A Concise Law Dictionary - For Students and Practitioners Jan 26 2020 This early work on law is both expensive and hard to find in its first edition. It contains details on the meanings of legal terms and their uses. This is a fascinating work and thoroughly recommended for law students. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
