieving parents learn that he had a gay lover and their decisions about how to respond to that knowledge fuel the cycles of secrecy, love, grief, and memories that propel the story forward. The stories of Victor and Vaughn become entwined and the good people of Stanton have to wrestle with their history, their prejudices, and their commitment to the health and welfare of their children. *In Our Midst* is general interest fiction that exposes the raw vein of homophobia in our society. The book involves an ensemble cast of sympathetic characters who are recognizable to all of us. The nuanced writing, the staccato events, and the multi-layer plot keep the reader fending off interruptions and turning the pages. The LGBT community, the faith community, parents, mentors,

teachers, and teens will find *In Our Midst* of particular value but it is the general public that will find satisfaction in a good yarn that suddenly means so much more.

Raising Dragons Jul 01 2022 Billy's life takes a fantastic turn when he starts breathing fire and finds out that his father Jared neglected to tell him that he is half-dragon.

Christ is in Our Midst Sep 22 2021 Steeped in wisdom and humility, these are letters of a true contemplative and spiritual guide, able to rejoice and trust God in the face of an increasingly materialistic world, discerning in all circumstances meaning and a dimension of eternity.

Strangers in Our Midst Mar 17 2021 How should democracies respond to the millions who want to settle in their societies? David Miller's analysis reframes immigration as a question of political philosophy. Acknowledging the impact on host countries, he defends the right of states to control their borders and decide the future size, shape, and cultural make-up of their populations.

In the Midst of It All Sep 10 2020 All her life, Zenovia has struggled with the burden of caring for her schizophrenic mother, Audrey, alone. Until one day, God seems to offer support in the form of two members of a church called the Brethren of the Sacrifice, who knock at the women's door preaching an unconventional version of the Gospel. Despite having questions, Zenovia agrees to join the church along with her mother. Soon afterward, Audrey stops taking her medication when fellow churchgoers deem her illness a demonic possession. Unable to watch her mother's mental deterioration, Zenovia flees town, only to receive a fateful phone call several years later telling her of her mother's suicide. Heartbroken, Zenovia must now make a soul-altering choice: accept "God's will," or return home to confront the demons she's worked so hard to leave behind....

Animals in Our Midst: The Challenges of Co-existing with Animals in the Anthropocene Apr 05 2020 This Open Access book brings together authoritative voices in animal and environmental ethics, who address the many different facets of changing human-animal relationships in the Anthropocene. As we are living in complex times, the issue of how to establish meaningful relationships with other animals under Anthropocene conditions needs to be approached from a multitude of angles. This book offers the reader insight into the different discussions that exist around the topics of how we should understand animal agency, how we could take animal agency seriously in farms, urban areas and the wild, and what technologies are appropriate and morally desirable to use regarding animals. This book is of interest to both animal studies scholars and environmental ethics scholars, as well as to practitioners working with animals, such as wildlife managers, zookeepers, and conservation biologists.

Terror in Our Midst Jul 09 2020 Can common people really make a difference in this world? Terrorism and communal violence have become an everyday occurrence. It is imperative to tackle these evils, but how? Suprio Ghosh presents a series of poems which explore the challenges faced by our global community. Through his poetry, he raises questions about what humanity can do and seeks a cure for our present, chaotic

reality.

Murder in Our Midst Apr 17 2021 He shows how the way we understand ourselves reflects the ambivalent effects of the Holocaust on our perceptions of war and violence, history and memory, progress and barbarism.

The Best Yes Feb 13 2021 Are you living with the stress of an overwhelmed schedule and aching with the sadness of an underwhelmed soul? Lysa TerKeurst is learning that there is a big difference between saying yes to everyone and saying yes to God. In *The Best Yes* she will help you: Cure the disease to please with a biblical understanding of the command to love. Escape the guilt of disappointing others by learning the secret of the small no. Overcome the agony of hard choices by embracing a wisdom based decision-making process. Rise above the rush of endless demands and discover your best yes today.

"The Kingdom of God is Within You" Oct 31 2019 *The Kingdom of God Is Within You*, is a non-fiction book written by Leo Tolstoy. A philosophical treatise, the book was first published in Germany in 1894 after being banned in his home country of Russia. It is the culmination of thirty years of Tolstoy's thinking, and lays out a new organization for society based on a literal Christian interpretation. *The Kingdom of God is Within You* is a key text for Tolstoyan, nonviolent resistance, and Christian anarchist movements.

Cults in Our Midst Apr 29 2022 Explains how to recognize cults, and argues that cults are infiltrating the workplace in the guise of training programs and workshops.

Murder in Our Midst Dec 26 2021 "Crime stories attract audiences and social buzz, but they also serve as prisms for perceived threats. As immigration, technological change, and globalization reshape our world, anxiety spreads. Because journalism plays a role in how the public adjusts to moral and material upheaval, this unease raises the ethical stakes. Reporters can spread panic or encourage reconciliation by how they tell these stories. *Murder in our Midst* uses crime coverage in select North American and Western European countries as a key to examine culturally constructed concepts like privacy, public, public right to know, and justice. Working from close readings of news coverage, codes of ethics and style guides, and personal interviews with almost 200 news professionals, this book offers fertile material for a provocative conversation. We use our findings to divide the ten countries studied into three media models; we explore what the differing coverage decisions suggest about underlying attitudes to criminals and crime, and how justice in a democracy is best served. Today, journalists' work can be disseminated around the world without any consideration of whether what's being told (or how) might dissolve cultural differences or undermine each community's right to set its own standards to best reflect its citizens' values. At present, unique reporting practices persist among our three models, but the internet and social media threaten to dissolve distinctions and the cultural values they reflect. We need a journalism that both opens local conversations and bridges differences among nations. This book is a first step in that direction"--

Raising Dragons Nov 05 2022 "Previously published in 2004 by Scrub Jay Journeys"--

The Fourth Gospel Jun 07 2020 Bestselling and controversial bishop and teacher John Shelby Spong reveals the subversive, mystical wisdom of the writer of the Gospel of John and how his teachings point us forward in the twenty-first century In *The Fourth Gospel: Tales of a Jewish Mystic*, Spong turns his attention to the Gospel of John, the fourth Gospel in the Bible. Contrary to what is most often believed, he writes that this gospel was misinterpreted by the framers of the fourth-century creeds to be a literal account of the life of Jesus. In fact, it is a literary, interpretive retelling of the events in Jesus' life through the medium of Jewish worship traditions and fictional characters, from Nicodemus and Lazarus to the "Beloved Disciple." The Fourth Gospel not only recaptures the original message of this gospel, but also provides us with a radical new dimension to the claim that in the humanity of Jesus the reality of God has been met and engaged. This book offers a fresh way to read the Gospel of John and a unique primer about how to be a Christian in the post-Christian twenty-first century.

Jesus Risen in Our Midst Oct 24 2021 *Jesus Risen in Our Midst* mines the Resurrection Narrative of John's gospel as a rich resource for understanding and developing Christian spirituality. In this series of essays, which can be read independently of one another, Scripture scholar Sandra Schneiders draws out especially fascinating insights on the place of the Resurrection in the overall structure of the Gospel of John the important structure of John 20, which presents a series of episodes that are internally related to each other and constitute a distinctive synthesis of Christian spirituality what the Resurrection story reveals about the New Covenant promised by Jeremiah and Ezekiel the anthropology and eschatology that is operative in John's account of the Resurrection the distinction in John between the Glorification and the Resurrection of Jesus

Torn from Our Midst Aug 10 2020 *Torn from Our Midst* includes images and voices from a 2008 conference, entitled *Missing Women: Decolonization, Third Wave Feminisms, and Indigenous People of Canada and Mexico*, together with additional reflections, both academic and personal, on the effects of violence and the possibilities for healing. DVD included.

Mythology in Our Midst Feb 02 2020 Fifty narrative essays exploring the connections between ancient myths and contemporary culture, with introductory overview essay, 25 illustrations, and 5 appendices of mythological origins of everyday words.

Terror in Our Midst? Jun 27 2019 On 15 October 2007, 300 hundred police officers dressed in full riot gear raided the township of Ruatoki, which lies at the northern end of the Ureweras. At the same time Ruatoki was being locked-down, police raids were taking place in other parts of the country. By the end of the day, 17 people were reported as arrested: 4 in Wellington, 6 in Auckland, 1 in Palmerston North, 1 in Hamilton, and 5 in the Bay of Plenty area. The global war on terror, launched in the U.S. five years earlier, had finally arrived in New Zealand.

Revelation Nov 12 2020 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and

numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. Jesus in Our Midst Oct 12 2020 A collection of inspiring writings and talks by Chiara Lubich about the presence of Jesus among us: an essential point of the spirituality of unity. In a world where social communication networks are multiplying out of all proportion, paradoxically there seems to be an ever-increasing sense of isolation and loneliness. In this context, one wonders about the deeper meaning of life. How are we fulfilled? Where do we find true happiness? On the one hand, society exalts individualism and self-determination. But on the other many people yearn for authentic and profound relationships. They ask, often with a sense of anxiety: "What is the meaning of my life? How can I reconcile seemingly conflicting demands? How do we build relationships of true communion?" By living the experience of Jesus in the midst, as presented in this book, we can find the answer to these questions that touch the heart of every person, an answer that does not come from human reasoning, but from life.

A President in Our Midst Jan 15 2021 Franklin Delano Roosevelt visited Georgia forty-one times between 1924 and 1945. This rich gathering of photographs and remembrances documents the vital role of Georgia's people and places in FDR's rise from his position as a despairing politician daunted by disease to his role as a revered leader who guided the country through its worst depression and a world war. A native New Yorker, FDR called Georgia his "other state." Seeking relief from the devastating effects of polio, he was first drawn there by the reputed healing powers of the waters at Warm Springs. FDR immediately took to Georgia, and the attraction was mutual. Nearly two hundred photos show him working and convalescing at the Little White House, addressing crowds, sparring with reporters, visiting fellow polio patients, and touring the countryside. Quotes by Georgians from a variety of backgrounds hint at the countless lives he touched during his time in the state. In Georgia, away from the limelight, FDR became skilled at projecting strength while masking polio's symptoms. Georgia was also his social laboratory, where he floated new ideas to the press and populace and tested economic recovery projects that were later rolled out nationally. Most important, FDR learned to love and respect common Americans—beginning with the farmers, teachers, maids, railroad workers, and others he met in Georgia.

Miracles in Our Midst Aug 29 2019 *Miracles In Our Midst - True Stories of Divine Intervention* Miracles aren't just stories from the Bible. They're happening today - all around us! Christ In Our Midst May 19 2021 This book was written to help me understand what the "fruits and the gifts of the Holy Spirit" are and what they were supposed to mean to me, and how to use them in my life. The more that I discovered and shared with others, the more that I understood that I was to share this knowledge with all who have this same hunger. The "fruits of the Holy Spirit" given to us as a grace from God in our baptism are what molds us into the image and likeness of God (Genesis 1:26). The "fruits" are the personality of Jesus when He lived on earth. Jesus gives us the example--with His very life! It is important for us to be fruitful and multiply physically for life to carry on, but it is spiritual fruitfulness that will change the world! We each have an intricate role to fill--whether single, married, laity, religious, man, woman, child, adult--God created each of us for a specific purpose. And He gives us the tools to do our work! They are the gifts of the Holy Spirit that are listed in (Isaiah 11:2-3). The most known charismatic gifts are listed in (1 Corinthians chapters 12-14), but this is not all there is. "To each one is given a manifestation of the spirit for the common good" (1 Corinthians 12:7). When we use a charism to help another person, our Isaiah "gifts" come forward within us, and as that happens the fruits of the Holy Spirit pour out of us as a grace from God, that is how we share the love of God with another. God doesn't make cookie cutter Christians! He tailor-makes each individual for a special ministry to help our Church grow! Can you believe it? God wants us to fulfill a portion of His plan designed to bring all people to eternity with Him! Writing this book has helped me understand the simplicity of how the fruits, gifts, and charisms work together to build up the kingdom of God.

Evil in Our Midst Feb 25 2022 *Evil in Our Midst* provides a chilling glimpse of fifty dark angels, each of which represents a culture's greatest fears. Every chapter opens with a story that shares the legend of a demon, and then offers fascinating information on the culture that, in many cases, perpetuates this belief. For those who believe in these creatures, this book gives reason to fear the unknown. For those who do not believe in demons, it provides terrifying reading for a stormy night.

In Our Midst Nov 24 2021 "Drawing upon a long-suppressed episode in American history, when thousands of German immigrants were rounded up and interned following the attack on Pearl Harbor, *In Our Midst* tells the story of one family's fight to cling to the ideals of freedom and opportunity that brought them to America. Nina and Otto Aust, along with their teenage sons, feel the foundation of their American lives crumbling when, in the middle of the annual St. Nikolas Day celebration in the Aust Family Restaurant, their most loyal customers, one after another, turn their faces away and leave without a word. The next morning, two FBI agents seize Nina by order of the president, and the restaurant is ransacked in a search for evidence of German collusion. Ripped from their sons and from each other, Nina and Otto are forced to weigh increasingly bitter choices to stay together and stay alive. Recalling a forgotten

chapter in history, *In Our Midst* illuminates a nation gripped by suspicion, fear, and hatred strong enough to threaten all bonds of love--for friends, family, community, and country." --Provided by publisher.

The Candlestone Mar 29 2022 *The Candlestone*, book 2 in the *Dragons in Our Midst* series, is a contemporary fantasy novel, written for preteens and young adults. Along with a unique blend of fantasy and real life, it delivers action and inspiration through the adventures of two young teens, Billy Bannister and Bonnie Silver. Billy and Bonnie wonder about a number of unsolved mysteries. What was the strange book that the dragon slayers used to summon a dragon? Where is the magnificent sword that seemed to disintegrate the evil Devin? And what happened to the Candlestone, that strange gem, always absorbing light and with it the powers of dragons or dragon children within its sphere of influence? The Candlestone not only absorbs light, it captures and holds encoded light, including transluminated humans, people who have been transformed into light energy by Excalibur, King Arthur's great sword. When Bonnie enters the stone herself, she learns that many disembodied souls have fallen prey to the gem's powers, but no one has ever escaped. The two teens face their greatest fears, and they learn to use their strengths, both innate and newly found, as they battle powerful enemies, ancient fiends from times long past, and the horrors of the blackest of prisons, captivity with the walls of unearthly darkness, the crystalline tomb of the Candlestone.

Circles of Seven Sep 03 2022 "Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur of Verne, and most of all the heart of Christ." —Jeremiah F., reader What will Billy do when he's confronted with an impossible choice? Billy and Bonnie discover seven evil circles in a multidimensional world. Faced with danger at every turn, the two friends must call upon their dragon gifts to defeat the malevolent ruler. When tragedy strikes along the way, Billy has to face the most difficult decision of his life: forsake Bonnie to rescue a group of prisoners or find a way to save her, his best friend in the world. Filled with action, danger, and suspense, *Circles of Seven* is sure to keep readers on the edge of their seats.

Terrorists in Our Midst: Combating Foreign-Affinity Terrorism in America Sep 30 2019 This unique work analyzes for the first time how foreign-affinity terrorism works in a major democratic nation like the United States, and what this country must do to survive the terror challenge, on both conventional and unconventional levels. • Contributions from six distinguished academics and professionals with wide experiences in public and private service • Case studies of the major U.S. counterterrorism strategies, including intelligence, law enforcement, border security, financial issues, and civil liberties concerns increase public and governmental understanding of the risks of, and possible responses to, future foreign-affinity terrorism • A compilation of selected American foreign-affinity terrorists operating at home and abroad

Feeble-minded in Our Midst Jun 19 2021 Steven Noll traces the history and development of institutions for the mentally handicapped in the South between 1900 and 1940. He examines the influences of gender, race, and class in the

institutionalization process and relates policies in the South to those in the North and Midwest, regions that had established similar institutions much earlier. In addition, Noll creates a vivid portrait of life and work within institutions and the impact of institutionalization on patients and their families. At the center of the story is the debate between the humanitarians, who advocated institutionalization as a way of protecting and ministering to the mentally deficient, and public policy adherents, who were primarily interested in controlling and isolating perceived deviants. According to Noll, these conflicting ideologies meant that most southern institutions were founded without a clear mission or an understanding of their relationship to southern society at large.
