**The Problem of Dark-Cutting in Beef** Mar 29 2020 This publication contains the proceedings of a seminar 'The problems of dark-cutting in beef' held by the Commission of the European Communities (CEC) at the Commission in Brussels on 7 and 8 October 1980. As part of the CEC programme of coordination of agricultural research, this meeting was organised in the framework of the beef and animal welfare activities by Dr. D.E. Hood and Dr. P.V. Tarrant, Meat Research Department, An Faras Taluntais, Dunsinea, Castleknock, Dublin, Ireland. The proceedings, edited by the organisers assisted by Janssen Services, 33a, High Street, Chislehurst, Kent, UK, provide an authoritative text-book on this important aspect of meat technology. Reduction of pre-slaughter stress and improvement in carcass and meat quality is becoming increasingly important in the international meat trade. This results in particular from growing consumer concern about the welfare of meat animals during the pre-slaughter

period and from specific meat packaging and marketing requirements. Technical development of the beef processing industry is dependent on a uniformly high level of meat quality in the raw material.

*Yours Cruelly, Elvira* Aug 22 2019 The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story filled with intimate bombshells—told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a

struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon. **In Search of the Dark Ages** Jul 01 2020 This edition of Michael Wood's groundbreaking first book explores the fascinating and mysterious centuries between the Romans and the Norman Conquest of 1066. In Search of the Dark Ages vividly conjures up some of the most famous names in British history, such as Queen Boadicea, leader of a terrible war of resistance against the Romans, and King Arthur, the 'once and future king', for whose riddle Wood proposes a new and surprising solution. Here too, warts and all, are the Saxon, Viking and Norman kings who laid the political foundations of England - Offa of Mercia, Alfred the Great, Athelstan, and William the Conqueror, whose victory at Hastings in 1066 marked the end of Anglo-Saxon England. Reflecting recent historical, textual and archaeological research, this revised edition of Michael Wood's classic book overturns preconceptions of the Dark Ages as a shadowy and brutal era, showing them to be a richly exciting and formative period in the history of Britain. 'With In Search of the Dark Ages, Michael Wood wrote the book for history on TV.' The Times 'Michael Wood is the maker of some of the best TV documentaries ever made on history and archaeology.' Times Literary Supplement
